Master: Sodo Yokoyama Arthur Braverman, 2017-01-01 What motivated Sodo san to spend the last twenty years of his life in a temple under the sky a corner of a public park where he taught passersby what it means to be forever young through the funky tunes he played on his grass flute In *The Grass Flute Zen Master Sodo Yokoyama* we are seeking not only a truer understanding of this well loved monk but of zazen Zen meditation itself In his search for insights into Sodo Yokoyama s life Arthur Braverman skillfully weaves a tapestry from seemingly disparate threads the brief taisho period into which Sodo san was born and where individualism shone his teachers both ancient and contemporary practitioners of Zen Buddhism the monk s love of baseball and the similarities Braverman finds between Sodo san and Walt Whitman who both found the universal in nature Through conversations with Joko Shibata Yokoyama s sole disciple and careful study of his teacher s poetry an intriguing tension between the personal and the universal is revealed *The Grass Flute Zen Master* is a meditative examination not of just one life but of many The lineage of teacher and prote ge is traced back through generations contemporaries are drawn up from unexpected places and Braverman examines his own long journey in Zen Buddhism confronting his own expectations and surprising disappointments the monk lived in a boarding house and later took a cab to his park when he could no longer walk the whole way and the understanding and acceptance that followed When you play the leaf Sodo san once wrote you ll usually be a little out of tune That s where its very charm lies Discovering the True Self

Storehouse of Treasures Nelson Foster, 2024-09-10 *Storehouse of Treasures* unearths wise and beautiful elements of Chan and Zen still little known in the West revealing unexpected aspects of the tradition and new implications for practice Since the dawn of Chan and Zen in medieval China and Japan members of these schools have enlivened their teaching by creatively adopting and adapting terms images principles poetry and lore native to their societies Unfortunately so much of that cultural wealth has been lost in translation that Western practitioners have barely begun to discover and appreciate this extraordinarily rich legacy In *Storehouse of Treasures* second generation American Zen teacher Nelson Foster makes a series of adventuresome forays into the trove of material laid up by the Dharma ancestors bringing to light Masters' delight in playing with words stories and inherited Buddhist concepts bending them to express the Dharma in inspired ways The powerful influence that Taoist and Confucian thought exerted in the formation of Chan and Zen The emphasis the two schools have laid on excellence of character as well as on profound awakening The experiential meaning and enduring importance to the tradition of ideals little associated with it today like integrity shame and contentment How knowing the tune of a fellow student a mentor or a teacher of old lies at the heart of transmitting the Dharma Lifting to attention a diverse set of ancient yet still luminous Dharma gems Foster urges their relevance and value to us as students of the Buddha Way and as citizens of a world increasingly fractious and imperiled
