Politics And Form In Postmodern Poetry Ohara Bishop Ashbery And Merrill:

Politics and Form in Postmodern Poetry Mutlu Konuk Blasing, 1995-11-24 Approaching post World War II poetry from a postmodern critical perspective this study challenges the prevailing assumption that experimental forms signify political opposition while traditional forms are politically conservative Blasing shows how four major postwar poets Frank O Hara Elizabeth Bishop John Ashbery and James Merrill cannot be read as politically conservative because formally traditional or vice versa The work of these poets plays an important cultural role precisely by revealing how meanings and values do not inhere in forms but are always and irreducibly rhetorical

Romanticism and Postmodernism Edward Larrissy, 1999-08-28 The persistence of Romantic thought and literary practice into the late twentieth century is evident in many contexts from the philosophical and ideological abstractions of literary theory to the thematic and formal preoccupations of contemporary fiction and poetry Though the precise meaning of the Romantic legacy is contested it remains stubbornly difficult to move beyond This collection of essays by prominent critics and literary theorists was first published in 1999 and explores the continuing impact of Romanticism on a variety of authors and genres including John Barth William Gibson and John Ashbery while writers from the Romantic and Victorian period include Wordsworth Byron and Emily Bront Many critics have assumed that the forms and modes of feeling associated with the Romantic period continued to influence the cultural history of the the first half of the twentieth century This was the first book to consider the mutual impact of postmodernism and Romanticism

John Ashbery and American Poetry David Herd, 2024-07-30 David Herd sets out to provide readers with a new critical language through which they can appreciate the beauty and complexity of Ashbery s writing Presenting the poet in all his forms avant garde nostalgic sublime and camp the book argues that the perpetual inventiveness of Ashbery s work has always been underpinned by the poets desire to write the poem fit to cope with its occasion Tracing Ashbery s development in the light of this idea and from its origins in the dazzling artistic environment of 1950 s New York the book evaluates his poetry against the aesthetic literary and historical backgrounds that have informed it The story of a brilliant career and a history of the period in which that career has taken shape John Ashbery and American Poetry provides a compelling account of Ashbery s importance to Twentieth Century Literature

Hyperscapes in the Poetry of Frank O'Hara Hazel Smith, 2000-10-01 Frank O Hara s poetry evokes a specific era and location New York in the fifties and early sixties This is a pre computer age of typewritten manuscripts small shops and lunch hours it is also an age of gay repression accelerating consumerism and race riots Hazel Smith suggests that the location and dislocation of the cityscape creates hyperscapes in the poetry of Frank O Hara The hyperscape is a postmodern site characterised by difference breaking down unified concepts of text city subject and art and remoulding them into new textual subjective and political spaces This book theorises the process of disruption and re figuration which constitutes the hyperscape and celebrates its radicality

The Politics of Style Daniel Hartley, 2016-09-27 This book develops a Marxist theory of literary style The first part explains why Raymond Williams Terry Eagleton and Fredric Jameson came to see style as central to political criticism It delineates the historical and conceptual preconditions for the emergence of a politics of style and uncovers an underground current of stylistics within the Marxist

tradition from Marx to Barthes The second part sets out precisely what each thinker has written on style and demonstrates how this came to figure in their overall intellectual and political projects focusing above all on a detailed reconstruction of Williams's best known concept the structure of feeling Finally the third part sets out an independent theory of style and makes an ambitious attempt to establish it as a foundational element of a new Marxist poetics

Questions of Possibility: Contemporary Poetry and Poetic Form David Caplan, 2006-09-26 Questions of Possibility examines the particular forms that contemporary American poets favor and those they neglect The poets' choices reveal both their ambitions and their limitations the new possibilities they discover and the traditions they find unimaginable By means of close attention to the sestina ghazal love sonnet ballad and heroic couplet this study advances a new understanding of contemporary American poetry Rather than pitting closed verse against open and traditional poetry against experimental Questions of Possibility explores how poets associated with different movements inspire and inform each other's work Discussing a range of authors from Charles Bernstein Derek Walcott and Marilyn Hacker to Agha Shahid Ali David Caplan treats these poets as contemporaries who share the language not as partisans assigned to rival camps The most interesting contemporary poetry crosses the boundaries that literary criticism draws synthesizing diverse influences and establishing surprising affinities In a series of lively readings Caplan charts the diverse characteristics and accomplishments of modern poetry from the gay and lesbian love sonnet to the currently popular sestina

