Ian Craib

Rabbits Other People 1st Edition Signed:

Representing the Holocaust in Children's Literature Lydia Kokkola, 2013-10-15 Writing about the Holocaust and writing for young readers evoke two quite separate sets of concerns which are not always mutually compatible The first half of Representing the Holocaust focuses on how literary material can present historically verifiable material The second half examines how such materials will be perceived by young readers whether they will be able to determine any boundaries between fictionality and factuality and what motivates young readers to keep reading The work concludes by placing the The Amazing Adventures of Rainbow Rabbit study in the context of Holocaust education AB Bookman's Weekly ,1993 Judeth Fenton, 2024-07-19 Rainbow Rabbit wakes up one morning to find his colourful patches gone leaving him pure white from head to toe Seeking a solution he turns to his Great Uncle Corduroy Rabbit who takes him to the wise Belvedere Owl To receive Belvedere s help Rainbow must reveal a secret he s been keeping from Corduroy risking hurting his uncle s feelings Upon hearing Rainbow's confession Belvedere sends him on a quest to a bleak cold land in the North Pole to find what he has lost With no guarantee of success Rainbow arrives in the snowy settlement of Aurora B unsure of where to turn Following his instincts he encounters fascinating characters along the way including a sweet Polar Bear cub named Velvet whom he rescues He also helps a Wolf gain confidence and assists a Badger family torn apart by harsh words As Rainbow navigates this unfamiliar landscape and lends a helping hand to those in need he wonders if his efforts will be rewarded Join him on this enchanting journey to find out if he can regain his lost colours **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1960 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December Linking Families, Learning, and Schooling Bobbie Kabuto, Prisca Martens, 2014-01-21 Parents who are also educational researchers have access to a domain that is highly complex and not always available to other scholars In this book parent researchers provide theoretical and practical insights into children's learning in the home and at school Readers are given a window into learning in the home context and how all family members organize or engage in that learning Working on two levels the book develops scholarly discussions about learning in the home how is it organized who the participants are and what children are learning and it illustrates the impacts that outside institutions in particular schools have on families It is unique in showcasing parent research as a type of research paradigm with particular aspects and challenges Both teachers and researchers can learn from these studies as they show the impact that schooling has on families and how institutional discourses and beliefs can both positively and negatively affect the dynamics of any family

Proceedings of the House of Assembly and Legislative Council ... of the General Assembly ... Newfoundland. House of Assembly,1913 Ohio health news. 1926-35,1926 Orlando A Biography Virginia Woolf,2025-03-27 Orlando A Biography by Virginia Woolf is a groundbreaking work of literary art that defies conventional boundaries and invites readers to explore the fluidity of gender identity and time through the life of its enigmatic protagonist Orlando First published in

1928 the novel is a whimsical yet profound exploration of the human experience presented in the form of a fantastical biography that spans three centuries from the Elizabethan era to the 20th century Woolf's innovative narrative style and her bold themes make this text a cornerstone of modernist literature and a celebration of individuality and self discovery The narrative follows the life of Orlando who begins as a young nobleman in the court of Queen Elizabeth I From the outset Woolf playfully challenges traditional notions of gender and identity introducing Orlando as a character who over the course of the biography undergoes a remarkable transformation After living for several centuries and experiencing life as both a man and a woman Orlando becomes a symbol of fluidity breaking free from the constraints imposed by society This exploration of gender transcendence resonates powerfully with contemporary discussions about identity and the possibilities of self definition Woolf's depiction of Orlando's life is rich with historical references capturing the spirit culture and politics of each period through which Orlando traverses From the vibrant courtly life of Elizabethan England to the dynamic cultural shifts of the early 20th century Woolf paints a vivid portrait of historical contexts while simultaneously weaving in elements of fantasy and magic The detailed descriptions of the settings provide an immersive experience inviting readers to step into each era with Orlando experiencing the joys and challenges of their transformations Central to the novel s charm is Woolf's distinctive narrative voice which oscillates between the formalities of biography and the enchantment of fiction Woolf employs a playful yet incisive tone that allows her to engage in witty commentary on societal norms gender roles and literary conventions This multifaceted approach not only entertains but also provokes deep reflections on the nature of identity and the often rigid classifications that society imposes upon individuals The character of Orlando is not just a product of their time they represent a myriad of experiences and perspectives As Orlando navigates love art and social expectations Woolf invites readers to contemplate the complexities of desire and relationships The relationships Orlando cultivates throughout different eras including romantic entanglements and friendships highlight the varying expectations placed on individuals based on gender Woolf's nuanced portrayal of love and sexuality reflects her broader interest in the intricacies of human connection underscoring that relationships are far from linear and can be politically charged Woolf's exploration of gender is particularly notable in its liberating representation of femininity When Orlando transforms into a woman the narrative evolves to explore the challenges of womanhood in a patriarchal society Orlando experiences societal constraints such as expectations regarding propriety and the limitations imposed on female creativity Through this transition Woolf raises critical questions about gender identity and the societal structures that shape our understanding of self Orlando's struggles and triumphs illuminate the ways in which gender affects one s experience of love art and autonomy making Woolf's treatment of femininity both revolutionary and timely Another remarkable aspect of Orlando is its playful approach to time Woolf famously manipulates the concept of time allowing Orlando to exist beyond traditional chronological boundaries This experimentation serves to challenge readers perceptions of linearity emphasizing that life is not confined to rigid timelines but rather a rich

