The work of our teachers has often paralleled the history of our nation. Our teachers have helped our country meet its historical challenges and respond to the needs and crises of American society. What other profession can say they have done so much for so many? Teachers have a historic legacy to carry on and the sacred responsibility to carry it into the future. Our schools have the burden of ensuring the success of every child and the honor of carrying that burden. The success of our teachers and our nation's well-being are intimately bound together. Teachers have demonstrated throughout our nation's history that they will respond to every challenge to insure our American way of life. Our teachers, counselors, coaches, and administrators have carried this burden necessary to secure the blessings of liberty for all American citizens. This devotional is written to encourage our teachers who continue to carry this legacy and sacred responsibility into the future. Crossing the Great Divide: Walking with God Through Nature Dr. Charles R. Frazier, 2022-01-06. For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you; plans to give you hope and a future. Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart. I will be found by you, declares the Lord, and will bring you back from captivity. Jeremiah 29:11-14. Walking in the path of darkness, I never looked up to see God's light. I had put God on the shelf. I was making my way in life. I was gaining notoriety and recognition for my accomplishments. My pride, arrogance, and selfishness were shining in my fleshly success. I was rolling, and life was rocking until one day God placed a boulder in my path. I could not move. In the blink of an eye, I lost my career, and my marriage was coming to an end. My Heavenly Father had stopped my fleshly ways to show me the deep darkness of my soul. He would take the pieces of clay from my brokenness, place me back on His pottery wheel, remold me with His loving hands, and put me through the fire to purify my soul. He would lead me to His place, The Back Porch, where He would teach me to meditate, show me visions, give me peace in His quietness, and open my ears to hear His voice. I would listen as He would speak through the pen, and I would record His spoken words. Exhausted, tired, and weary, a broken man was being healed through the writings of his Heavenly Father. In this journey, He will use my love for nature to share with me the simple things in life, explain my visions, and gain understanding as we walk through this journey together. God shines His light and speaks to every man and woman. You must take the time to see His light and be still in His presence to hear His voice. Open this book, take a journey.
