Jews and Anti-Judaism in Esther and the Church Tricia Miller, 2015-05-28 The biblical book of Esther records an account of Jewish resistance to attempted genocide in the setting of the Persian Empire According to the text Jews were targeted for annihilation simply because of their Jewish identity However the story also reports that they were allowed to defend themselves against anyone who sought to kill them In the context of attempted genocide the message of Esther addresses a timeless and universal issue of justice that humans have the right and responsibility to defend themselves against those who intend to murder Jews and Anti Judaism in Esther and the Church shows how the anti Judaism that is a central feature of Esther relates to the contemporary issue of the contested legitimacy of the State of Israel as part of the ongoing Arab Israeli conflict In her outstanding book Dr Tricia Miller uses an academic approach to demonstrate the relationship of historic theology to current events concerning Israel for the purpose of encouraging Christians to support Israel's right to exist and defend itself against those who seek its destruction New Perspectives on Healing, Restoration and Reconciliation in John's Gospel Jacobus Kok, 2016-10-05 In New Perspectives on Healing Restoration and Reconciliation in John Jacobus Kok investigates the depth and applicability of Jesus healing narratives in John's gospel Against the background of an ancient group oriented worldview it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much broader way than we tend to understand it today He shows inter alia why the interaction between Jesus and the Samaritan woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing restoration and reconciliation Lutheran Theology Steven D.
