Real Vampires, Night Stalkers and Creatures from the Darkside Brad Steiger,2009-09-01 Not only do vampires exist but they walk among us Paranormal researcher extraordinaire and author of hundreds of books on the mysterious and unknown Brad Steiger reveals that real vampires are not immortal do not have

fangs or sleep in coffins and have no fear of sunlight or crucifixes A chilling chronicle of the often ignored history of vampirism *Real Vampires Night Stalkers and Creatures from the Darkside* is a shocking account of occultist rituals and the inhuman forces that influence these immortal beasts From spine tingling classic tales Vlad the Impaler the Countess of Blood to stories of famous mass murderers and their shocking cannibalistic and vampire like behavior Jack the Ripper the Zodiac Killer Jeffrey Dahmer to hair raising testimony from ordinary people who ve encountered vampires and finally to interviews with modern vampires themselves this frightening collection covers them all Not for the faint of heart you ll encounter 163 terrifying tales of the hideous wraiths and creatures that lurk in shadow including the Mexican prostitute who mesmerized an entire village convincing them she was an Incan goddess who required human sacrifice for her magic the three teenagers who left a trail across the South as they conducted blood drinking rituals with animals the mysterious Lady in Black who draws psychic energy from men who dare approach her as she wanders through city streets and parks the young bride to be possessed by an evil spirit pretending to be her recently deceased uncle the college student who thought that he had gotten lucky when he was invited to a party by a gorgeous woman until he found out that the other partygoers seemed to want blood in return for their beer Shining a light on the horrifying truth *Real Vampires Night Stalkers and Creatures from the Darkside* dispels many myths but also confirms the truth behind several traits of real vampires You ll encounter loathsome slashers rippers and murderers who do not promise immortality with their bite only a painful death The numerous photos and illustrations bring the text to life

The Sex Offenses and their Treatments Victor T. Cheney, 2004-10-01 This book is the only one that lists 115 crimes offenses deviances and 62 infamous criminals that can all be blamed on the sex urge and its underlying chemistry The book also enumerates and briefly explains more than a hundred different treatments that have been used to treat these problems The efficacy of these treatments has been found to vary greatly Some of them have even proven to be counterproductive and the best is seldom used This book is one of the very few available that dwell extensively with the powerful sex urge in its evil results crime disease aggression jealousy lost spirituality etc in as much detail Most that is written about sex deals with its good aspects love ecstasy children family etc but we need the information in this book to come to the reality of the power of these urges for evil
