Politics And Empire In Victorian Britain A Reader:

Politics and Empire in Victorian Britain Antoinette Burton, 2001-10-18 The first source book to track the role the British empire played in domestic politics social attitudes and intellectual and cultural life at home this volume is undergirded by a recognizable political chronology emphasizing moments of major constitutional reform 1832 1867 and imperial crisis 1857 1865 1882 1886 1899 The primary purpose of the reader is to introduce students to the intersections of home and empire so that the effects of imperialism on Victorian politics and society can be fully appreciated **The Birth of Energy** Cara New Daggett, 2019-09-13 Cara New Daggett traces the genealogy of the idea of energy from the Industrial Revolution to the present showing how it has informed fossil fuel imperialism the governance of work and our relationship to the Earth

The Challenge of Teaching English in Indonesian's Muhammadiyah Universities (1958-2005) Dewi Candraningrum, 2008 **Gender, the New Woman, and the Monster** Elizabeth D. Macaluso, 2019-10-18 This book views late Victorian femininity the New Woman and gender through literary representations of the figure of the monster an appendage to the New Woman The monster an aberrant occurrence performs Brecht's alienation effect making strange the world that she inhabits thereby drawing veiled conclusions about the New Woman and gender at the end of the fin de siècle The monster reveals that New Women loved one another complexly not just as friend or lover but both friend and lover The monster like the fin de siècle British populace mocked the New Woman's modernity She was paradoxically viewed as a threat to society and as a role model for women to follow The tragic suicides of monstrous New Women of color suggest that many fin de siècle authors especially female authors thought that these women should be included in society not banished to its limits This book the first on the relationship between the figure of the monster and the New Woman argues that there is hidden complexity to the New Woman Her sexuality was complicated and could move between categories of sexuality and friendship for late Victorian women and the way that the fin de siècle populace viewed her was just as multifarious Further the narratives of her tragedies ironically became narratives that advocated for her survival *Imagined Londons* Pamela K. Gilbert, 2002-09-26 *Imagined Londons* explores the diverse ways that Britain's global city has been imagined and represented in literature history the arts and popular culture from the mid nineteenth century to the present day American and British contributors examine a variety of topics ranging from poetry to architecture from dance music to gay pornography from tube maps to the role of Bangladeshi communities in shaping contemporary London politics Broadly interdisciplinary and deeply attentive to London's historical diversity the book is unified by its attention to a single question How have the many imaginations and representations of London shaped and been shaped by history and culture The answers provided within this volume offer the chance to view London in surprising new ways **A Companion to British Art** David Peters Corbett, 2016-02-16 This companion is a collection of newly commissioned essays written by leading scholars in the field providing a comprehensive introduction to British art history A generously illustrated collection of newly commissioned

essays which provides a comprehensive introduction to the history of British art Combines original research with a survey of existing scholarship and the state of the field Touches on the whole of the history of British art from 800 2000 with increasing attention paid to the periods after 1500 Provides the first comprehensive introduction to British art of the eighteenth nineteenth and twentieth centuries one of the most lively and innovative areas of art historical study Presents in depth the major preoccupations that have emerged from recent scholarship including aesthetics gender British art s relationship to Modernity nationhood and nationality and the institutions of the British art world **2001** Massimo Mastrogregori,2011-08-02 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors **Colonising New Zealand** Paul Moon,2021-09-05 Colonising New Zealand offers a radically new vision of the basis and process of Britain s colonisation of New Zealand It commences by confronting the problems arising from subjective and ever evolving moral judgements about colonisation and examines the possibility of understanding colonisation beyond the confines of any preoccupations with moral perspectives It then investigates the motives behind Britain s imperial expansion both in a global context and specifically in relation to New Zealand The nature and reasons for this expansion are deciphered using the model of an organic imperial ecosystem which involves examining the first cause of all colonisation and which provides a means of understanding why the disparate parts of the colonial system functioned in the ways that they did Britain s imperial system did not bring itself into being and so the notion of the Empire having emerged from a supra system is assessed which in turn leads to an exploration of the idea of equilibrium achievement as the Prime Mover behind all colonisation something that is borne out in New Zealand s experience from the late eighteenth century This work changes profoundly the way New Zealand s colonisation is interpreted and provides a framework for reassessing all forms of imperialism **A History of Intoxication** Kawal Deep Kour,2019-08-28 This volume unearths the emerging pattern of consumption of opium in colonial Assam and the creation of drug dependency in a social context It analyses the competing forces of the empire which played a key role in the production and distribution of opium national politics alongside international drug diplomacy and how these together shaped the discourse of opium in Assam the wider implications of opium production and consumption in the agrarian economy and the narrative of the nationalist critique of intoxication Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *The Oxford Handbook of American Women's and Gender History* Ellen Hartigan-O'Connor,Lisa G. Materson,2018-09-04 From the first European encounters with Native American women to today s crisis of sexual assault The Oxford Handbook of American Women s and Gender History boldly interprets the diverse history of women and how ideas

about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women s and gender history can shape how we view the past looking at how gender influenced people s lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women s opinions to the suppression of Indian women s involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women s lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries

Dwelling in the Archive Antoinette M. Burton,2003 Through an analysis of the writings of three 20th century Indian women this book explores how the memoirs fictions and histories written by women can be read as counter narratives of colonial modernity

A Return to the Common Reader Adelene Buckland,2017-03-02 In 1957 Richard Altick s groundbreaking work *The English Common Reader* transformed the study of book history Putting readers at the centre of literary culture Altick anticipated and helped produce fifty years of scholarly inquiry into the ways and means by which the Victorians read Now *A Return to the Common Reader* asks what Altick s concept of the common reader actually means in the wake of a half century of research Digging deep into unusual and eclectic archives and hitherto overlooked sources its authors give new understanding to the masses of newly literate readers who picked up books in the Victorian period They find readers in prisons in the barracks and around the world and they remind us of the power of those forgotten readers to find forbidden texts shape new markets and drive the production of new reading material across a century Inspired and informed by Altick s seminal work *A Return to the Common Reader* is a cutting edge collection which dramatically reconfigures our understanding of the ordinary Victorian readers whose efforts and choices changed our literary culture forever
