Revolutionary Marxism in Spain, 1930-1937 Alan Sennett,2014-07-03 Revolutionary Marxism in Spain 1930-1937 examines the impact of Trotsky's political thought upon those Spanish communists who dissented from the general line laid down by Moscow It explores the political ideas of leading POUM figures Andreu Nin and Joaquín Maurín and their complex relationship with Trotsky The contention is that the POUM owed far more to Trotsky than many of the party's historians care to admit Drawing heavily upon Spanish sources the book seeks to present and explain the POUM's political ideas in order to understand why the party adopted the positions it did The author engages with broader scholarly debates around the role of the POUM in the Spanish Civil War and Revolution especially those surrounding the Popular Front

respecto al varón. A pesar de tal bagaje tras ser elegida diputada en 1931 apenas proyectó su actividad política en la salvaguardia de los intereses feministas a los que antepuso otra clase de objetivos como la revolución social según el modelo comunista y la defensa de la República durante la Guerra Civil. On the occasion of the feminist polemic that took place in the first decades of the twentieth century the Madrilenian journalist Margarita Nelken 1894-1968 advocated the reform of those judicial norms and social uses that for their androcentric perspective discriminated against Spanish women. In order to improve the feminine condition and hence to balance the relations of power between both sexes she promoted the intellectual and technical formation of women, their incorporation into the work market, their economic independence and their moral and political emancipation with respect to the male. Despite having such a large amount of acquired knowledge after being elected a Member of Parliament in 1931 she hardly projected her political activity in the safeguard of feminist interests, giving precedence to other classes of objectives such as the social revolution according to the communist model and the defence of the Republic during the Civil War.
