Politics Of Peace In Mozambique Post Conflict Democratization 1992 :

The Politics of Peace in Mozambique Carrie Manning, 2002-11-30 Manning examines issues of democratization and conflict resolution through the lens of the Mozambican experience from 1992-2000. Since the end of the Cold War, a formal democratization process has been at the center of virtually every negotiated peace agreement to end a civil conflict. Nearly a decade after the Rome peace accord put an end to 16 years of civil war, Mozambique stands out as one of the world's most unlikely postwar democratization success stories. What accounts for the durability of the postwar political settlement? What lessons does the Mozambican experience hold for other such cases? Relying on original research conducted in Mozambique between 1994 and 1999, Manning argues that the country's relatively successful postwar political settlement depends upon the ability of the system to accommodate conflicting notions of democratic and system legitimacy through routine recourse to processes of sustained elite bargaining which supplement formal democratic institutions. In building her case, Manning provides a thorough and provocative analysis of the country's civil conflict, presents ground-breaking work on the transformation of the Renamo rebel group into a political party, and the separation of the Relimo party-state into its respective components, and she presents a clear-eyed analysis of the lessons and limits of Mozambique's postwar success. Of particular interest to scholars, students, and policymakers involved with democratization, conflict resolution, and southern African politics.

The Palgrave Encyclopedia of Peace and Conflict Studies Oliver P. Richmond, Gëzim Visoka, 2022-06-21 This encyclopaedia provides a comprehensive overview of major theories and approaches to the study of peace and conflict across different humanities and social sciences disciplines. Peace and conflict studies (PCS) is one of the major sub-disciplines of international studies, including political science and international relations, and has emerged from a need to understand war-related systems and concepts and how to respond to it afterward. As a living reference work, easily discoverable and searchable, the Palgrave Encyclopedia of Peace and Conflict Studies offers solid material for understanding the foundational historical and contemporary themes, concepts, theories, events, organisations, and frameworks concerning peace, conflict, security, rights, institutions, and development. The Palgrave Encyclopaedia of Peace and Conflict Studies brings together leading and emerging scholars from different disciplines to provide the most comprehensive and up-to-date resource on peace and conflict studies ever produced.

Former Guerrillas in Mozambique Nikkie Wiegink, 2020-03-06 A sensitive ethnography of former Mozambican National Resistance (RENAMO) combatants. After sixteen years of civil war (1976-1992) between the Mozambican National Resistance (RENAMO) and the government of Mozambique, over 90,000 former combatants were disarmed and demobilized by a United Nations-led program. Former combatants were to find their ways as civilians again, assisted by community-based reintegration rituals. While the process was often presented as a success story of peace, renewed armed conflict involving RENAMO combatants in 2013 and onward suggests that the reintegration of former guerrillas was a far more complex story. In *Former Guerrillas in Mozambique*, Nikkie Wiegink describes the trajectories of

former RENAMO combatants in Maringue a rural district in central Mozambique Rather than focus on violence trauma and the reacceptance of these ex combatants by the community Wiegink emphasizes the ways in which RENAMO veterans have navigated unstable and sometimes dangerous social and political environments during and after the war She examines the experiences of both male and female war veterans and their attempts at securing a tolerable life Based on fourteen months of fieldwork conducted long after the war ended Former Guerrillas in Mozambique offers a critique of a notion of reintegration that assumes that the lives of former combatants are shaped first by a break with society when joining the armed group and later by a break with the past when demobilizing and a return to a status quo Wiegink argues instead that former combatants motivations experiences and interactions are not necessarily characterized by a rigid separation from their RENAMO past but rather comprise a mixture of ruptures and continuities of relationships and networks including families the spiritual world fellow former combatants political parties and the state

Explaining Post-Conflict Reconstruction

Desha Girod,2015-02-02 The international community has donated nearly one trillion dollars during the last four decades to reconstruct post conflict countries Where did the money go This book argues that foreign aid only fosters reconstruction when post conflict leaders are desperate for income and thus depend on aid that comes with reconstruction strings attached

