Ring,2012-04-01 For most historians the late nineteenth and early twentieth centuries saw the hostilities of the Civil War and the dashed hopes of Reconstruction give way to the nationalizing forces of cultural reunion a process that is said to have downplayed sectional grievances and celebrated racial and industrial harmony In truth says Natalie J Ring this buoyant mythology competed with an equally powerful and far reaching set of representations of the backward Problem South one that shaped and reflected attempts by northern philanthropists southern liberals and federal experts to rehabilitate and reform the country s benighted region Ring rewrites the history of sectional reconciliation and demonstrates how this group used the persuasive language of social science and regionalism to reconcile the paradox of poverty and progress by suggesting that the region was moving through an evolutionary period of readjustment toward a more perfect state of civilization In addition *The Problem South* contends that the transformation of the region into a mission field and laboratory for social change took place in a transnational moment of reform Ambitious efforts to improve the economic welfare of the southern farmer eradicate such diseases as

malaria and hookworm educate the southern populace uplift poor whites and solve the brewing race problem mirrored the colonial problems vexing the architects of empire around the globe It was no coincidence Ring argues that the regulatory state s efforts to solve the southern problem and reformers increasing reliance on social scientific methodology occurred during the height of U S imperial expansion     *The Index* ,1905     **Bulletin of the Cooper Ornithological Club of California** ,1899     **Motor** ,1910     **Illustrated Sporting & Dramatic News** ,1905     *The Put-in-Bay Road Races, 1952-1963* Carl Goodwin,2014-09-06 A great little sports car race took place on an island in Lake Erie offshore of Sandusky Ohio The drivers came on ferry boats to compete for silver cups in an age when there were no sponsors and no prize money The drivers were car salesmen stock brokers engineers printers etc Often the cars they raced were those they drove as daily transportation MGs Porsches Triumphs Alfas and others In this well illustrated history full color throughout the ebook edition drivers officials mechanics and spectators share their stories The text paints a vivid picture of the sports car racing scene in post war America     **American Turf Register and Sporting Magazine** ,1836     **Quarterly Bulletin of the Nuttall Ornithological Club** Nuttall Ornithological Club,Nuttall Ornithological Club, Cambridge, Massachusetts,1881     [The Tribune Almanac and Political Register for ...](#) John Fitch Cleveland,F.
