Rabbi Talks With Jesus:

Rabbi Talks with Jesus Jacob Neusner, 2000 Imagine yourself transported two thousand years back in time to Galilee at the moment of Jesus Sermon on the Mount After hearing it would you abandon your religious beliefs and ideology to follow him or would you hold on to your own beliefs and walk away In *A Rabbi Talks with Jesus* Jacob Neusner considers just such a spiritual journey

A Rabbi Talks with Jesus Jacob Neusner, 1993 Straightforward terms concerning why while Christians believe in Jesus Christ and the Kingdom of Heaven Jews believe in the Torah of Moses and a kingdom of priests and holy people on earth

Children of the Flesh, Children of the Promise Jacob Neusner, 2005-02-02 In this provocative follow up to his enormously influential *A Rabbi Talks with Jesus* Jacob Neusner challenges the apostle Paul to debate the true meaning and significance of Judaism Drawing new boundaries for Jewish Christian dialogue Neusner contends that Paul's misinterpretation of Judaism a misinterpretation perpetuated today by many Christians and Jews has resulted in the widespread perception of Judaism as ethnic and particular and Christianity as universal Yet as Neusner clearly demonstrates just as Christianity presents an option to all of God's faithful so too does Judaism's mediation of the voice of God at Sinai echo across the entire world

Rabbi Talks with Jesus Jacob Neusner, 2000-02-16 Placing himself within the context of the Gospel of Matthew Neusner imagines himself in a dialogue with Jesus of Nazareth and pays him the supreme Judaic gesture of respect making a connection with him through an honest debate about the nature of God's One Truth Neusner explains why the Sermon on the Mount would not have convinced him to follow Jesus and why by the criterion of the Torah of Moses he would have continued to follow the teachings of Moses He explores the reasons Christians believe in Jesus Christ and the Kingdom of Heaven while Jews continue to believe in the Torah of Moses and a kingdom of priests and holy people on earth This revised and expanded edition with a foreword by Donald Akenson creates a thoughtful and accessible context for discussion of the most fundamental question of why Christians and Jews believe what they believe

Brazier, 2012-08-14 C S Lewis The Work of Christ Revealed focuses on three doctrines or aspects of Lewis s theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo

either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work

Perspectives: Jewish, Christian, and Muslim Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world
