Home on the Double Bayou Ralph Semmes Jackson,2014-11-06 Once again through a boy s eyes Ralph Jackson sees a winter sky darkened with geese and ducks a kitchen stove glowing with cheerful warmth Aunt May strolling in her flower garden moonlight filtering through treetops to cast patches of white light on a sandy woodland road Again he catches odors once so familiar of a mysterious attic of burning salt grass in late summer of mountain streams with their fresh green smell of dark roast coffee and of slab bacon sizzling in the pan He hears again a panther s scream from the darkness surrounding a campfire the scampering of mice across the barnloft floor the sigh of a felled pine tree changing to a crashing roar as it meets the ground the sounds of a meal in preparation the hum of a mosquito swarm rising from the marshes He remembers the taste of barbecued goat the sweet sharpness of peppermint candy the flavor of gumdrops from the country store where as showcase neighbors of cigars and chewing tobacco they acquired a faint tobacco taste And he feels again the welcome shock of frigid spring water on a hot perspiring body the pleasant sensation of sand between his toes the breathtaking exhilaration of swinging on a sapling top The joy of childhood on an East Texas ranch is the subject of this book exciting events like the arrival of the first norther of the season swimming with alligators hogkilling building tree houses roundup hunting and fishing calf riding fording strange streams Interspersed among these episodes are others of darker mood a smallpox

epidemic the burning of the ranch house wolves attacking the cattle Jackson s characters come alive Scenes are vivid moods are various and enveloping The author has told the delightful story of his boyhood from a highly personal yet universal perspective and in doing so he has presented a picture of a region of the state previously largely neglected in Texas literature
