Racial Minorities In Multicultural Canada:

Racial Minorities in Multicultural Canada Peter S. Li, B. Singh Bolaria, 1983 Comprises 13 essays grouped under five themes racial and ethnic policies in Canada minorities and health care marriage and minority families institutional control and ethnic organizations and theoretical perspectives of race relations Includes essays on Canadian Indians Chinese Canadians and Japanese Canadians *Racisms in a Multicultural Canada* Augie Fleras, 2014-04-29 In acknowledging the possibility that as the world changes so too does racism this book argues that racism is not disappearing despite claims of living in a post racial and multicultural world To the contrary racisms persist by transforming into different forms whose intent or effects remain the same to deny and disallow as well as to exclude and exploit Racisms in a Multicultural Canada is organized around the assumption that race is not simply a set of categories and that racism is not just a collection of individuals with bad attitudes Rather racism is as much a matter of interests as of attitudes of property as of prejudice of structural advantage as of personal failing of whiteness as of the other of discourse as of discrimination and of unequal power relations as of bigotry This multi dimensionality of racism complicates the challenge of formulating anti racism and anti colonialist strategies capable of addressing it Employing a critical framework that puts politics and power at the centre of analysis this book focuses on why racisms proliferate how they work in contemporary societies and how the way we think and talk about racism changes over time Specifically it examines the working of contemporary racisms in a multicultural Canada that claims to abide by principles of multiculturalism and a commitment to a post racial society [The History of Blacks in Canada](#) George H. Junne, 2003-03-30 This fascinating bibliography of source materials clearly demonstrates the significant roles blacks have played in the history and culture of Canada from its beginnings as well as their 400 year fight for equity and justice Organized by area of endeavor and by province the source materials detailed here reveal that blacks in Canada have created a rich diverse and complex legacy This volume lists resources that point to blacks history as soldiers prospectors educators cowboys homesteaders entertainers legislators athletes artists servants and writers The most comprehensive bibliography about blacks in Canada that has been published it is well organized to facilitate locating specific topics or people spanning black history Also included are newspapers and videos that add their own unique contribution Academicians researchers students and interested lay people will find an organized compilation of a vast number of primary and secondary sources about blacks in Canada **The Handbook of Ethnic Media in Canada** Daniel Ahadi, Sherry S. Yu, Ahmed Al-Rawi, 2023-12-15 Ethnic minority groups in Canada have set up their own communication infrastructure that has evolved over time from the analog to the digital age and continues to remain relevant across generations Offering a reassessment of contemporary media outlets The Handbook of Ethnic Media in Canada asks how ethnic media have changed why they continue to be relevant and what impact this media sector has on ethnocultural communities as well as broader society Building on past studies that highlight particular functions of ethnic media publishing information that is vital to

settlement and civic engagement and providing an alternative to mainstream media among others this volume generates insights on new dynamics of the ethnic media sector that are prevalent in the digital age Contributors re examine theoretical and methodological approaches to ethnic media research explore the practices of ethnic media along cultural linguistic and religious lines and interrogate the policies that affect ethnic media production and consumption At its core the question of how Canadians engage with ethnic media is a question about what this media sector means for the sociocultural economic and political integration of Canadians both majority and minority and Canada s race relations The Handbook of Ethnic Media in Canada provides a rich resource for anyone concerned about the role media plays in the complex relationship between ethnicity race belonging and marginality

Class, Ethnicity, and Social Inequality Christopher McAll,1990 Working from interpretations of classic theoretical approaches to class and ethnicity this work discusses the role of class formation at different historical periods and in different social contexts looking at the idea of the nation state and the role of ethnicity in colonialism

Aggression and Bullying in Multicultural Canada Shila Khayambashi,2023-10-16 Aggression and Bullying in Multicultural Canada The Experiences of Minority Immigrant Girls and Young Women argues that the dominant culture in Canada segregates and ostracizes minority immigrant women and subjects them to aggression and humiliation This book problematizes Canadian democratic racism which facilitates the label of an outsider for minority immigrant women even young adults who were born in Canada Based on extensive research in Greater Toronto Area York Region and Hamilton this book explores first and second generation immigrant women s experience with aggression and xenophobia in various spaces of their daily activities as well as in different stages of their lives These young women tolerate their parents post migration frustration abusive and neglectful school personnel s attitude and surrounding societal disapproval regularly Khayambashi examines the aggression against minority immigrant women at micro mezzo and macro levels through a qualitative methodological approach This book questions how directed aggression and micro aggression would affect minority women s identity formation and sense of belonging to their host country