Securing Peace in Angola and Mozambique Miranda

Melcher,2024-03-21 This book helps explain how and why there are such diverging outcomes of UN peace negotiations and treaties through a detailed examination of peace processes in the Angolan and Mozambican civil wars Does it really matter what s written on page 36 protocol V section III point 5 of a UN endorsed peace treaty Dr Miranda Ruwart Melcher shows that seemingly small details such as who wears suits who has toothbrushes and how specific words are translated between French and English can and have delayed peace or contributed to restarting wars Dr Melcher uses unique primary source data including interviews with key actors who have participated in peace treaty negotiations as well as thousands of previously newly opened UN documents She argues that treaty specificity is an undervalued but important factor in researching the success or failure of peace processes The book offers new insights and policy recommendations for key details whose presence or absence can have a significant impact on how peace processes unfold

Strengthening Peace in Post-Civil War States Matthew Hoddie,Caroline A. Hartzell,2010-09-30 Among the more frequent and most devastating of conflicts civil wars from Yugoslavia to Congo frequently reignite and even spill over into the international sphere Given the inherent fragility of civil war peace agreements innovative approaches must be taken to ensure the successful resolution of these conflicts *Strengthening Peace in Post Civil War States* provides both analytical frameworks and a series of critical case studies demonstrating the effectiveness of a range of strategies for keeping the peace Coeditors Matthew Hoddie and Caroline A Hartzell here contend that lasting peace relies on aligning the self interest of individuals and communities with the society wide goal of ending war if citizens and groups have a stake in peace they will seek to maintain and defend it The rest of the contributors explore two complementary approaches toward achieving this goal restructuring domestic institutions and soft intervention Some essays examine the first tactic which involves reforming governments that failed to prevent war while others discuss the second an umbrella term for a number of non military strategies for outside actors to assist in keeping the peace

From Revolutionary Movements to Political Parties K. Deonandan,D. Portugal in the European

Union Laura C. Ferreira-Pereira, 2014-01-10 This book examines the involvement of Portugal in the European integration process since the country signed the Accession Treaty in 1985 The volume elicits how Portugal has grasped opportunities and challenges emanating from its participation in the institutional regulatory and political frameworks of the European Union EU as these have become more intricate as well as intrusive It scrutinizes the adjustments and transformations that have taken place in Portuguese society politics and economics as well as in the country's international relations as engendered by its increasing enmeshment in the Community building dynamics It is divided into three main parts Part I focuses on the major changes within the domestic arena notably on the political economic and social fronts Part II addresses the adjustments that the Portuguese leadership had to make in order to secure the country's participation in key common policies and strategies Part III is centred on foreign policy and assesses and discusses the impact upon Portugal's international relations This book will be of interest to students and scholars of European politics EU studies comparative politics and those with a strong interest in Portugal *The Routledge Handbook of International Crime and Justice Studies* Bruce Arrigo, Heather Bersot, 2013-08-15 This book presents the enduring debates and emerging challenges in crime and justice studies from an international and multi disciplinary perspective **Political Science in Africa**, 2023-12-28 Bringing together African and international scholars this book gives an account of the present state of the discipline of political science in Africa generating insights into its present and future trajectories and assessing the freedom with which it is practiced Tackling subjects including the decolonization of the discipline political scientists as public intellectuals and the teaching of political science this diverse range of perspectives paints a detailed picture of the impact and relevance of the political science discipline on the continent during the struggles for democratization and the influence it continues to exert today *Sustainable Food Futures* Jessica Duncan, Megan Bailey, 2017-08-04 Securing sustainable food for everyone is one of the world's most pressing challenges but research policy and programmes remain fragmented and effective solutions have been slow to emerge This book takes on these challenges by proposing a range of solutions that can advance pathways towards sustainable food futures Complete with recipes this book is structured so that readers are taken in a logical progression through discussions of solutions highlighting the need to recognise the importance of place and the importance of participation and to challenge dominant descriptions of markets through to re designing food systems The solutions presented in this book are based on real world cases but discussions remain deliberately broad to encourage thinking in new ways Cases are drawn from Africa Asia Europe and North and South America The book is of relevance to those interested in sustainable food futures and can serve as a supplementary textbook for a wide range of courses in food studies and related disciplines The African Affairs Reader Nic Cheeseman, Lindsay Whitfield, Carl Death, 2017-05-19 African Affairs is the top journal in African Studies and has been for some time This book draws together some of the most influential important and thought provoking articles published in its pages over the last decade In doing so it collates essential cutting edge research