John Ashbery and Anglo-American Exchange Oli Hazzard, 2018 This book shows how Ashbery's poetry has been centrally concerned with questions of national identity and intercultural poetic exchange Through detailed close readings of his poetry original interviews and extensive archival research a new account of Ashbery's aesthetic and a significant re-mapping of post-war English poetry is presented

Midcentury Suspension Claire Seiler, 2020-08-11 How did literary artists confront the middle of a century already defined by two global wars and newly faced with a nuclear future Midcentury Suspension argues that a sense of suspension a feeling of being between beginnings and endings recent horrors and opaque horizons shaped transatlantic literary forms and cultural expression in this singular moment Rooted in extensive archival research in literary print and public cultures of the Anglophone North Atlantic Claire Seiler's account of midcentury suspension ranges across key works of the late 1940s and early 1950s by authors such as W H Auden Samuel Beckett Elizabeth Bishop Elizabeth Bowen Ralph Ellison and Frank O'Hara Seiler reveals how these writers cultivated modes of suspension that spoke to the felt texture of life at midcentury Running counter to the tendency to frame midcentury literature in the terms of modernism or of our contemporary Midcentury Suspension reorients twentieth century literary study around the epoch's fraught middle

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the

author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **Invisible**

Terrain Stephen Joseph Ross, 2017 Stephen J Ross examines the concept of nature in the work of John Ashbery Through close readings of Ashbery's poetry and critical prose he reveals Ashbery's work to be a case study of the dramatic transformation of nature in art and literature since World War II *The New York School Poets and the Neo-Avant-Garde*

Mark Silverberg, 2016-02-17 New York City was the site of a remarkable cultural and artistic renaissance during the 1950s and 60s In the first monograph to treat all five major poets of the New York School John Ashbery Barbara Guest Kenneth Koch Frank O'Hara and James Schuyler Mark Silverberg examines this rich period of cross fertilization between the arts Silverberg uses the term neo avant garde to describe New York School Poetry Pop Art Conceptual Art Happenings and other movements intended to revive and revise the achievements of the historical avant garde while remaining keenly aware of the new problems facing avant gardists in the age of late capitalism Silverberg highlights the family resemblances among the New York School poets identifying the aesthetic concerns and ideological assumptions they shared with one another and with artists from the visual and performing arts A unique feature of the book is Silverberg's annotated catalogue of collaborative works by the five poets and other artists To comprehend the coherence of the New York School Silverberg demonstrates one must understand their shared commitment to a reconceptualized idea of the avant garde specific to the United States in the 1950s and 60s when the adversary culture of the Beats was being appropriated and repackaged as popular culture Silverberg's detailed analysis of the strategies the New York School poets used to confront the problem of appropriation tells us much about the politics of taste and gender during the period and suggests new ways of understanding succeeding generations of artists and poets **Political Poetry as Discourse** Angela M. Leonard, 2010-01-01 Political Poetry as Discourse examines the works of the political poets John Greenleaf Whittier and Ebenezer Elliott drawing comparisons to contemporary hip

hoppers who take their words from local newspapers and other discursive sources that they read hear and observe Local presses and news vehicles stand as cultural material forms that supply poets with words particularly words that congeal into patterns of language allowing the creation of a poetic discourse As readers of these poets apply techniques and theories of discourse analysis they reveal how poets borrow lift hijack or resituate words from one or more different genres to use as tools of political change Leonard engages with the critical toolboxes of content analysis semiosis and deconstruction to demonstrate how to critically investigate and interrogate the images sounds and words not just of politically engaged poets but also of any disseminator of culture and news Moving beyond theory into praxis this book becomes a model of its own transgressive premise by thinking analyzing writing and teaching against the grain Its focus on language as unbounded discourse makes this book a relevant and insightful demonstration in democratic pedagogy and in teaching for
