Queer Forster

Aa.Vv.

Queer Forster:

Queer Forster Robert K. Martin, George Piggford, 1997-11-24 This groundbreaking volume presents a radical revision of gay criticism and focuses on E M Forster's place in the emerging field of queer studies Many previous critics of Forster downplayed his homosexuality or read Forster naively in terms of gay liberation This collection situates Forster within the Bloomsbury Group and examines his relations to major figures such as Henry James Edward Carpenter and Virginia Woolf Particular attention is paid to Forster's several accounts of India and their troubled relation to the British colonial enterprise Analyzing a wide range of Forster's work the authors examine material from Forster's undergraduate writings to stories written more than a half century later A landmark book for the study of gender in literature *Queer Forster* brings the terms queer and gay into conversation opening up a dialogue on wider dimensions of theory and allowing a major revaluation of modernist inventions of sexual identity

Twenty-First-Century Readings of E. M. Forster's 'Maurice' Emma Sutton, Tsung-Han Tsai, 2020-03-26 This is the first book length study of Forster's posthumously published novel Nine essays focus exclusively on *Maurice* and its dynamic afterlives in literature film and new media during the twentieth and twenty first centuries Begun in 1913 and revised over almost fifty years *Maurice* became a defining text in Forster's work and a canonical example of queer fiction Yet the critical tendency to read *Maurice* primarily as a revelation of Forster's homosexuality has obscured important biographical political and aesthetic contexts for this novel This collection places *Maurice* among early twentieth century debates about politics philosophy religion gender Aestheticism and allegory Essays explore how the novel interacts with literary predecessors and contemporaries including John Bunyan Oscar Wilde Havelock Ellis and Edward Carpenter and how it was shaped by personal relationships such as Forster's friendship with Florence Barger They close read the textual variants of Forster's manuscripts and examine the novel's genesis and revisions They consider the volatility of its reception analysing how it galvanizes subsequent generations of writers and artists including Christopher Isherwood Alan Hollinghurst Damon Galgut James Ivory and twenty first century online fanfiction writers What emerges from the volume is the complexity of the novel as a text and as a cultural phenomenon

Gordon Merrick and the Great Gay American Novel Joseph M. Ortiz, 2022-05-23 *Gordon Merrick and the Great Gay American Novel* is the first biography of Gordon Merrick the most commercially successful writer of gay novels in the twentieth century This book shows how Merrick's novels were largely based on his own life and time as a Princeton theater star a Broadway actor a New York reporter an OSS spy and the friend of countless artists and celebrities as an expatriate in France Greece and Sri Lanka He lived much of his life as an openly gay man with his longtime partner Charles Hulse His 1970 novel *The Lord Won't Mind* broke new ground by showing that an affirming explicitly gay novel could be a bestseller His subsequent gay novels were both a cultural phenomenon and a lightning rod for literary critics This book also examines the complex often conflicting responses to Merrick's novels by gay readers and critics and it thus recovers the early post Stonewall debates over the definition of gay

literature By reconstructing Merrick's life and critical fortunes this book expands our understanding of what it means to be a gay man in the twentieth century

Radio Empire Daniel Ryan Morse, 2020-11-10 Initially created to counteract broadcasts from Nazi Germany the BBC's Eastern Service became a cauldron of global modernism and an unlikely nexus of artistic exchange Directed at an educated Indian audience its programming provided remarkable moments Listeners in India heard James Joyce reading from *Finnegans Wake* on the eve of independence as well as the literary criticism of E M Forster and the works of Indian writers living in London In *Radio Empire* Daniel Ryan Morse demonstrates the significance of the Eastern Service for global Anglophone literature and literary broadcasting He traces how modernist writers used radio to experiment with form and introduce postcolonial literature to global audiences While innovative authors consciously sought to incorporate radio's formal features into the novel literature also exerted a reciprocal and profound influence on twentieth century broadcasting Reading Joyce and Forster alongside Attia Hosain Mulk Raj Anand and Venu Chitale Morse demonstrates how the need to appeal to listeners at the edges of the empire pushed the boundaries of literary work in London inspired high cultural broadcasting in England and formed an invisible but influential global network Adding a transnational perspective to scholarship on radio modernism *Radio Empire* demonstrates how the history of broadcasting outside of Western Europe offers a new understanding of the relationship between colonial center and periphery

