## **Race And Ethnicity Finding Identities And Equalities:**

*Ethnic Elites and Canadian Identity* Aya Fujiwara, 2012-11-30 Ethnic elites the influential business owners teachers and newspaper editors within distinct ethnic communities play an important role as self appointed mediators between their communities and mainstream societies In *Ethnic Elites and Canadian Identity* Aya Fujiwara examines the roles of Japanese Ukrainian and Scottish elites during the transition of Canadian identity from Anglo conformity to ethnic pluralism By comparing the strategies and discourses used by each community including rhetoric myths collective memories and symbols she reveals how prewar community leaders were driving forces in the development of multiculturalism policy In doing so she challenges the widely held notion that multiculturalism was a product of the 1960s formulated and promoted by mainstream Canadians and places the emergence of Canadian multiculturalism within a transnational context **Race and Ethnicity**

Leo Driedger, 2003 This book examines ethnic pluralism and industrialization as well as theories of ethnic change such as assimilation amalgamation and the ethnic mosaic Chapters also deal with class socio economic status and the segregation of minorities These aspects set the book apart from competition in the purely multicultural camp *Equality and Ethnic Identities* Alice Akoshia Ayikaaley Sawyerr, Christopher Adam Bagley, 2017-07-13 This book combines history sociology psychology and educational policy in research on a 40 year crucial phase of development of ethnic identity ethnic relations and educational and social policies for children in England from pre school to secondary school The authors show how nursery children of different ethnicities interact in beginning their identity journeys in a culture of both inequality and evolving ethnic relationships and patterns of harmony in Britain's developing multicultural society In looking at self concept development in secondary school children through the lens of various kinds of child maltreatment Alice Sawyerr and Christopher Bagley argue that ethnic minority children are psychological survivors and African Caribbean girls especially are making strong identity steps it is the poor whites who will make up the precariat the reserve army of labour who are left behind in structures of inequality **Vocational Education of Female Entrepreneurs in China** Mary Ann

Maslak, 2014-10-17 This book examines the ways in which formal and non formal education can contribute to women's successful design development and operation of small businesses in rural settings Calling on varied pertinent social theories the book examines profitable businesses operated by Dongxiang Muslim women in the southern Gansu province of northwestern China The author explains the multifaceted formula for women's challenges and successes in their business endeavours and goal for financial security It argues that informal learning is the most important type of education to employ knowledge and skills to earn a living in general and design and operate small businesses by women in rural areas in particular The book concludes with an original timely and necessary model for education that could be utilized by the women in this work one that positions informal education as the primary conduit for successful entrepreneurial work and combines elements of both formal and non formal educational principles and practices thus offering support for the successful

operation of women s businesses      **Immigration and Canada** Alan Simmons,2010 Immigration and Canada provides readers with a vital introduction to the field of international migration studies This original book presents an integrated critical perspective on Canadian immigration policies main trends and social economic and cultural impacts It offers up to date information on migration patterns and examines Canada in an evolving global transnational system that gives rise to imagined futures and contrasting real outcomes Key issues and debates include nation building and the historical roots of Canadian immigration contemporary global migration the changing national and ethnic origins of immigrants immigrants jobs wages and the economy designer immigrants and the brain gain the business of migration demographic impacts of immigration racism and prejudice facing excluded and marginalized populations transnational citizens diasporas emerging identities and struggles to belong refugees temporary workers and foreign visa workers undocumented migration and migrant trafficking the baby bust and the future of international migration      **Intersections of Displacement** Priya N. Kissoon,2015-09-18 Refugees are forced to gamble with their lives to flee conflicts and if they arrive at their intended destination unscathed they may face the turbulent prospect of asylum defined by a meagre existence social exclusion poverty and even homelessness Operating at different scales and imagined places homelessness and asylum seeking are issues of fundamental social justice typically viewed as a problem of cities and crises of national and international concern respectively However over the past two decades in particular the increasing and volatile numbers of asylum seekers arriving in the West have created a new form of homelessness mainly hidden often vulnerable and located in the interstices of international and local displacement Considering refugee settlement in London England and Toronto Canada this book argues that this new form of homelessness also requires a new perspective in order to be properly understood and this perspective should come from refugees themselves Two main questions are considered How do refugees conceive locate and reconstruct home in the asylum and settlement process and How do national and residential dynamics affect refugees sense of home or homelessness Drawing on structuration theory amongst other ideas the book examines the relationship between refugeehood and homelessness and how each is shaped in the countries of asylum Managed migration strategies in Canada and deterrent migration strategies in the UK have a profound effect on refugees perceptions of belonging and acceptance equality and the desire and ability to make a home for themselves In addition to shaping notions of belonging national support and services or the lack thereof structure the pathways to homelessness revealing distinct trajectories amongst refugees in London and Toronto The author s proceeds from the sale of this book will be contributed to the Canadian Council for Refugees