on Africa and makes it easily available for students teachers and researchers alike The African Affairs Reader is broken down into four sections that cover some of the biggest themes and questions facing the continent today including the African State the Political Economy of Development Africa's Relationship with the World and Elections Representation Democracy Within each section articles deal with some of the most significant recent trends and events such as the prospects for democratization in Ghana and Nigeria the factors underpinning Rwanda's economic success the rise of political corruption in South Africa the spread of the drugs trade the struggle against gender based violence and the growing influence of China Each section is introduced by a new purpose written essay by the journal's editors that explains the evolution of the wider debate highlights key contributions and suggests new ways in which the discussion can be taken forward Taken together the essays and articles included in the volume provide both a coherent introduction to the study of Africa and a compelling commentary on the current state of play on the continent

The Winds of History Andreas Zeman, 2023-10-24 Based on extensive archival research in six countries and intensive fieldwork the book analyzes the history of the village of Nkhlongue on the eastern Mozambican shores of Lake Malawi from the time of its formation in the 19th century to the present day The study uses Nkhlongue as a microhistorical lens to examine such diverse topics as the slave trade the spread of Islam colonization subsistence production counter insurgency decolonization civil war ecotourism and matriliney Thereby the book attempts to reflect as much as possible on the generalizability and global comparability of local findings by framing analyses in historiographical discussions that aim to go beyond the regional or national level Although the chapters of the book deal with very different topics they are united by a common interest in the social history of rural Africa in the longue durée Contrary to persistent clichés of rural inertia in Africa the book as a whole underscores the profound changeability of social conditions and relations in Nkhlongue over the years and highlights how people's room for maneuver kept changing as a result of the Winds of History the frequent and often violent ruptures brought to the village from outside

African Citizenship Aspirations Catarina Antunes Gomes, Cesaltina Abreu, 2018-12-07 This collective work aims to critically reflect upon contemporary citizenship aspirations and practices in sub-Saharan Africa Focusing on different realities such as Angola Mozambique and the Great Lakes region it tries to unveil multiple historical commonalities especially those arising from shared experiences of postcolonial violence and vulnerability Thus albeit the social realities under scrutiny cannot stand for the complexity of the Continent the studies here gathered enlighten similar processes that can be identified in many other African contexts That is certainly the case of the proliferation of religious manifestations and democratic demands that are currently being articulated in different countries such as Burundi Central African Republic Ethiopia Sudan Uganda and Nigeria One such commonality can be referred to as a quest for being Indeed this quest for being has always underpinned African discourses and practices either in postcolonial approaches either in intellectual traditions either in popular productions These multiple practices reveal how in certain circumstances identity as a product of historical wills of

knowledge power and truth can be questioned as a site of possession and entrapment How is one to be beyond colonial possession Or beyond postcolonial authoritarian rule Or beyond eurocentrism African quests for being have always been quests for freedom And they impose a debate on regimes of citizenship Active citizenship is not merely a by product of formal political systems it is one that challenges them from the outside while actualizing the lessons of historical liberation struggles As times goes by the right to be still stands The chapters of this book were originally published as a special issue in Citizenship Studies

The Wartime Origins of Democratization Reyko Huang, 2016-10-13 Why do some countries democratize after civil war Huang argues that war can foment popular demand for radical political change
