Forthcoming Books Rose Army,2000 **White Party, White Government** Joe R. Feagin,2012-04-23 *White Party* White Government examines the centuries old impact of systemic racism on the U S political system The text assesses the development by elite and other whites of a racialized capitalistic system grounded early in slavery and land theft and its intertwining with a distinctive political system whose fundamentals were laid down in the founding decades From these years through the Civil War and Reconstruction to the 1920s the 1930s Roosevelt era the 1960s Johnson era through to the Ronald Reagan George H W Bush and Barack Obama presidencies Feagin exploring the effects of ongoing demographic changes on the present and future of the U S political system American Book Publishing Record ,2000-07 **Racist America** Joe R. Feagin,2014 **Subject Guide to Books in Print** ,1991 **Atonement and Forgiveness** Roy L. Brooks,2019-07-02 Roy

L Brooks reframes one of the most important controversial and misunderstood issues of our time in this far reaching reassessment of the growing debate on black reparation Atonement and Forgiveness shifts the focus of the issue from the backward looking question of compensation for victims to a more forward looking racial reconciliation Offering a comprehensive discussion of the history of the black redress movement this book puts forward a powerful new plan for repairing the damaged relationship between the federal government and black Americans in the aftermath of 240 years of slavery and another 100 years of government sanctioned racial segregation Key to Brooks s vision is the government s clear signal that it understands the magnitude of the atrocity it committed against an innocent people that it takes full responsibility and that it publicly requests forgiveness in other words that it apologizes The government must make that apology believable Brooks explains by a tangible act that turns the rhetoric of apology into a meaningful material reality that is by reparation Apology and reparation together constitute atonement Atonement in turn imposes a reciprocal civic obligation on black Americans to forgive which allows black Americans to start relinquishing racial resentment and to begin trusting the government s commitment to racial equality Brooks s bold proposal situates the argument for reparations within a larger international framework namely a post Holocaust vision of government responsibility for genocide slavery apartheid and similar acts of injustice Atonement and Forgiveness makes a passionate convincing case that only with this spirit of heightened morality identity egalitarianism and restorative justice can genuine racial reconciliation take place in America

**Rebirth of a Nation** Joel Edward Goza,2024-09-24 Joel Edward Goza dismantles the deep seated myths that perpetuate white supremacy and makes the case that reparations are necessary to heal America s racial wounds and live up to our democratic ideals Like many well intentioned white people Goza once believed that he could support Black America s struggle for equality without supporting reparations Reparations he thought were altogether irrelevant to the real work of racial justice This is a book about why he was wrong In fact any effort to heal our nation s wounds will fail without reparations In Rebirth of a Nation Goza exposes lesser known aspects of racism in American history and how Black people have consistently been depicted as responsible for their own oppression to justify slavery Jim Crow mass incarceration and gross inequality Goza s iconoclastic and incisive account exposes how revered figures like Thomas Jefferson and Abraham Lincoln embedded white supremacy deep into our nation s consciousness and how Ronald Reagan manipulated this ideology so that society cheered as he advanced a set of policies that wounded our nation and intensified Black America s suffering But Rebirth of a Nation is not merely about accountability It is also about hope A reparations process is not a utopian dream Goza offers a practical path toward closing the racial wealth gap Rebirth of a Nation shows readers how they can join the reparative process working toward the creation of a more perfect union Erasing Racism Molefi Kete Asante,2003 In this profound study of America s persistent racial divide one of the leading scholars of African American history and culture discusses the festering issue of systemic racism Illustrations
