Call Me Coach Paul F. Dietzel,2008-09-15

When LSU head football coach Paul Dietzel saw Billy Cannon field an Ole Miss punt on LSU s own eleven yard line on a stifling Halloween night in 1959 his shouts of No no no

turned to Go go go as Cannon eluded tackler after tackler sending fans in Tiger Stadium into a frenzy and earning himself that year's Heisman Trophy Dietzel is probably best known for leading LSU to its first national championship the year before Cannon's legendary run but his career in athletics also carried him to numerous posts across the country and put him in the company of some of the best coaching minds of all time In Call Me Coach Dietzel affectionately recalls his rich and varied life in college football In 1948 Dietzel decided to forgo medical school at Columbia University to become the plebe football coach at West Point As an assistant over the next few years he worked with Bear Bryant at the University of Kentucky Colonel Red Blaik and Vince Lombardi at West Point and Sid Gillman at the University of Cincinnati Taking the job of head coach at LSU in 1955 he reversed the Tigers losing skid and using the wing T formation and a revolutionary three team substitution system incorporating the White Team the Go Team and the renowned Chinese Bandits crafted 1958's unbeaten championship season The thirty three year old Dietzel was voted National Coach of the Year by the widest margin ever Back at West Point from 1961 to 1965 Dietzel rallied the Cadets to finally beat Navy and as South Carolina's football coach and athletics director from 1966 to 1974 he took the Gamecocks to their first bowl game in twenty five years and mandated the recruitment of black athletes in all sports programs After twenty years as a head coach with 109 wins and 95 losses at three schools and a postseason record of 11 victories and 3 defeats Dietzel retired from coaching in 1974 later serving as athletics director at Indiana and LSU Through Dietzel's eyes readers glimpse college football during a simpler time but also see that many facets of the game including recruitment challenges job insecurity press relations and fickle fans remain constant Highlights among the book's many unforgettable anecdotes are a 1962 interview with Howard Cosell discussion about West Point's football team with General Douglas MacArthur and a rare disagreement with Bear Bryant during a staff meeting Dietzel's recollections of his early and later years help complete the story of the man In a warm raconteur's voice he describes his impoverished childhood in Ohio his own participation in high school and college sports and his stint flying B 29 missions over Japan during World War II His postretirement endeavors have included providing color commentary for TV selling fudge teaching skiing and watercolor painting Always at the top of Dietzel's priorities have been friends family and faith Gratitude rings as a constant refrain in Call Me Coach and sports enthusiasts everywhere will be grateful that Dietzel has shared these recollections of his remarkable life

Born In Brotherhood James E. McNabney,2006-06-19 Born in Brotherhood is not about outlaw bikers Far from it It s about the people who led America s fight for liberty It s about their values and ingrained principles It s about the solemn vows that with rare exception molded their character Born In Brotherhood makes the War for Independence come alive It provides a brutally candid look at the embryonic struggles to achieve the American dream But James E McNabney s book goes even further By focusing on the Freemasons and revealing the Masonic vows taken by America s most revered forefathers Born In Brotherhood answers many of the attacks made upon this secret fraternity Except for the days of King Solomon the world has been besieged by partisan struggles religious wars and sophistry from every persuasion and lately some slanted documentary and even terrorism Born In Brotherhood begs us to take a deeper look at what America stands for principles that unite not divide humanity principles that remind us to oppose tyranny in any form American forefathers sacrificed their lives and fortunes to form a new nation constitutionally empowering people of every nationality sect or opinion to live peacefully together without fear of injustice Born In Brotherhood gives a small sample of the struggles convictions and principles of our forefathers principles that too many of us seem to have dangerously forgotten Written from years of historic and Masonic research Born In Brotherhood presents the reader with a generally unique and unexplored dimension to America s beginnings

Judaism's Encounter with American Sports Jeffrey S. Gurock,2005-08-31 Judaism s Encounter with American Sports examines how sports entered the lives of American Jewish men and women and how the secular values of sports threatened religious identification and observance What do Jews do when a society in this case a team chooses them in but demands commitments that clash with ancestral ties and practices Jeffrey S Gurock uses the experience of sports to illuminate an important mode of modern Jewish religious conflict and accommodation to America He considers the defensive strategies American Jewish leaders have employed in response to sports challenges to identity such as using temple and synagogue centers complete with gymnasiums and swimming pools to attract the athletically inclined to Jewish life Within the suburban frontiers of post World War II America sports minded

modern Orthodox Conservative and Reform rabbis competed against one another for the allegiances of Jewish athletes and all other Americanized Jews In the present day tensions among Jewish movements are still played out in the sports arena Today in a mostly accepting American society it is easy for sports minded Jews to assimilate completely losing all regard for Jewish ties At the same time a very tolerant America has enabled Jews to succeed in the sports world while keeping faith with Jewish traditions Gurock foregrounds his engaging book against his own experiences as a basketball player coach and marathon runner By using the metaphor of sports Judaism s Encounter with American Sports underscores the basic religious dilemmas of our day *William Berry Hartsfield* Harold H.