Banana Bending Tseen-ling Khoo,2003-06-01 This is the first book ever to present a comparative reading of East Asian Australian and East Asian Canadian novels while addressing the literary and political cultures of Australia and Canada Generally the book examines the

limits and possibilities for these diasporic literatures in multicultural societies and their placement in relation to national literatures. Issues discussed in the book include citizenship, belonging, community, images of suburbia, tensions in gender, sexuality, and recycling traditional folklore for contemporary situations. The book offers new perspectives on Australian and Canadian life and society, addressing contemporary anxieties about citizenship, cohesion in multicultural communities, ideas of homeland, and the cultural potential of the melting pot. The author offers extensive background information so that those unfamiliar with either Australian or Canadian material can quickly acquaint themselves with the necessary contexts as well as delving further into their details. Its comparative approach offers a unique way to deal with issues of diasporic Asian-ness, a dynamic area of study, and national stereotypes. The book also provides a useful counterpoint to recent discussions of Asian American literature. Tseen Khoo offers a fascinating and insightful study of the politics and poetics of literary production by Asian Australian and Asian Canadian writers and image makers. The comparative methodology, including the contrasts made to the Asian American context, usefully resituates debates about nationalism, cultural policies, and diasporic histories away from narrow nationalist frameworks to afford a more global perspective. Jacqueline Lo, School of Humanities, Australian National University. This is an original and timely contribution to debates in diasporic Asian literatures. The author knows her Australian material extremely well and situates these within important and very relevant discussions concerning both cultural and political issues. The comparisons with Canada and to some degree Asian American material are also very well informed. Overall, the book is a pleasure to read. Professor Sneja Gunew, Professor of English and Women's Studies, University of British Columbia.

The Schematic State Debra Thompson, 2016-10-20. By examining the political development of racial classifications on the national censuses of the United States, Canada, and Great Britain, *The Schematic State* maps the changing nature of the census from an instrument historically used to manage and control racial populations to its contemporary purpose as an important source of statistical information employed to monitor and rectify racial discrimination. Through a careful comparative analysis of nearly two hundred years of census taking, it demonstrates that changes in racial schemas are driven by the interactions among shifting transnational ideas about race, the ways they are tempered and translated by nationally distinct racial projects, and the configuration of political institutions involved in the design and execution of census policy. This book argues that states seek to make their populations racially legible, turning the fluid and politically contested substance of race into stable, identifiable categories to be used as the basis of law and policy.

International Perspectives on Adolescence Tim Urdan, Frank Pajares, 2003-11-01. *Policy Success in Canada* Evert Lindquist, Michael Howlett, Grace Skogstad, Geneviève Tellier, Paul t' Hart, 2022-07-08. This is an open access title available under the terms of a CC BY-NC-ND 4.0 International licence. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. In Canada, many public projects, programs, and services perform well, and many are very successful. However, these cases are consistently underexposed and understudied in the

policy literature which for various reasons tends to focus on policy mistakes and learning from failures rather than successes. In fact, studies of public policy successes are rare not just in Canada but the world over, although this has started to change. McConnell 2010, 2017; Compton, Luetjens, Mintrom, & Hart 2019. Like those publications, the aims of *Policy Success in Canada* are to see, describe, acknowledge, and promote learning from past and present instances of highly effective and highly valued public policymaking. This exercise will be done through detailed examination of selected case studies of policy success in different eras, governments, and policy domains in Canada. This book project is embedded in a broader project led by Hart and OUP exploring policy successes globally and regionally. It is envisaged as a companion volume to OUP's 2019 offering *Great Policy Successes* (Compton and Hart 2019) and to *Successful Public Policy in the Nordic Countries* (de La Porte et al. 2022). This present volume provides an opportunity to analyze what is similar and distinctive about introducing and implementing successful public policy in one of the world's most politically decentralized and regionally diverse federation and oldest democratic polities.

The Dark Side of the Nation Himani Bannerji, 2000. These feminist Marxist and anti-racist essays speak to important current political issues. Though they begin from experiences of non-white people living in Canada, they provide a critical theoretical perspective capable of exploring similar issues in other Western and Third World countries. This reading of difference includes and extends beyond the cultural and the discursive into political economy, state, and ideology. It cuts through the conventional paradigms of current debates on multiculturalism. These essays take up in particular the notion of Canada as the nation and the state as an unsettled ground of contested hegemonies. They particularly draw attention to how the state of Canada is an unfinished one and how the discourse of culture helps it to advance the legitimization claim needed by any state, especially one arising in a colonial context with unsolved nationalist problems. The myth of the two founding peoples, Anglo and Francophone, conveniently ignored the reality of First Nations. More recently, it has also ignored the entrance of non-European immigrants who may have a history of being indentured and politically marginalized and have just begun struggling for political enfranchisement in their new homeland.

Multiculturalism and Immigration in Canada Elspeth Cameron, 2004. Multiculturalism in Canada offers a solid introduction to the history and development of the ideology of multiculturalism in Canada. This ideology, which has become the primary designator of Canadian society, began in the early 1970s when vocal elements in the population who were neither English nor French strongly responded to the investigations of the Committee on Bilingualism and Biculturalism. Given Canada's early racist tendencies, the establishment of multiculturalism was a remarkable shift in public thinking. Many issues associated with immigration have arisen in the public debates around multiculturalism. Some people are convinced that it is a pernicious ideology that enforces the ghettoisation of those different from the mainstream. Others see dangers in the way some aspects of multiculturalism are merely tokens of an all-inclusive society. Still others contend that the voices of ethnicities, aside from those of the two charter groups, English and French, are scarcely heard and that worse, those marginalised voices are

appropriated by mainstream writers On the whole however Canadians especially younger Canadians welcome a liberal outlook that is inclusive of a wide variety of ethnicities For them and for many immigrants Canada is a society that is multiple and layered one rich in meaning They tend to see Canada as a microcosm of the larger world one that presents a useful model of tolerance for the world at large Increasingly marginalised new Canadians are excelling in the arts communities telling all Canadians what various aspects of the culture shock of transplantation feels like This book includes a representative sample of their works