In Memory of Jacques Derrida Nicholas Royle, 2009-03-20 This book offers a series of lucid and incisive readings of Derrida's work as well as an elegiac tribute in more personal terms

Modernist Time Ecology Jesse Matz, 2018-12-03 A new view of the way modernist fiction writers tried to solve the problem of time Do our fictions transform time Do they cultivate the temporal environment Such was the hope or the fantasy at work in many modernist novels for which time was not only the major subject but also an object of reparative aspiration Aimed at a kind of stewardship of time these fictions constitute a practice of modernist time ecology an effort to restore those landscapes of time that have been thrown into crisis by modernity In *Modernist Time Ecology* Jesse Matz redefines temporal experimentation in central writers like Proust Mann Woolf Ellison and Cather who developed literary forms to cultivate restore and enrich the temporal environment He brings fresh attention to others who best exemplify this ecological motive arguing that E M Forster J B Priestley and V S Naipaul are leading figures in this practice of temporal redress Matz also reveals how contemporary film social media movements and public service efforts show what has become of the modernist interest in temporal stewardship Matz combines an array of disciplines including narrative theory sociology phenomenology cognitive psychology film studies queer theory and environmental studies to theorize and explain the rationale and the limits to the idea that time might be subject to textual cultivation *Modernist Time Ecology* is a deeply interdisciplinary book that changes what we think literature and the arts can do for the world at large

Modernism, Male Friendship, and the First World War Sarah Cole, 2003-08-28 Sarah Cole examines the rich literary and cultural history of masculine intimacy in the twentieth century Cole approaches this complex

and neglected topic from many perspectives as a reflection of the exceptional social power wielded by the institutions that housed and structured male bonds as a matter of closeted and thwarted homoerotics as part of the story of the First World War Cole shows that the terrain of masculine fellowship provides an important context for understanding key literary features of the modernist period She foregrounds such crucial themes as the over determined relations between imperial wanderers in Conrad s tales the broken friendships that permeate Forster s fictions Lawrence s desperate urge to make culture out of blood brotherhood and the intense bereavement of the war poet Cole argues that these dramas of compelling and often tortured male friendship have helped to define a particular spirit and voice within the literary canon *Scanning the Hypnoglyph* Nathaniel Wallace,2016-09-07 Nathaniel Wallace s *Scanning the Hypnoglyph* chronicles a contemporary genre that exploits sleep s evocative dimensions While dreams sleeping nudes and other facets of the dormant state were popular with artists of the early twentieth century and long before sleep experiences have given rise to an even wider range of postmodern artwork *Scanning the Hypnoglyph* first assesses the modernist framework wherein the sleeping subject typically enjoys firm psychic grounding As postmodernism begins subjective space is fragmented the representation of sleep reflecting the trend Among other topics this book demonstrates how portrayals of dormant individuals can reveal imprints of the self Gender issues are taken up as well Mainstream heterosexual representations are considered along with depictions of gay lesbian and androgynous sleepers *Modernist Sexualities* Hugh Stevens,Caroline Howlett,2000 Leading critics from Britain Canada and the US examine modernism s imaginative rethinkings of sex gender and sexuality Original essays show how modernism intersects with the suffragette movement technological change and its effects on women and labor the growth of pseudo scientific writings and the burgeoning lesbian and gay movement They show how modernism upsets the fixities of gender and sexuality through its fascination with ambiguities marginality and the crossing of borders Sex reformers and sex changers unsexed storytellers typewriters femme and butch experimenters suffragettes in wide brimmed hats musical and dramatic pageants adolescent delinquents sunbathers and dancing indigenes all play a role in the heterodox and varied modernism revealed in these essays **Merope n. 61-62** Aa.Vv.,
