Politics Of Gay Rights

Mike Jess

Politics Of Gay Rights:

The Politics of Gay Rights Craig A. Rimmerman, Kenneth D. Wald, Clyde Wilcox, 2000-07 The contributors to this volume thoroughly investigate the politics of the gay and lesbian movement beginning with its political organizations and tactics The essays also address the strategies and ideology of conservative opposition groups **Value War** Paul R. Brewer, 2007-12-24 In *Value War* Public Opinion and the Politics of Gay Rights Paul R Brewer looks at how the public debate about gay rights has shaped public opinion and conversely how public opinion has shaped the public debate about gay rights Using a variety of methods including polls experimentation and content analysis he shows how the nature of public debate which encompasses news stories television sitcoms presidential speeches and sermons by local clergy has influenced what and how Americans think about gay rights He also shows how public opinion has created opportunities and obstacles for foes and advocates of gay rights by defining the very terms and boundaries of the public debate Brewer s analysis not only sheds new light on how the politics of gay rights has evolved in recent years and may evolve in the future it also illuminates the broader tensions in American politics from the culture war over social issues to the struggle over civil rights *Same Sex, Different Politics* Gary Mucciaroni, 2009-05-15 Why is it so much harder for American same sex couples to get married than it is for them to adopt children And why does our military prevent gays from serving openly even though jurisdictions nationwide continue to render such discrimination illegal Illuminating the conditions that engender these contradictory policies *Same Sex Different Politics* explains why gay rights advocates have achieved dramatically different levels of success from one policy area to another The first book to compare results across a wide range of gay rights struggles this volume explores debates over laws governing military service homosexual conduct adoption marriage and partner recognition hate crimes and civil rights It reveals that in each area the gay rights movement s achievements depend both on Americans perceptions of its demands and on the political venue in which the conflict plays out Adoption policy for example generally takes shape in a decentralized system of courts that enables couples to target sympathetic judges while fights for gay marriage generally culminate in legislation or ballot referenda against which it is easier to mount opposition Brilliantly synthesizing all the factors that contribute to each kind of outcome *Same Sex Different Politics* establishes a new framework for understanding the trajectory of a movement **Political Institutions and Lesbian and Gay Rights in the United States and Canada** Miriam Smith, 2008-08-18 This book examines why the US and Canada have produced such divergent policy outcomes in affording rights to their gay and lesbian citizens Smith s contribution will prove vital as movements for lesbian and gay rights continue to recast the social landscape in North America and beyond LGBTQ Politics Marla Brettschneider, Susan Burgess, Christine Keating, 2017-09-19 From Harvey Milk to Barney Frank and from ACT UP to Proposition 8 in the past few decades no political change has been more significant than the civil rights advancements of LGBTQ citizens LGBTQ Politics is the first authoritative reader to approach the complexity of queer politics from a political science perspective bringing

together original contributions from leading scholars in the field on key issues in LGBTQ politics. These original essays cover a wide range of essential topics including marriage equality, transgender discrimination, gay and lesbian political candidates, LGBTQ human rights advocacy, HIV prevention, and LGBTQ movements of the Global South. The volume also includes a number of critical essays that reflect upon the state of political science as a discipline that has struggled to address queer politics. Contributors draw from a variety of subfields in political science including comparative politics, political theory, American politics, public law, and international relations. Essays that focus on mainstream institutional politics appear alongside contributions grounded in grassroots movements and critical theory. While some essays express concerns that the democratic basis of the LGBTQ movement has been undermined, others celebrate the movement's successes and offer visions for the future. A comprehensive, thought-provoking, and authoritative collection. LGBTQ Politics: A Critical Reader is required reading for anyone looking to learn about the politics of sexuality. Back cover

Queers in Court Susan Gluck

Mezey, 2007-03-27 In *Queers in Court*, Susan Gluck Mezey examines the contemporary battle for gay and lesbian rights in the United States, tracing the evolution of issues from same-sex marriage and privacy rights to military service and employment discrimination. By combining analyses of nearly three hundred cases from both federal and state courts with detailed explorations of the paths these issues have taken through legislative and executive bodies, she provides the most comprehensive analysis of queer rights in law and policy to date. Both scholars seeking a case study in minority rights and those looking for a primer in gay and lesbian politics will find Mezey's book of interest.

Private Lives, Public Conflicts

James W. Button, Barbara Ann Rienzo, Kenneth D. Wald, 1997 This book explores the grass roots movement for legal protection on the basis of sexual orientation. After discussing the social and political background of the gay and lesbian rights movement, the authors examine the conditions that enabled or blocked passage of local legislation in various communities, the scope, implementation, and impact of such laws, the effect of the movement on public schools, and the nature of the political opposition.

