*Race and Ethnicity in Society: The Changing Landscape* Elizabeth Higginbotham, Margaret Andersen, 2015-10-08 This engaging reader introduces students to the topics and themes that frame the study of race in the United States Newly organized into seven major thematic parts the book begins with basic concepts and then moves on to explore social structural and institutional analyses of race and ethnicity Its 40 articles 21 of which are new have been selected for their importance as well as for their accessibility to undergraduate readers Part I examines how race is socially constructed Part II explores how historical patterns of inclusion and exclusion have established the realities of racial and ethnic inequality today Part III examines belief and ideology including racial stereotypes prejudice forms of racism and how they are influenced by popular culture Part IV includes articles on racial identity and how race plays out in everyday life Part V looks at the overlapping systems of race class and gender inequality Part VI examines patterns of racial inequality in five major institutions work families and communities housing and education health care and criminal justice Part VII concludes the book by looking at large scale contexts of change ranging from individual to societal level change Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

*Race and Society: The Essentials* Kathleen J. Fitzgerald, 2020-11-29 *Race and Society The Essentials* explains the basic theories and concepts related to the sociology of race and ethnicity covering topics such as prejudice and discrimination immigration and assimilation structural and institutional racism privilege intersectionality color blind racism interracial relationships multiracial families biracial multiracial identities and indigeneity It is designed to provide a foundation for students so they can have productive and necessary discussions about race racism and privilege and understand how to move towards a more racially just society Unlike many texts for this course it does not contain chapters on individual racial and ethnic minorities or on race within the context of social institutions Perfect for instructors who assign other kinds of materials for their race ethnicity courses research monographs journals articles published anthologies scholarly and trade books or for shorter courses this text will provide students with a solid theoretical and conceptual grounding in the field

*Race-Ethnicity and Society* Benjamin B Ringer, Elinor R. Lawless, 2025-06-30 First published in 1989 *Race Ethnicity and Society* comes as a usable and comprehensive text on race and ethnicity in the United States Ringer and Lawless set out to fill the gap in the literature by incorporating the positive lessons of the racially turbulent 1960 s and 70s Proposing a challenge to three conventional premises of many texts they argue that the treatment of racial minorities in America was qualitatively different from that experienced by the white immigrants that racism was not a mere aberration in American Society but was built into the very foundations of the society and that America s experience with minorities was not unique but can instead be located within the mainstream of European expansion and conquest *Race Ethnicity and Society* will be a standard source for students in the fields of sociology history and political science
