*Rabbit Is Rich* John Updike, 1981 PULITZER PRIZE WINNER The middle aged hero of Rabbit Run returns from one of the most gifted American writers of the twentieth century The hero of John Updike's Rabbit Run 1960 ten years after the hectic events described in Rabbit Redux 1971 has come to enjoy considerable prosperity as Chief Sales Representative of Springer Motors a Toyota agency in Brewer Pennsylvania The time is 1979 Skylab is falling gas lines are lengthening the President collapses while running in a marathon and double digit inflation coincides with a deflation of national confidence Nevertheless Harry Angstrom feels in good shape ready to enjoy life at last until his son Nelson returns from the West and the image of an old love pays a visit to his lot New characters and old populate these scenes from Rabbit's middle age as he continues to pursue in his erratic fashion the rainbow of happiness **Rabbit Angstrom** John Updike, 1995-10-17 The four novels in the acclaimed Rabbit series including the Pulitzer Prize winners Rabbit Is Rich and Rabbit at Rest brought together in a single volume from one of the most gifted American writers of the twentieth century When we first met him in Rabbit Run 1960 the book that established John Updike as a major novelist Harry Rabbit Angstrom is playing basketball with some boys in an alley in Pennsylvania during the tail end of the Eisenhower era reliving for a moment his past as a star high school athlete Athleticism of a different sort is on display throughout these four magnificent novels the athleticism of an imagination possessed of the ability to lay bare with a seemingly effortless animal grace the enchantments and disenchantments of life Updike revisited his hero toward the end of each of the following decades in the second half of this American century and in

each of the subsequent novels as Rabbit his wife Janice his son Nelson and the people around them grow these characters take on the lineaments of our common existence In prose that is one of the glories of contemporary literature Updike has chronicled the frustrations and ambiguous triumphs the longuers the loves and frenzies the betrayals and reconciliations of our era He has given us our representative American story This Rabbit Angstom volume is composed of the following novels Rabbit Run Rabbit Redux Rabbit is Rich and Rabbit at Rest

**Rabbit at Rest** John Updike,1996-08-27 PULITZER PRIZE WINNER One of the most gifted American writers of the twentieth century brings back ex basketball player Harry Rabbit Angstom the late middle aged hero of Rabbit Run who has acquired heart trouble a Florida condo and a second grandchild and is looking for reasons to live Brilliant the best novel about America to come out of America for a very very long time The Washington Post Book World Rabbit s son Nelson is behaving erratically his daughter in law Pru is sending out mixed signals and his wife Janice decides in midlife to become a working girl As through the winter spring and summer of 1989 Reagan s debt ridden AIDS plagued America yields to that of George Bush Rabbit explores the bleak terrain of late middle age looking for reasons to live The geographical locale is divided between Brewer in southeastern Pennyslvania and Deleon in southwestern Florida

**Rabbit, Run** John Updike,John,2006 John Updike s Rabbit Run is a classic story of dissatisfaction and restlessness Harry Rabbit Angstom was a star basketball player in high school Now twenty six his life seems full of traps the biggest being his pregnant wife and two year old son He sets out to escape but it s not clear if Rabbit is really following his heart or only chasing his tail Powerfully written Rabbit Run gave American literature one of its most enduring characters

Rabbit (un)redeemed Peter J. Bailey,2006 This book approaches Updike s oeuvre by illuminating its

ongoing pervasive conflict between faith and doubt Concentrating on a trio of Olinger stories the Rabbit Angstrom tetralogy In the Beauty of the Lilies and Rabbit Remembered and dramatizing most emphatically Updike s career spanning dialogue with his complexly fragile religious beliefs Bailey interprets the Rabbit saga as fictionalized spiritual autobiography in which through imposing Harry Angstrom s perceptual limitations upon his own stylistic gifts Updike set himself the toughest trial of his ethical and aesthetic creed of the spirit affirming capacities of human perception and expression Novel Practices Eugene Goodheart,2019-01-22 An important debate in modern literary criticism concerns the exact relationship between the ancient epic and the novel Both the epic and the most ambitious modern novels are large scale attempts to present a comprehensive view of the world through the experience of a representative hero However in the older tradition the hero stood for the aspirations and highest ideals of his society The protagonist of the modern novel is usually at odds with that society whether as exile active rebel or antagonistic critic In Novel Practices the distinguished literary scholar Eugene Goodheart surveys a representative selection of modern novelists tracing how the epic impulse has been reshaped under the conditions of modernity Family Matters in the British and American Novel Andrea O'Reilly Herrera,Elizabeth Mahn Nollen,1997 Family Matters in the British and American Novel examines the literature that challenges and alters widely held assumptions about the form of the family familial authority patterns and the function of courtship marriage and family life from the late eighteenth century to the present day **Rabbit Tales** Lawrence R. Broer,1998 In the tales of Rabbit Angstrom Rabbit Run 1960 Rabbit Redux 1971 Rabbit is Rich 1981 and Rabbit at Rest 1990 Updike s Rabbit the aging high school basketball star adrift in the century s confusion is an archetypal American hero one strikingly real and individual yet emblematic of his class his country and his era Updike s achievements in these novels as poet and historian his weaving of lyric and epic of art and four decades of American politics require that the novels be read on a variety of levels thus lending themselves to the critical approaches represented in Rabbit Tales **New Essays on Rabbit Run** Stanley Trachtenberg,1993-09-24 The essays in this collection examine the technical mastery and thematic range of John Updike s novel Rabbit Run *The Cambridge Companion to the Twentieth-Century American Novel and Politics* Bryan M. Santin,2023-10-12 This volume analyzes how political movements ideas and events shaped the American novel The 100 Greatest Literary Characters James Plath,Gail Sinclair,Kirk Curnutt,2019-07-15 From Captain Ahab to Yuri Zhivago discover the most remarkable characters in fiction Huckleberry Finn Anna Karenina Harry Potter Hester Prynne these are just a handful of remarkable characters found in literature but of course the list is virtually endless But why ponder which of these creations are the greatest More than just a topic to debate with friends the greatest characters from fiction help readers comprehend history culture politics and even their own place in today s world Despite our reliance on television film and technology it is literature s great characters that create and reinforce popular culture informing us again and again about society and ourselves In The 100 Greatest Literary Characters James Plath Gail Sinclair and Kirk Curnutt identify the most

significant figures in fiction published over the past several centuries The characters profiled here represent a wide array of storytelling and the authors explore the significance of the figures at the time they were created as well as their relevance today Included in this volume are characters from literature produced around the world such as Aladdin James Bond Holden Caulfield Jay Gatsby Hercule Poirot Don Quixote Lisbeth Salander Ebenezer Scrooge Jean Valjean and John Yossarian Readers will find their beloved literary figures learn about forgotten gems or discover deserving choices pulled from history's dustbin Providing insights into how literature shapes and molds culture via these fabricated figures The 100 Greatest Literary Characters will appeal to literature lovers around the globe **The Book Club Bible** Michael O'Mara