The Oxford Handbook of American Political Development Richard M. Valelly, Suzanne Mettler, Robert C. Lieberman, 2016-08-25 Scholars working in or sympathetic to American political development (APD) share a commitment to accurately understanding the history of American politics, and thus they question stylized facts about America's political evolution. Like other approaches to American politics, APD prizes analytical rigor, data collection, the development and testing of theory, and the generation of provocative hypotheses. Much APD scholarship indeed overlaps with the American politics subfield, and its many well-developed literatures on specific institutions or processes, for example, Congress, judicial politics, or party competition, specific policy domains, welfare policy, immigration, the foundations of inequality in American politics, the distribution of wealth and income, race, ethnicity, gender, class, and sexual and gender orientation, public law, and governance and representation. What distinguishes APD is careful, systematic thought about the ways that political processes, civic ideals, the political construction of social divisions, patterns of identity formation, the making and implementation of public policies,

contestation over and via the Constitution and other formal and informal institutions and processes evolve over time and whether and how they alter compromise or sustain the American liberal democratic regime APD scholars identify in short the histories that constitute American politics They ask what familiar or unfamiliar elements of the American past illuminate the present Are contemporary phenomena that appear new or surprising prefigured in ways that an APD approach can bring to the fore If a contemporary phenomenon is unprecedented then how might an accurate understanding of the evolution of American politics unlock its significance Featuring contributions from leading academics in the field The Oxford Handbook of American Political Development provides an authoritative and accessible analysis of the study of American political development

The Christian Right in American Politics John C. Green, Mark J. Rozell, Clyde Wilcox, 2003-05-06 From the first rumblings of the Moral Majority over twenty years ago the Christian Right has been marshalling its forces and maneuvering its troops in an effort to re shape the landscape of American politics It has fascinated social scientists and journalists as the first right wing social movement in postwar America to achieve significant political and popular support and it has repeatedly defied those who would step up to write its obituary In 2000 while many touted the demise of the Christian Coalition the broader undercurrents of the movement were instrumental in helping George W Bush win the GOP nomination and the White House Bush repaid that swell of support by choosing Senator John Ashcroft once the movement's favored presidential candidate as attorney general The Christian Right in American Politics under the direction of three of the nation's leading scholars in the field of religion and politics recognizing the movement as a force still to be reckoned with undertakes the important task of making an historical analysis of the Christian Right in state politics during its heyday 1980 to the millennium Its twelve chapters written by outstanding scholars review the impact and influence of the Christian Right in those states where it has had its most significant presence South Carolina Virginia Texas Florida Michigan Iowa Kansas Minnesota Colorado California Maine and Oregon and Washington Since 1980 scholars have learned a good deal about the social characteristics religious doctrine and political beliefs of activists in and supporters of the Christian Right in these states and each contribution is based on rigorous dispassionate scholarship The writers explore the gains and losses of the movement as it attempts to re shape political landscapes More precisely they provide in depth descriptions of the resources organizations and the group ecologies in which the Christian Right operates the distinct elements that drove the movement forward As the editors state the Christian Right has been engaged in a long and torturous march toward the millennium from outsider status into the thick of American politics Those formative years 1980 2000 are essential for any understanding of this uniquely American social movement This rigorous analysis over many states and many elections provides the clearest picture yet of the goals tactics and hopes of the Christian Right in America

Lesbian and Gay Rights in Canada Miriam Catherine Smith, 1999-01-01 Using archival material that has largely been ignored as well as interviews with Canadian activists Smith investigates the ways in which the Canadian lesbian and gay movement has changed in response to the

Charter of Rights and Freedoms Culture Wars and Local Politics Elaine B. Sharp, 1999 This collection offers alternative explanations of local actions with a focus on conflict It features examples of experiences selected from various cities It examines how the responses of local governments to specific issues are influenced by such factors as political culture and institutions

The Lesbian and Gay Movements Craig A Rimmerman, 2018-05-04 Throughout their relatively short history lesbian and gay movements in the United States have endured searing conflicts over whether to embrace assimilationist or liberationist strategies The Lesbian and Gay Movements explores this dilemma in both contemporary and historical contexts describing the sources of these conflicts to what extent the conflicts have been resolved and how they might be resolved in future Rimmerman also tackles the challenging issue of what constitutes movement effectiveness and how effective the assimilationist and liberationist strategies have been in three contentious policy arenas the military ban same sex marriage and AIDS Considerable attention is devoted to how policy elites presidents federal and state legislatures courts have responded to the movements grievances Since the publication of the first edition in 2007 there have been enormous changes in the landscape of lesbian and gay movements and rights The thoroughly revised second edition includes updated discussion of LGBT movements undertakings in as well the Obama administration s response to AIDS HIV policy the fight to legalize same sex marriage and overturn the Defense of Marriage Act and the repeal of Don t Ask Don t Tell