Equality Deferred Dominique Clément,2014-05-06 In Equality Deferred Dominique Clément traces the history of sex discrimination in Canadian law and the origins of human rights legislation Focusing on British Columbia the first jurisdiction to prohibit discrimination on the basis of sex he documents a variety of absurd almost unbelievable acts of discrimination Drawing on previously undisclosed human rights commission records Clément explores the rise and fall of what was once the

country's most progressive human rights legal regime and reveals how political divisions and social movements shaped the human rights state. This book is not only a testament to the revolutionary impact of human rights on Canadian law but also a reminder that it takes more than laws to effect transformative social change. **Racists Beware** George J. Sefa Dei, 2008-01-01. With admirable clarity and directness, George Dei exposes the tendency towards the racial re-feudalization of the contemporary public sphere in Canada and by association other post-industrial societies. He points to the enormous opportunity costs imposed on racial minorities in the new millennium as a consequence. In **RACISTS BEWARE UNCOVERING RACIAL POLITICS IN THE POSTMODERN SOCIETY**, Dei identifies and subjects to close scrutiny the new race-bending logics of what he calls postmodern societies in which the dwellers of the suburbs and members of the itinerant white professional middle class, the great beneficiaries of late capitalism and neoliberalization of the economy, now have become the new social plaintiff, turning the complaint of racial inequality and discrimination on the heads of those most oppressed. If Gayatri Spivak asks, 'Can the subaltern speak?', then Dei brilliantly poses the question: 'When will Anglo-dominant groups even critical ones ever listen?' This book is likely to provoke and influence discussion on racial antagonism for a long long time to come. **Equality, Inequalities and Diversity** Geraldine Healy, Gill Kirton, Mike Noon, 2010-11-10. *Equality, Inequalities and Diversity* offers an authoritative critical analysis of equality, inequality, and diversity in organizations. Using international examples, it explores contemporary concepts and debates based on original research in a number of fields and sectors, an ideal course companion for anyone studying diversity. [Understanding Barriers to Workplace Equality: A Focus on the Target's Perspective](#) Michelle K. Ryan, Christopher T. Begeny, Renata Bongiorno, Teri Kirby, Thekla Morgenroth, 2020-08-07. [Open Minds to Equality](#) Nancy Schniedewind, Ellen Davidson, 2014. This is an educator's sourcebook of activities to help students understand and change inequalities based on race, gender, class, age, language, sexual orientation, physical/mental ability, and religion. The activities also promote respect for diversity and interpersonal equality among students, fostering a classroom that is participatory, cooperative, and democratic. An essential resource for teachers, leaders in professional development, and curriculum specialists. Features of the book include ready-to-implement learning activities in both traditional and interdisciplinary curriculum areas and an inclusive framework for thinking about diversity and responding practically to various forms of difference in classrooms: a variety of lesson styles including role plays, case studies, dilemma stories, cooperative learning activities, interviews, data analysis, and creative and expository writing. **Communities, Identities and Crime** Basia Spalek, 2008. This book provides a critical exploration of the importance of social identities when considering crime victimisation and criminal justice and offers a refreshing perspective on the most significant developments in relation to equality and diversity issues that feature in policies and practices of criminal justice agencies. *Researching Equality and Social Justice* Helena Gillespie, 2023-06-10. In order to successfully complete a research project on social issues as part of your education or social science degree, you will need a confident understanding of often challenging and nuanced topics. This

book provides an overview of how to approach researching issues relating to key social justice issues including race sex and gender disability and mental health It will help you to understand important concepts how to avoid hidden biases and how to use appropriate terminology in each area It combines this thematic approach with accessible guidance on the research process from initial design and formulating your research question through to data collection and analysis Helena Gillespie is Professor of Learning and Teaching in Higher Education at the University of East Anglia Equity, Equality, and Reform in Contemporary Public Education Grant, Marquis C.,2018-03-30 Equality and equity are often mischaracterized as interchangeable terms in public education This may explain why efforts towards reform and restructure are often not met with any real measure of success Equity Equality and Reform in Contemporary Public Education provides emerging research on the reformation of education curriculum to provide proportionate opportunities for marginalized students and support for student achievement in public education While highlighting topics such as achievement gaps gender biases and multicultural responsiveness this book explores the theories and applications of different measures of reform to promote fairness among individual students This book is an important resource for educators professionals school administrators researchers and practitioners in the field of education *Distinct Identities* Nadia E. Brown,Sarah Allen Gershon,2016-04-14 Minority women in the United States draw from their unique personal experiences born of their identities to impact American politics Whether as political elites or as average citizens minority women demonstrate that they have a unique voice that more often than not centers on their visions of justice equality and fairness In this volume Dr Nadia E Brown and Sarah Allen Gershon seek to present studies of minority women that highlight how they are similar and dissimilar to other groups of women or minorities as well as variations within groups of minority women Current demographic and political trends suggest that minority populations specifically minority women will be at the forefront of shaping U S politics Yet scholars still have very little understanding of how these populations will behave politically This book provides a detailed view of how minority women will utilize their sheer numbers collective voting behavior policy preferences and roles as elected officials to impact American politics The scholarship on intersectionality in this volume seeks to push beyond disciplinary constraints to think more holistically about the politics of identity **Discourse Analysis as a Tool for Understanding Gender Identity, Representation, and Equality** Mahtab, Nazmunnessa,Parker, Sara,Kabir, Farah,Haque, Tania,Sabur, Aditi,Sowad, Abu Saleh Mohammad,2016-06-01 Today gender and gender identity is at the forefront of discussion as the plight of women around the world and issues of gender equality and human rights have become an international concern for politicians government agencies social activists and the general public Discourse Analysis as a Tool for Understanding Gender Identity Representation and Equality provides a thorough analysis of what language use and linguistic expression can teach us about gender identity in addition to current discussions on topics related to women s rights and gender inequality Focusing on issues related to women in developing countries workplace inequalities and social freedom this publication is an essential
