The Bible for Everyday Reading Louis M. Notkin, 1941 **Abraham Lincoln and the Bible** Gordon Leidner, 2023-04-17 Lincoln's life and leadership through the lens of the Bible How did Abraham Lincoln's lifelong study of scripture influence him as a man and ultimately as president Historian Gordon Leidner believes the impact was profound more than previously recognized and has investigated all the known writings of Abraham Lincoln to identify catalog and study every instance in which Lincoln quoted from or alluded to the Bible Rather than dwelling on the never ending debate about Lincoln's religious beliefs Leidner shows how scripture affected Lincoln personally professionally and politically Leidner offers first a short biography that focuses on Lincoln's use of the Bible how it shaped him as a person how its influence changed over time and how biblical quotations peppered his letters speeches and conversations The book concludes with an unparalleled appendix that tabulates nearly 200 instances of Lincoln's quoting from or alluding to scripture giving locators for the Bible and Roy P Basler's nine volume *Collected Works of Abraham Lincoln* and quotations from both sources The appendix also includes when and where Lincoln used each quote providing valuable context whether the use was in personal letters such as one to Queen Victoria after the death of Prince Albert political speeches such as the Gettysburg Address or state addresses such as the

Second Inaugural Address By showcasing Lincoln's specific biblical references and influences Leidner reframes the question of Lincoln's religious beliefs so that readers may evaluate for themselves what solace and guidance the Bible afforded the sixteenth president All Things to All Cultures Mark Harding, Alanna Nobbs, 2013-11-28 All Things to All Cultures sets Paul in his first century context and illuminates his interactions with Jews, Greeks and Romans as he spread the gospel in the Mediterranean world. In addition to exploring Paul's context and analyzing his letters, the book has chapters on the chronology of Paul's life, the text of the Pauline letters, the scholarly contributions to our understanding of Paul over the last 150 years, and the theology of the Pauline corpus. There is no comparable introduction to Paul that integrates the Jewish, Greek and Roman influences on him and the letters that make up a substantial portion of the New Testament. Contributors: Mike Bird, Cavan Concannon, David Eastman, Chris Forbes, Mark Harding, Tim Harris, Jim Harrison, Paul McKechnie, Brent Nongbri, Ian Smith, Murray Smith, Larry Welborn, The Bible's Greatest Hits Henry G. Brinton, 2021-07-09 From the creation story of Genesis to the new heaven and new earth of Revelation, The Bible's Greatest Hits contains the top sixty-six passages in Holy Scripture. Presbyterian pastor and novelist Henry G. Brinton invites readers into discussion and debate as he reveals the significance of these passages and connects them to contemporary life. Some readers will disagree with Brinton's selections, just as music fans dispute the choices on a greatest hits album, but all will gain a new appreciation for the richness of scriptural insights found in the full range of biblical books, from the well-known to the obscure. Written for both private devotion and group discussion, The Bible's Greatest Hits includes the best in biblical scholarship as well as practical connections to daily life, along with questions for reflection at the end of each chapter. The book gives Christian youths and adults an introduction to the major characters and stories of Holy Scripture as it links their daily lives to the Bible's most important moral and theological insights. Readers will gain the satisfaction of increased biblical literacy while being shaped by the most transformative passages from Genesis to Revelation in the course of their ongoing faith development.
