Global Security Watch—Jordan W. Andrew Terrill, 2010-07-20 This insightful study explores how a small state with limited economic resources has played an important role in vital ongoing Middle Eastern political and security controversies *Global Security Watch Jordan* provides readers with an expert comprehensive overview of significant aspects of Jordan's security including its political diplomatic and alliance building dimensions Examining how Jordan emerged from a small Arab kingdom with arbitrary borders and no clear national identity to a confident and modernizing state the book shows how today's nation effectively copes with a variety of geopolitical challenges Jordan's close relations with the United States are examined with special attention paid to ongoing U S Jordanian cooperation in fighting al Qaeda and its terrorist allies The work also probes Jordan's involvement in many of the great conflicts in the contemporary Middle East for example that between the Israelis and Palestinians clarifying Jordanian policies while helping the reader understand many of the regional problems Jordan finds itself forced to address

The 1967

Arab-Israeli War Avi Shlaim, William Roger Louis, 2012-02-13 The June 1967 war was a watershed in the history of the modern Middle East In six days the Israelis defeated the Egyptian Syrian and Jordanian armies seizing large portions of their territories Two veteran scholars of the Middle East bring together some of the most knowledgeable experts in their fields to reassess the origins and the legacies of the war Each chapter takes a different perspective from the vantage point of a different participant those that actually took part in the war and also the world powers that played important roles behind the scenes Their conclusions make for sober reading At the heart of the story was the incompetence of the Egyptian leadership and the rivalry between various Arab players who were deeply suspicious of each other's motives Israel on the other side gained a resounding victory for which despite previous assessments to the contrary there was no master plan

The Politics of Mass Violence in the Middle East Laura Robson, 2020 Laura Robson examines the interactions between international and regional political economies of oil and water and the increasingly explicit colonial and postcolonial politics of ethno national identity centered around the question of Palestine arguing that the Middle East's emergence as a zone of violence only developed over the past century

Bordering the Middle East Daniel Meier, 2020-05-21 This volume focuses on the influence that borders in the Middle East can have on actors identity building as well as how local national or transnational actors re define borders and boundaries The Middle East is facing a political crisis revealed by the Arab uprisings that is affecting states borders in a paradoxical way while local communal or tribal dissent tends to contest international borders states are trying to affirm their control over national territory in building border fences Focusing on borders in their materiality as well as their symbolic dimensions their representations may help with reappraising the region's own history the local national specificities as well as regional global constraints affecting borderlands and those who cross borders be they workers migrants or jihadists In this book six case studies will provide insights on state community relationships through the lens of border issues in the Levant and the Gulf The theoretical framework provided by the border studies conceptual tools allows authors to delve into the process of bordering de bordering and re bordering which is affecting the region raising questions on sovereignty authority and the political legitimacy of the regimes This book was originally published as a special issue of *Geopolitics*

Civil-Military Relations in the Modern Middle East David S. Sorenson, 2023-01-31 Civil Military Relations in the Modern Middle East explores the political and economic interactions between civilians and the armed forces in the post World War II Middle East emphasizing four themes military and society the role of the military in political transitions the military's part in national economies and the relations between soldiers and civilians in wartime Covering the greater Middle East including the Arab States Israel Turkey and Iran the book establishes how militaries in many Middle Eastern countries influence the national political and economic systems and how in turn politics influences the national militaries

Parliamentary Power in Russia, 1994-2001 T. Troxel, 2002-12-09 This book is the first study of the power of the Russian Parliament in the policy process from 1994 2001 within the context of executive

legislative relations It challenges the widely held view that between 1994 and 2001 Russia had a presidential system with a strong authoritarian leader who ruled by decree and a weak parliament which did not have much power **Suez**

Deconstructed Philip Zelikow, Ernest May, 2018-09-04 Experiencing a major crisis from different viewpoints step by step The Suez crisis of 1956 now little more than dim history for many people offers a master class in statecraft It was a potentially explosive Middle East confrontation capped by a surprise move that reshaped the region for years to come It was a diplomatic crisis that riveted the world's attention And it was a short but startling war that ended in unexpected ways for every country involved Six countries including two superpowers had major roles but each saw the situation differently From one stage to the next it could be hard to tell which state was really driving the action As in any good ensemble all the actors had pivotal parts to play Like an illustration that uses an exploded view of an object to show how it works this book uses an unprecedented design to deconstruct the Suez crisis The story is broken down into three distinct phases In each phase the reader sees the issues as they were perceived by each country involved taking into account different types of information and diverse characteristics of each leader and that leader's unique perspectives Then after each phase has been laid out editorial observations invite the reader to consider the interplay Developed by an unusual group of veteran policy practitioners and historians working as a team Suez Deconstructed is not just a fresh way to understand the history of a major world crisis Whether one's primary interest is statecraft or history this study provides a fascinating step by step experience repeatedly shifting from one viewpoint to another At each stage readers can gain rare experience in the way these very human leaders sized up their situations defined and redefined their problems improvised diplomatic or military solutions sought ways to influence each other and tried to change the course of history The Cold War and the Middle East Yezid Sayigh, Avi

