Exit with Honor William E. Pemberton, 2015-03-04 Few presidents have sparked as much interest in recent years as Ronald Reagan, already the subject of a large number of biographies and specialized subjects. This biography, based on recent research into the Reagan archives and synthesis of the large memoir literature, explores the shaping of his values and beliefs during his childhood in the American heartland, his leadership of the American conservative movement, and his successful political career culminating in the first two-term presidency since Dwight Eisenhower.
