These aid students in constructing persuasive arguments in their essays. Summary tables at the end of each debate ideal both to gain a quick overview of the topic and as a tool for revision. The book also offers an abundance of contemporary political examples and case studies. A unique chapter on Comparative US and UK Politics Knowledge Checks at regular intervals so students can check their understanding and factual recall. A dedicated Exam Focus chapter which gives advice on developing the skills for exam success as well as annotated sample essays. An extensive companion website with further sample essays, templates for essay planning, bonus case study material and more.

The Challenge of Politics Douglas W. Simon, Joseph Romance, Neal Riemer, 2018-12-27 This updated Sixth Edition of *The Challenge of Politics* enables you to see how the subfields of political science converge around a set of crucial questions such as: Can we as citizens and students articulate and defend a view of the good political life and its guiding political values? Can we bring political wisdom to bear on judgments about politics and public issues? and Can we develop a science of politics to help us understand significant political phenomena, the empirical realities of politics? Balancing lessons of classic and contemporary theory with contemporary politics and empirical study, the book equips you with the tools you need to explore the impact of philosophy and ideology, recognize major forms of government, evaluate empirical findings and understand how policy issues directly affect people's lives. This Sixth Edition includes a brand new chapter on American Politics and Government and updated content on recent international events.
