## **Rabbis Girls:**

**Women Who Would Be Rabbis** Pamela Susan Nadell, 1999-10-10 1998 National Jewish Book Award finalist Pamela S Nadell mines a wealth of untapped sources to bring us the first complete story of the courageous and committed Jewish women who passionately defended their right to equal religious participation through rabbinical ordination **Heroines, Rescuers, Rabbis, Spies** Sarah Silberstein Swartz, 2022-10-18 Discover nine ordinary women who took extraordinary measures to save lives during the Holocaust resisting terror and torture while undercover or in hiding in concentration camps in forests and in exile With compassion and admiration author Sarah Silberstein Swartz paints portraits of women who stood up for themselves and others in dangerous times Overlooked by history they leapt from fear to action with bravery that deserves recognition The Baghdadi Jews in India Shalva Weil, 2019-06-28 This book explores the extraordinary differentiation of the Baghdadi Jewish community over time during their sojourn in India from the end of the eighteenth century until their dispersion to Indian diasporas in Israel and English speaking countries throughout the world after India gained independence in 1947 Chapters on schools institutions and culture present how Baghdadis in India managed to maintain their communities by negotiating multiple identities in a stratified and complex society Several disciplinary perspectives are utilized to explore the super diversity of the Baghdadis and the ways in which they successfully adapted to new situations during the Raj while retaining particular traditions and modifying and incorporating others Providing a comprehensive overview of this community the contributions to the book show that the legacy of the Baghdadi Jews lives on for Indians today through landmarks and monuments in Mumbai Pune and Kolkata and for Jews through memories woven by members of the community residing in diverse diasporas Offering refreshing historical perspectives on the colonial period in India this book will be of interest to those studying South Asian Studies Diaspora and Ethnic Studies Sociology History Jewish Studies and Asian Religion Confessions of a Female Rabbi Rabbi Rebecca Keren Jablonski, 2024-08-27 One of NYC s most sought after female rabbis shares the key to keeping religion relevant in an on demand world in this tell all guide Believe it or not all religions evolve and change As church and synagogue attendance is in record decline this young female rabbi has found a way to meet families from a variety of backgrounds in the modern world and help them connect with the traditions and practice that they crave Rabbi Rebecca Keren Jablonski has served world wide bringing bespoke and creative religious experiences to those who sought spirituality outside of institutions and denominational confines With disruptor brands changing the way we consume products and information religion is also in need of a 3 000 year old facelift or at least a mini makeover There is room in the pews for new leaders with innovative strategies and approaches to keep religion relevant and meaningful in today s times Confessions of a Female Rabbi will trace the changes in our current multi faith landscape hone in on what s happening with the Jewish American community and demonstrate through case studies how she s been successful delivering transformations for families through the prism of religious practice and observance These confessions will express

her unique perspective personal and collective shortcomings and reveal her insights as a reflective and relatable spiritual facilitator Touching universal stories of birth coming of age weddings divorce conversion and sacred times affirm the deeper meaning we all can find if we make space for something holy in the circle of life Lilith's Cave Howard Schwartz,1991-12-12 Tales of terror and the supernatural hold an honored position in the Jewish folkloric tradition Howard Schwartz has superbly translated and retold fifty of the best of these folktales Gathered from countless sources ranging from the ancient Middle East to twelfth century Germany and later Eastern European oral tradition these captivating stories include Jewish variants of the Pandora and Persephone myths *Jewish Women in the Medieval World* Sarah Ifft Decker,2022-05-18 *Jewish Women in the Medieval World* offers a thematic overview of the lived experiences of Jewish women in both Europe and the Middle East from 500 to 1500 CE a group often ignored in general surveys on both medieval Jewish life and medieval women The volume blends current scholarship with evidence drawn from primary sources originally written in languages including Hebrew Latin Aramaic and Judeo Arabic to introduce both the state of scholarship on women and gender in medieval Jewish communities and the ways in which Jewish women experienced family love sex work faith and crisis in the medieval past From the well known Dolce of Worms to the less famed Bonadona widow of Astrug Caravida of Girona to the many nameless women referred to in medieval texts *Jewish Women* tells the stories of individual women alongside discussions of wider trends in different parts of the medieval world Even through texts written about women by men the intelligence courage and perseverance of medieval Jewish women become clear to modern readers With the inclusion of a Chronology Who's Who Documents section and Glossary this study is an essential resource for students and other readers interested in both Jewish history and women's history **A Jewish Ceremony for Newborn Girls** Sharon R. Siegel,2014-02-04 Formulates a framework for the development of Jewish rituals for newborn girls Coming of Age in Jewish America Patricia Keer Munro,2016-05-01 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child's bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family's ongoing connection to the core values of Judaism *Coming of Age in Jewish America* takes an inside look at bar and bat mitzvahs in the twenty first century examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies from family members to religious educators to rabbis Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations that ensue In the course of her study she charts how this ritual is rife with contradictions it is a private family event and a public community activity and for the child it is both an educational process and a high stakes performance Through detailed observations of Conservative Orthodox Reform and independent congregations in the San Francisco Bay Area Munro draws intriguing broad