Shlaim, 1997-05-22 The Cold War has been researched in minute detail and written about at great length but it remains one of the most elusive and enigmatic conflicts of modern times With the ending of the Cold War it is now possible to review the entire post war period to examine the Cold War as history The Middle East occupies a special place in the history of the Cold War It was critical to its birth its life and its demise In the aftermath of the Second World War it became one of the major theatres of the Cold War on account of its strategic importance and its oil resources The key to the international politics of the Middle East during the Cold War era is the relationship between external powers and local powers Most of the existing literature on the subject focuses on the policies of the Great Powers towards the local region The Cold War and the Middle East redresses the balance by concentrating on the policies of the local actors It looks at the politics of the region not just from the outside in but from the inside out The contributors to this volume are leading scholars in the field whose interests combine International Relations and Middle Eastern Studies Colombian Criminal Justice in Crisis E. Restrepo, 2001-12-10 Most people believe that criminal justice in Colombia is rife with impunity and corruption Elvira Mar a Restrepo delves beneath such beliefs to reveal a system driven at a fundamental level by fear and distrust from outside the system itself With

the present difficulties in the country tantamount to a state of irregular war the judiciary is in crisis It has to contribute to the construction of peace and the reconstruction of trust or perish

Matsumoto,2006-03-15 The technological revolution in shipbuilding in the early twentieth century had a great impact on the military industrial commercial worlds Matsumoto focuses on the relationship between this revolution and the structure and function of technology gatekeepers during the transfer of marine science and technology from Britain to Japan

The Long Search for a Third Way I. Favretto,2002-12-09 Ilaria Favretto presents a detailed study which traces the origins of the Third Way by comparing the European Left s contemporary neo revisionism with past revisionist attempts Focussing its analysis on the British Labour Party and the Italian Left The Long Search for a Third Way provides new interpretations and insights into the histories of both parties The book is accessible not only to students and scholars but also to the general reader interested in contemporary European politics

Justice at Nuremberg U. Schmidt,2004-06-30 This book traces the history of the Nuremberg Doctors Trial of 1946 47 through the eyes of the Austrian migr psychiatrist Leo Alexander whose investigations helped the US prosecution Schmidt provides a detailed insight into the origins of human rights in medical science and into the changing role of international law ethics and politics

A Concise History of the Middle East Ibrahim Al-Marashi,Arthur Goldschmidt Jr.,2024-10-07 A Concise History of the Middle East provides a comprehensive introduction to the history of this region Spanning from the pre Islamic era to the present it explores the evolution of Middle Eastern institutions and culture the influence of European colonialism and Western imperialism regional modernization efforts the struggle of various peoples for political independence the Arab Israeli conflict the reassertion of Islamist values and power the issues surrounding the Palestinian Question and the Middle East following 9 11 the 2011 Arab uprisings and the regional crisis that erupted after 7 October 2023 The thirteenth edition has been fully revised to reflect the most recent events in and concerns of the region including its future in the face of climate change and challenges in Iraq and developments in the Israeli Palestinian conflict In addition the important role of Middle Eastern women in the history of the region is woven into the narrative New parts and part timelines will help students grasp and contextualize the long and complicated history of the region With updated biographical sketches and a new concluding chapter this book remains the quintessential text for students of Middle East history

Britain, Sweden and the Cold War, 1945-54 J. Aunesluoma,2003-05-13 Juhana Aunesluoma considers the ways in which Scandinavia s in particular neutral Sweden s relationship was forged with the Western powers after the Second World War He argues that during the early cold war Britain had a special role in Scandinavia and in the ways in which Western oriented neutrality became a part of the international system New evidence is presented on British American and Swedish foreign and defence policies regarding neutrality in the cold war

Untold Histories of the Middle East Amy

Singer,Christoph Neumann,Selcuk Aksin Somel,2010-07-28 This book examines the historiography of the Middle East and the consequent silences or omissions It provides a collection of important histories from the modern era particularly relating

to the break up of the Ottoman Empire to give a fuller account of the society culture and politics of the period Water, Power and Citizenship José Esteban Castro, 2005-11-21 Water Power and Citizenship investigates the interrelationship between water politics and institutions and the development of citizenship rights from a historical sociological perspective The evolution of water's manifold social character and values as a source of power as a public good as a commodity or as a universal right is examined in the light of ever changing and mutually binding social and ecological processes The Basin of Mexico's rich water history becomes the vantage point to cast light on one of the most crucial challenges facing the international community that of eliminating water inequality and injustice **Political Culture and Post-Communism** S. Whitefield, 2005-10-11 Our understanding of the dynamics of Communist systems was substantially improved by taking political culture into account But how much does the concept of political culture add to our empirical understanding of post Communist Russia The book's contributors engage with theoretical debates between political culture and competing rational choice and institutionalist approaches to post Soviet politics and provide illustrative empirical studies of civic participation views of national identity the Russian criminal justice system and political violence
