The Quiet House Paul Hewlett, 2022 [Quiet Houses](#) Simon Kurt Unsworth, 2011-09-01 THE HOUSES ARE QUIET IT IS THEIR RESIDENTS WHO ARE SCREAMING No one could be that unhappy and be alive A chambermaid s seemingly innocent request is granted an act of kindness that has dire consequences for the guest at THE ELMS MORECAMBE Human despair has a power of its own after death and it is contagious I wish I had been right I wish that it had been a man or death alone that had found her An unearthly light in an abandoned bungalow resolves the mystery of a missing child but no human force has taken her An entity that fishes for children is in THE MERRY HOUSE SCALE HALL But will it remain there Go beyond the graves and they will come to you An invitation to a clifftop graveyard leads to a harrowing chase by burrowing things that remain unseen their hunger unknown and never satisfied BEYOND ST PATRICK S CHAPEL The great delight in being part of the Save Our Shit crew was that sometimes they could persuade those designers of the present and the future to save or incorporate the past into their designs There is no need in THE OCEAN GRAND NW COAST because the original artists created a living work of art for the hotel Art that celebrates the triumph of the natural world over the man made A life force that transcends and brings death Something white came out Something white screaming and screaming Homes fit for heroes they were promised after the Great War They were given something else in THE TEMPLE OF RELIEF AND EASE There is a hidden agenda to paranormal researcher Richard Nakata s investigations into these houses A commission that witnesses cattle lowing in the cowsheds of STACK S FARM long after they ve been slaughtered and a reckoning in the showhouse of 24 GLASSHOUSE as he and his colleagues pay the price for creating their own ghost Simon Kurt Unsworth reinvents the classic English ghost story with a portmanteau collection that takes the haunted house genre and makes it scream quietly Because the most terrifying screams are the silent ones A major new talent in the horror genre Pete Tennant

Tender Is the Night Francis Scott Fitzgerald, 2022-05-17 Tender Is the Night Francis Scott Fitzgerald s last completed novel intricately weaves the narratives of love ambition and the complexities of human relationships against the backdrop of the glamorous yet disillusioning 1920s Written in a fluid and lyrical prose style Fitzgerald employs stream of consciousness techniques and shifting perspectives to depict the rise and fall of Dick Diver a charming psychiatrist and his unraveling marriage to the enigmatic actress Nicole Warren This literary work dives deep into themes of mental illness the impact of wealth on personal identity and the existential despair that pervades a seemingly glittering society Fitzgerald often regarded as one of the greatest American authors was heavily influenced by his

experiences within the expatriate community in Europe and the tumultuous nature of his own marriage The novel reflects the author's keen observations of the recklessness of the Jazz Age and the inevitable decline that accompanies excess and ambition With its semi autobiographical elements *Tender Is the Night* captures Fitzgerald's struggles with his own psychological demons and the constraints of fame I wholeheartedly recommend *Tender Is the Night* to readers who seek an introspective exploration of human frailty and the profound disillusionment that can arise from love and success Fitzgerald masterfully evokes an emotional landscape that resonates with anyone grappling with the duality of aspiration and despair making this novel a timeless and essential read

Women and the Vote Jad Adams, 2014-09-18 Before 1893 no woman anywhere in the world had the vote in a national election A hundred years later almost all countries had enfranchised women and it was a sign of backwardness not to have done so This is the story of how this momentous change came about The first genuinely global history of women and the vote it takes the story of women in politics from the earliest times to the present day revealing startling new connections across time and national boundaries from Europe and North America to Asia Africa Latin America and the Muslim world post 9 11 A story of individuals as well as of wider movements it includes the often dramatic life stories of women's suffrage pioneers from across the world painting vivid biographical portraits of everyone from Susan B Anthony and the Pankhursts to hitherto lesser known activists in China Latin America and Africa It is also the first major post feminist history of women's struggle for the vote Controversially Jad Adams rejects the widely accepted idea that success was primarily a result of the pressure group politics of the suffragists and their supporters Ultimately he argues it was nationalism not feminism that was the most important factor in winning women the vote