The Carter Presidency and Gay Rights Harris Dousemetzis, 2024-07-25 Examining a significant and largely unexplored aspect of Jimmy Carter s presidency 1977 1981 Harris Dousemetzis radically revises the current understanding of this critical period in American political history By using a wealth of previously unpublished archival material along with personal interviews with 43 prominent gay rights activists of the time and 12 senior Carter White House aides this book documents what actually happened during Carter s presidency regarding the development and recognition of gay rights and the efforts of the evangelical right to prevent social reform Investigating the full range of government actions taken and policies implemented Carter s personal commitment and support for the movement as well as the role of activists in bringing about change this is a significant and original contribution to knowledge about Carter s presidency the gay rights movement and American political development Dousemetzis situates Carter s presidency in its rightful place as a crucial stage in one of the most dynamic areas of change in recent American politics and political culture Features a Foreword by Stuart Eizenstat and an Afterword by Lilian Faderman

Sexual Politics Shannon Gilreath, 2006 Gilreath s Sexual Politics is an update to the continuing debate over the place of gay people in American law politics and religion Gilreath navigates a number of complex issues including the delicate balance between sexual privacy and public equality the entwining of religion and U S Law and politics and gay marriage

South African AIDS Activism and Global Health Politics M. Mbali, 2013-03-29 South Africa has the world s largest number of people living with HIV This book offers a history of AIDS activism in South Africa from its origins in gay and anti apartheid activism to the formation and consolidation of the Treatment Action Campaign TAC including its

central role in the global HIV treatment access movement **The Sharon Kowalski Case** Casey Charles, 2003 A gripping story of love and law The Sharon Kowalski Case chronicles one of the true landmarks in the fight for the rights of same sex partners fully framed for the first time within its social political and historical contexts The 25 Issues that Shape American Politics Michael Kryzanek, Ann K. Karreth, 2017-10-02 This book is organized to examine the major subjects taught in American politics through the lens of twenty five hot button issues affecting American politics and policy today These key issues reflect the ideas principles concerns fears morals and hopes of the American people The authors argue that these issues are the heart and soul of the American political system serving as the basis for the disagreements that drive citizens public servants and elected officials into action Features of this Innovative Text Examines 25 issues in light of the 2016 presidential election and beyond Up to date chapters reflect important developments in the arenas of immigration health care race relations and civil rights gun control gay rights and money and politics in particular Includes international coverage with recent and ongoing events surrounding Iran Syria Israel and Palestine and China A chapter on Russia puts recent developments in Syria Ukraine Crimea and the near abroad in context with US foreign policy **The Cultural Politics of Female Sexuality in South Africa** Henriette Gunkel, 2010-01-21 Sexual identity has emerged into the national discourse of post apartheid South Africa bringing the subject of rights and the question of gender relations and cultural authenticity into the focus of the nation state s politics This book is a fascinating reflection on the effects of these discourses on non normative modes of sexuality and intimacy and on the country more generally While in 1996 South Africa became the first country in the world that explicitly incorporated lesbian and gay rights within a Bill of Rights much of the country has continued to see homosexuality as un African Henriette Gunkel examines how colonialism and apartheid have historically shaped constructions of gender and sexuality and how these concepts have not only been re introduced and shaped by understandings of homosexuality as un African but also by the post apartheid constitution and continued discourse within the nation LGBTQ Americans in the U.S. Political System Jason Pierceson, 2019-11-11 This comprehensive sourcebook covers the evolution of LGBTQ engagement in American politics from the emergence of gay rights as a political issue in the early 1970s to the present day when LGBTQ issues occupy a prominent place in politics This work provides a broad and authoritative survey of the ways in which gay Americans are influencing the tenor and trajectory of U S politics at the local state and national levels An encyclopedic section offers thorough coverage of all of the individuals organizations cultural forces political issues and legal decisions that have combined to elevate the role of LGBTQ people at the ballot box on the campaign trail in Washington and in mayors offices city councils and school boards across the country Complementing reference entries are in depth essays on the rising prominence of gay Americans as voters candidates public officials lawmakers and opinion leaders providing further context for understanding their impact on modern U S political processes and institutions from the perspective of liberals and conservatives alike Finally the set includes a collection of important

primary source documents that illuminate landmark events examine gay policy priorities and preferences and showcase the beliefs and experiences of prominent LGBTQ Americans in the world of politics **Homosexuality** Gay Left

Collective, 2018-10-02 A socialist journal edited by gay men in the 1970s After the leading organizations of radical sexual politics the Gay Liberation Front and the Gay Marxist Group imploded or dissolved the Gay Left Collective formed a research group to make sense of the changing terrain of sexuality and politics writ large Its goal was to formulate a rigorous Marxist analysis of sexual oppression while linking together the struggle against homophobia with a wider array of struggles all under the banner of socialism This anthology combines the very best of their work exploring masculinity and workplace organizing counterculture and disco the survivals of Victorian morality and the onset of the HIV AIDS crisis

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Politics Of Gay Rights eBooks, including some popular titles.

FAQs About Politics Of Gay Rights Books

What is a Politics Of Gay Rights PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Politics Of Gay Rights PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Politics Of Gay Rights PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Politics Of Gay Rights PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Politics Of Gay Rights PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
