story and the current state of the public waterfront in Miami Recently environmentalists community leaders and civil rights activists have come together to revitalize the beach and Bush highlights the potential to stimulate civic engagement in public planning processes While local governments defer to booster and lobbying interests pushing for destination casinos and boat shows Bush calls for a land ethic that connects people to the local environment He seeks to shift the local political divisions beyond established interest groups and neoliberalism to a broader vision that simplifies human needs and reconnects people to fundamental values such as health A place of fellowship relaxation and interaction with nature this beach Bush argues offers a common ground of hope for a better future Princeton Alumni Weekly Jesse Lynch Williams, Edwin Mark Norris, 1987 **Ocean's Lure** Tim R Covell, 2021-04-01 Marianna Berksen's Cape Breton campground is struggling to survive and the end of season arrival of any customer is welcome When an attractive businessman shows up for a few days of rest and relaxation Marianna appreciates the distraction A few days and nights with Dylan Felder could be a pleasant vacation Dylan is ready to leave a shady loan company and start his own legitimate business He just needs to finish one last crooked deal and he'll be set How difficult can a few days of camping be Especially as the scenery is so beautiful and he's not just admiring the rugged Cape Breton shore When a washed out road strands Marianna and Dylan together without phones or electricity secrets old and new have them fighting their growing attraction Dylan's plans mean Marianna risks losing her land but her heart is at risk too Caribbean Green Carolyn Robbins, 2003-04-15 Amanda is a schoolteacher with a quiet boring life She goes on a Caribbean cruise hoping to liven things up a bit Suddenly she is mugged pursued by members of a cartel protected by a handsome DEA agent and presented with an enigma