tapestry of experiences This fluidity acknowledges the complexity of human existence where past present and future intertwine shaping individuals in multifaceted ways Throughout the narrative Woolf also engages with the act of writing itself presenting Orlando as a commentary on authorship and the creative process The character of Orlando is not merely a subject of biography but also an artist in their own right whose journey as a writer reflects Woolf's own literary explorations This metafictional aspect adds depth to the text inviting readers to consider the relationship between the author the work and the reader Woolf uses this framework to challenge normative literary structures and question the very essence of storytelling In conclusion Orlando A Biography stands as one of Virginia Woolf's most innovative and influential works Through its imaginative narrative and its bold engagement with themes of gender identity and artistic expression the novel continues to resonate with readers and scholars alike Woolf's astute observations on the fluidity of existence make this text not only a delight to read but also a significant contribution to discussions of gender and identity that are still relevant today Orlando invites us to reflect on our own identities the roles we inhabit and how we choose to express ourselves in a complex and multifaceted world In doing so Woolf not only redefines the possibilities of literature but also celebrates the richness of the human experience making Orlando an enduring masterpiece that spans ages and genres Orlando Virginia Woolf, 2024-01-02 A Contemporary Classics hardcover edition of Virginia Woolf's fantastical novel about an Elizabethan nobleman who lives for three centuries and transitions into a woman With a new introduction by Jeanette Winterson Woolf's most lighthearted novel is a playful and exuberant romp through history As a teenage nobleman Orlando spends his days in revelry at the colorful Tudor court of Queen Elizabeth and his nights in writing earnest poetry A favorite of the elderly queen he falls in love with and is jilted by a wayward Russian princess Two kings later having reached his thirties Orlando is sent to serve as ambassador to Constantinople where he awakens one day to find himself in the body of a woman The Lady Orlando takes this circumstance in stride and returns to England where she engages in love affairs with both men and women consorts with the famous poets of each age finds happiness with an unconventional husband and at last achieves publication of her own epic poem in the year 1928 the same year that Woolf published her novel With its blend of fantastical adventure and satirical wit Orlando was an immediate popular and critical success one whose status as a classic has only grown with time Everyman's Library pursues the highest production standards printing on acid free paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author's life and times

Modern Social Theory Ian Craib,2015-08-12 The revised edition of this widely acclaimed textbook provides a clear accessible and comprehensive introduction to modern social theory As with the first edition the book is based around the themes of structure and action After the introductory chapters which examine the nature of theory and its role in the social world the book then turns to theories of action and the inability of those theories to comprehend social structures in a

coherent way Part 1 covers Parson s structural functionalism and the development of conlict theory and neofunctionalism rational choice theory symbolic interactionism ethnomethodology and structuration theory Part 2 looks at structuralism structuralist Marxism and the development of post structuralist and postmodernist theory Part 3 examines Critical Theory and the work of Jurgen Habermas In conclusion Ian Craib discusses current trends in theory and what might be expected in the future This second edition has been revised throughout There are new chapters on rational choice theory and structuration theory and existing chapters have been extended to deal with the development of neofunctionalism postmodernism and the recent works of Habermas as well as recent developments in other approaches Throughout the aim of the book is to demystify a diffcult subject area emphasising the practical and everyday nature of theoretical thinking in the context of making sense of a rapidly changing world The late Ian Craib was Lecturer in Sociology at the University of Essex

TOXICOLOGY OF THE EYE W. Morton Grant, Joel S. Schuman, 1993-01-01 The purpose of this book is to present a synopsis of what is known about substances that have toxic properties injurious to the eyes disturbing to vision or affecting eyes in other unwanted ways The coverage is truly comprehensive encompassing local and systemic acute and chronic human and veterinary toxicology of the eye The text summarizes mechanisms of injury treatments and other relevant knowledge for more than 3000 alphabetized substances essentially all those on which public information is available Also described are systemic side effects of ophthalmologic drugs treatment of chemical burns of the eyes and testing methods and species specificity for toxic effects on the eyes Facilitating access to this prodigious amount of information is a large index that cross references substances and effects including numerous synonyms This monumental work is a truly definitive text and a highly useful reference book that should be available to every ophthalmologist emergency room and medical library