reaching conclusions about both the current state and likely future of American Judaism In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity      **Rabbinic Creativity in the Modern Middle East** Tsevi Zohar,Zvi Zohar,2013-08-22 An exploration of central aspects of Sephardic Mizrahi rabbinic creativity in the Middle East Iraq Syria and Egypt from 1850 to 1950      **Bar Mitzvah** Michael Hilton,2014-01-01 The Jewish coming of age ceremony of bar mitzvah was first recorded in thirteenth century France where it took the form of a simple statement by the father that he was no longer responsible for his thirteen year old son Today bar mitzvah for boys and bat mitzvah for girls are more popular than at any time in history and are sometimes accompanied by lavish celebrations How did bar mitzvah develop over the centuries from an obscure legal ritual into a core component of Judaism How did it capture the imagination of even non Jewish youth Bar Mitzvah A History is a comprehensive account of the ceremonies and celebrations for both boys and girls A cultural anthropology informed by rabbinic knowledge it explores the origins and development of the most important coming of age milestone in Judaism Rabbi Michael Hilton has sought out every reference to bar mitzvah in the Bible the Talmud and numerous other Jewish texts spanning several centuries extracting a fascinating miscellany of information stories and commentary      *Challenge and Conformity* Lindsey Taylor-Guthartz,2021-03-01 Orthodox Jewish women are increasingly seeking new ways to express themselves religiously and important changes have occurred in consequence in their self definition and the part they play in the religious life of their communities Drawing on surveys and interviews across different Orthodox groups in London as well as on the author s own experience of active participation over many years this is a thoroughly researched study that analyses its findings in the context of related developments in Israel and the USA Sympathetic attention is given to women s creativity and sophistication as they struggle to develop new modes of expression that will let their voices be heard at the same time the inevitable points of conflict with the male dominated religious establishment are examined and explained There is a focus too on the impact of innovations in ritual these include not only the creation of women only spaces and women s participation in public practices traditionally reserved for men but also new personal practices often acquired on study visits to Israel which are replacing traditions learned from family members This is a much needed study of how new norms of lived religion have emerged in London influenced by both the rise of feminism and the backlash against it and also by women s new understanding of their religious roles      *From Europe's East to the Middle East* Kenneth Moss,Benjamin Nathans,Taro Tsurumi,2022-01-04 The overwhelming majority of Jews who laid the foundations of the Israeli state during the first half of the twentieth century came from the Polish lands and the Russian Empire This is a fact widely known yet its implications for the history of Israel and the Middle East and reciprocally for the history of what was once the demographic heartland of the Jewish diaspora remain surprisingly ill understood Through fine grained analyses of people texts movements and worldviews in motion the scholars assembled in From Europe s East to the Middle East

hailing from Europe Israel Japan and the United States rediscover a single transnational Jewish history of surprising connections ideological cacophony and entangled fates Against the view of Israel as an outpost of the West whether as a beacon of democracy or a creation of colonialism this volume reveals how profoundly Zionism and Israel were shaped by the assumptions of Polish nationalism Russian radicalism and Soviet Communism the unique ethos of the East European intelligentsia and the political legacies of civil and national strife in the East European shatter zone Against the view that Zionism effected a complete break from the diaspora that had birthed it the book sheds new light on the East European sources of phenomena as diverse as Zionist military culture kibbutz socialism and ultra Orthodox education for girls Finally it reshapes our understanding of East European Jewish life from the Tsarist Empire to independent Poland to the late Soviet Union Looking past siloed histories of both Zionism and its opponents in Eastern Europe the authors reconstruct Zionism s transnational character charting unexpected continuities across East European and Israeli Jewish life and revealing how Jews in Eastern Europe grew ever more entangled with the changing realities of Jewish society in Palestine

**Menstrual Purity** Charlotte Elisheva Fonrobert, 2002 This book offers a new perspective on the extensive rabbinic discussions of menstrual impurity female physiology and anatomy and on the social and religious institutions those discussions engendered It analyzes the functions of these discussions within the larger textual world of rabbinic literature and in the context of Jewish and Christian culture in late antiquity

The Israelis Donna Rosenthal, 2003 Rosenthal explores a people who while consciously living in a war zone contribute to one of the most vibrant civic societies anywhere It is the story of ordinary people living in an extraordinary place

*The Making of the Jewish Middle Class* Marion A. Kaplan, 1991 Describes the life of Jewish middle class women in Wilhelmine Germany Pp 148 152 Anti Semitism in the University state that until about 1905 women students discriminated against because of their sex tended to show solidarity by forming organizations open to all in contrast to the segregated male students organizations Russian Jewish women were especially despised even by German Jewish male students Pp 182 185 describe discrimination against Jewish teachers noting that their chances of employment were highly limited See also the index under Anti Semitism

