Life Roger Helland, 2017-10-06 The church in the Western world is largely faltering in its spiritual and missional vitality There's a crisis of piety or the devout life heartfelt devotion to Christ and his cause The Pietist movement of the seventeenth and eighteenth centuries grew into a revolutionary torrent of spiritual renewal that influenced the Moravians the Methodists the great awakenings and global evangelicalism as we know it today The Devout Life explores and expands on ten key features of Pietism to plunge the depths of spiritual renewal for today When I Am Weak Bethany Slom, 2019-06-10 Are you struggling with finding your inner strength while others around you preach the importance of self empowerment You've read all the self help books you've worked really hard to do better and to live your best life but somehow you keep failing Whether it's personal weakness in falling short or weakness in mourning a tragedy we all struggle with weakness in our lives but it is not up to us to find our own strength When I Am Weak is a book about finding strength in Christ despite our weaknesses It is designed to change our perspective from self empowerment to God empowerment in which we no longer need to rely on ourselves for strength when Christ freely gives it In this book I will share parts of my story my weaknesses my hardships and God's strength through it all in hopes that you will see how truly amazing our God is I pray that through reading this book you will discover the freedom that comes from complete surrender to Christ the strength that comes from living through Christ and the joy that comes from seeking him first So when you look at your life you can confidently say
