Funston, 1991 The Publishers' Trade List Annual, 1991 *The Cumulative Book Index*, 1994 A world list of books in the English language **American Literary Scholarship 1984** American Literary Scholarship, 1985-06 Essayists survey the recent thought and research concerning outstanding authors trends and movements in American literature **The Undergraduate's Companion to American Writers and Their Web Sites** Larry G. Hinman, 2000-12-15 An outstanding research guide for undergraduate students of American literature this best selling book is essential when it comes to researching American authors Bracken and Hinman identify and describe the best and most current sources both in print and online for nearly 300 American writers whose works are included in the most frequently used literary anthologies Students will know exactly what information is available and where to find it Modern British Literature Laurie Di Mauro, 2000 Arranged alphabetically from H Rider Haggard to Wilfred Owen this volume provides critical excerpts and analyses from a variety of sources on the work of significant modern British authors **Fine Print**, 1984 **Bisexuality and the Eroticism of Everyday Life** Marjorie Garber, 2013-05-13 Bisexuality is about three centuries overdue nevertheless here it is a learned witty study of how our curious culture has managed to get everything wrong about sex Gore Vidal **Modern American Literature: H-O** Joann Cerrito, Laurie DiMauro, 1999 Presents critical excerpts and analyses from a variety of sources that combine to provide overviews of the work of 157 of the most significant authors of the modern period in American literature arranged alphabetically with bibliographies Louis Auchincloss David B. Parsell, 1988 *American Short-story Writers Since World War II*. Patrick Meanor, Joseph McNicholas, 2001 Focuses on how the declining market for short story writers after World War II saw the migration of these writers to universities where they not only continued to write but established creative writing classes that would in turn inspire and develop new generations of writers of various genres *AB Bookman's Weekly*, 1998
American Book Publishing Record, 1984 Postmortem Postmodernists Laura E. Savu, 2009 This book scrutinizes the genre of the author as character with respect to three broad issues authorship the posthumous and cultural revisionism that arise in reading such works from a contemporary perspective Late twentieth century fiction postmodernizes romantic and modern authors not only to understand them better but also to understand itself in relation to a past literary tradition aesthetic paradigms cultural formations etc that has not really passed Penelope Fitzgerald's *The Blue Flower* Peter Ackroyd's *The Last Testament of Oscar Wilde* and Chatterton Peter Carey's *Jack Maggs* Michael Cunningham's *The Hours* Colm Toibin's *The Master* and Geoff Dyer's *Out of Sheer Rage* Wrestling with D H Lawrence the mighty dead Harold Bloom are brought back to life reanimated and bodied forth in new textual bodies that project a post modern understanding of the author as a historically and culturally contingent subjectivity constructed along the lines of gender sexual orientation class and

The Twentieth-Century World of Henry James
 Adeline R. Tintner, 2000-05-01 Conventional analyses of Henry James conclude with the completed novels of the major phase and the revisions of the New York Edition 1907-1909 However James lived on to write vigorously for nearly a decade longer In this compelling study Adeline R Tintner perhaps the foremost living James scholar focuses her expertise on the writer's final years exploring how his work developed and how his ideas changed in response to events in the twentieth century As Tintner illustrates despite his age and the long career behind him James heralded in his later works the modernism that would be most fully represented by Joyce Eliot and Proust The twentieth century came to life for James during his long delayed visit to America in 1904 and 1905 This trip resulted in his critical look at his native country *The American Scene* 1907 a book Tintner argues is only now beginning to be appreciated The trip also revitalized his review of his body of work in the famed New York Edition Tintner explores James's revisions of his earlier novels especially of Roderick Hudson *The American* and most important the retouched *Portrait of a Lady* in which he refined Isabel Archer's aesthetic tastes to match his own She also reads James's late autobiographical writings as a form of experimental fiction that would be the hallmark of twentieth century modernism Indeed Tintner explains that James's final writings demonstrate how he thoroughly embraced the new century and anticipated several of the chief ideas that would dominate modern literature He reacted to the new economy and to the preoccupation with money in his unfinished novel *The Ivory Tower* explored the idea of the interaction between historical time and the present with his uncompleted *The Sense of the Past* and expressed concern with the deprivation of culture among the lower middle classes The flying machine the cinematograph and the Kodak entered his twentieth century vocabulary and he parodied his own usurping consciousness in his *Monologue for Ruth Draper* James even relaxed his treatment of sexuality as is apparent in his suggestion of autoeroticism in *The Figure in the Carpet* and in what seems to be a description of the gay scene in *The Sacred Fount* He became a propagandist during World War I devoting the end of his career to urging American entry into the conflict His last published writings before he died of a stroke on February 28 1916 were emotional tributes to casualties of the war A fitting finale to Tintner's five astonishing works on the world of Henry James *The Twentieth Century World of Henry James* will stand as one of the most significant volumes on the writer's last years Through an amazing excavation of James's life and work Tintner uncovers many of the modernist themes that preoccupied him as he entered the new century and that in turn were to preoccupy many of the writers who came to maturity in the first half of the twentieth century

Wasps Michael Knox Beran, 2021-08-03
 An examination of WASP culture through the lives of some of its most prominent figures Envied and lampooned misunderstood and yet distinctly American WASPs are as much a culture socioeconomic and ethnic designation and state of mind Charming witty and vigorously researched WASPS traces the rise and fall of this distinctly American phenomenon through the lives of prominent icons from Henry Adams and Theodore Roosevelt to George Santayana and John Jay Chapman

Throughout this dynamic story Beran chronicles the efforts of WASPs to better the world around them as well as the struggles of these WASPs to break free from their restrictive culture The death of George H W Bush brought about reflections on the end of patrician WASP culture where privilege reigned but so did a genuine desire to use that privilege for public service In the time of Trump who is the antithesis of true WASP culture people look at the John Kerry Bobby Kennedy and Philip and Kay Grahams of the world with wistfulness And even though we are a more diverse and pluralistic nation now than ever before there is something about WASP culture that remains enduringly aspirational and fascinating Beginning at the turn of the 20th century Beran s saga dramatizes the evolving American aristocracy that forever changed a nation and what we can still glean from WASP culture as we enter a new era