Dear Mendl, Dear Reyzl Alice Nakhimovsky, Roberta Newman, 2014-04-15 Explore s the Jewish past via letters that reflect connections and collisions between old and new worlds Jewish Book Council At the turn of the 20th century Jewish families scattered by migration could stay in touch only through letters Jews in the Russian Empire and America wrote business letters romantic letters and emotionally intense family letters But for many Jews who were unaccustomed to communicating their public and private thoughts in writing correspondence was a challenge How could they make sure their spelling was correct and they were organizing their thoughts properly A popular solution was to consult brivnshtelers Yiddish language books of model letters Dear Mendl Dear Reyzl translates selections from these model letter books and includes essays and annotations that illuminate their role as guides to a past culture Covers a neglected aspect of Jewish popular culture and deserves a wide readership For all serious readers of Yiddish and immigrant Jewish

culture and customs Library Journal Delivers more than one would expect because it goes beyond a linguistic study of letter writing manuals and explicates their genre and social function Slavic Review Reproductions of brivnshtelers form the core of the book and comprise the majority of the text providing a ground level window into a largely obscured past Publishers Weekly The real delight of the book is in reading the letters themselves Highly recommended AJL Reviews **The Union Bulletin** ,1921 **A Moving Feast** Hizky Shoham,2024-12-30 Winner of the Goldberg Family Foundation Award 2021 What is the meaning of the Jewish rites of initiation known as bar and bat mitzvah in the modern age when the concept of mitzvah religious precept or obligation means so little to most Jewish adolescents Hizky Shoham offers a comprehensive anthropological history of the bar and bat mitzvah ceremonies that seeks to understand why not only have these ceremonies been preserved but are in fact celebrated by more Jewish families and demand greater financial psychological and family resources than ever before The book maps and analyzes the transformation of the rituals in the modern age and endeavors to understand their meanings for the celebrants and other participants in the diverse historical contexts in which the ceremony appeared Is it indeed a rite of initiation The book breaks new ground by placing the rise of the bar and bat mitzvah in the context of the general rise during the modern industrial age of a new system of life cycle rituals rituals that mark the passing of time by latching on to its artificial conventional milestones The child s 12th or 13th birthday functions as a temporal landmark in a personal biography that would otherwise move through homogeneous time *Einstein and the Rabbi* Naomi Levy,2017-09-05 Winner of the 2017 Nautilus Award in the Religion Spirituality of Western Thought category A bestselling author and rabbi s profoundly affecting exploration of the meaning and purpose of the soul inspired by the famous correspondence between Albert Einstein and a grieving rabbi A human being is part of the whole called by us Universe a part limited in time and space He experiences himself his thoughts and feelings as something separate from the rest a kind of optical delusion of his consciousness Albert Einstein When Rabbi Naomi Levy came across this poignant letter by Einstein it shook her to her core His words perfectly captured what she has come to believe about the human condition That we are intimately connected and that we are blind to this truth Levy wondered what had elicited such spiritual wisdom from a man of science Thus began a three year search into the mystery of Einstein s letter and into the mystery of the human soul What emerges is an inspiring deeply affecting book for people of all faiths filled with universal truths that will help us reclaim our own souls and glimpse the unity that has been evading us We all long to see more expansively to live up to our gifts to understand why we are here Levy leads us on a breathtaking journey full of wisdom empathy and humor challenging us to wake up and heed the voice calling from within a voice beckoning us to become who we were born be War on Women in Israel Elana Maryles Sztokman,2014-09-16 THIS EYE OPENING LOOK AT THE RISING OPPRESSION OF ISRAELI WOMEN OFFERS A RALLYING CRY FOR HOW WOMEN EVERYWHERE CAN FIGHT BACK ACROSS ISRAEL one of the world s most democratic countries women are being threatened and abused as ultra Orthodox Jewish factions seek to suppress them In

this stunning expos award winning author and leading Jewish women s activist Elana Sztokman reveals the struggles of Israeli women against this increasing oppression from segregation on public buses in a move Hillary Clinton called reminiscent of Rosa Parks to being silenced in schools and erased from newspapers and ads This alarming patriarchal backlash isn t limited to Israel either its repercussions endanger the rights and freedoms of women from Afghanistan to America But there s hope as well courageous feminist activists within the Orthodox world are starting to demand systemic change on these fronts and with some support from non Orthodox advocates they re creating positive reforms that could help women everywhere Blending interviews with original investigative research and historical context Sztokman traces the evolution of this struggle against oppression and proposes solutions for creating a different more egalitarian vision of religious culture and opportunity in Israeli society and around the world Fearless and inspiring The War on Women in Israel brings to light a major social and international issue and offers a rousing call to action to stop the repression of women in Israel and worldwide

## The Enigmatic Realm of **Rabbis Girls**: Unleashing the Language is Inner Magic
