Earp and the Gunfight at O K Corral United States v Wong Kim Ark and Scott Joplin and Ragtime Music The White Separatist Movement in the United States Betty A. Dobratz, Stephanie L. Shanks-Meile, 2000 The result is a compelling book that chronicles the history ideology and strategies of the white separatist movement American Credo Michael Foley, 2007-09-13 If America has a claim to exceptionalism American Credo locates it in a little understood ability to engage in deep conflicts over political ideas while at the same time reducing adversarial positions to legitimate derivatives of American history and development The Populist Radical Right Cas Mudde, 2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research *On the Edge* Dennis Tourish, Tim Wohlforth, 2015-05-22 This is the first book to document the extent of political cults on both the right and left and explain their significance for mainstream political organizations The authors outline the defining characteristics of cults in general and analyze the degree to which a variety of well known movements fall within the spectrum of cultic organizations The book covers such individuals and groups as Lyndon LaRouche Fred Newman Ted Grant Marlene Dixon the Christian Identity movement Posse Comitatus Aryan Nation militias and the Freemasons It explores the ideological underpinnings that predispose cult followers to cultic practices along with the measures cults use to suppress dissent achieve intense conformity and extract extraordinary levels of commitment **Inside Organized Racism** Kathleen M. Blee, 2003-07-09 Publisher Fact Sheet Why women join hate groups how they participate in them why they stay **The Psychology of Hate Crimes as Domestic Terrorism** Edward W. Dunbar, Amalio Blanco Ph.D., Desirée A. Crèvecoeur- MacPhail Ph.D., 2016-11-21 In this three volume set an international team of experts involved in the research management and mitigation of hate motivated violence examines and explains hate crimes in the United States and around the globe drawing comparisons between countries as well as between hate crimes overall and domestic terrorism The Psychology of Hate Crimes as Domestic Terrorism U S and Global Issues takes a hard look at hate crimes both domestically and internationally enabling readers to see similarities and disparities as well as to make the connections between hate crimes and domestic terrorism The entries in this three volume set discuss subjects such as the psychology and motivation in hate crimes the cultural norms that shape

tolerance of outgroups or tolerance of hate and the fact that hate crimes are a pervasive form of domestic terrorism as well as myriad issues of proliferation public policy policing law and punishment and prevention The set opens with an introduction that discusses hate crime research and examines issues of identification of the bias element of hate crimes via empirical and case vignettes The subsequent chapters discuss subjects such as the socio demographic profiles of hate crime offenders hate crime legislation and policy in the United States the effects of hate crime on their victims as well as society the incidence of hate crime in specific regions such as Europe the Middle East and South America and programs and therapeutic interventions to heal victims Readers will also learn how specific educational approaches in communities schools and universities can be implemented to help prevent future escalation of hate motivated violence Understanding Hate Crimes Carolyn Turpin-Petrosino, 2015-03-27 Hate crimes and lesser acts of bigotry and intolerance are seen to be constants in today's world Since 1990 the federal government has published annual reports on hate crime incidents in the United States While the reported numbers are disturbing even more devastating is the impact of these crimes on individuals communities and society This comprehensive textbook can serve as a stand alone source for instructors and students who study hate crimes and or other related acts It invites the reader to consider relevant social mores and practices as well as criminal justice policies as they relate to hate crimes by presenting this subject within a broad context **For Our Own Good: the Politics of Parenting in an Ailing Society** Erica Etelson, 2010-06-23 For Our Own Good examines the psycho social and political repercussions of prevailing approaches to child rearing Learn why warm and nurturing parents produce secure altruistic children who go on to form progressive political beliefs while the children of punitive authoritarian parents are bound by fear and shame to support right wing causes and candidates If you've ever wondered how big a role parenting plays in shaping personality and the political and cultural values of the broader society this book is a must read **Night Lessons** Paul H. Deal, 2001-05-29 Rudy admires and fears his white supremacist stepfather Judd Under his tutelage he joins Aryan Salvation an organization that proclaims white people the highest level of creation Jews the lowest and all others muds It also claims the Holocaust of World War II is a Jewish myth fabricated to gain sympathy After participating in a botched graffiti attack on a synagogue Rudy questions his fitness as an Aryan Then when asked to prepare a report for his high school history class he decides he can best serve his cause by proving the Holocaust never happened He begins certain of the outcome but quickly finds his task more difficult than he imagined His investigation leads him to letters containing a frightening family secret and to a diary written by a boy who died half a century earlier The letters and diary weave a terrifying tale that invades his sleep and causes nightmares that transport him into the Holocaust As his night lessons expose the lies underpinning Aryan Salvation he rejects Judd's bigotry and sees Aryan Salvation as a tool to bring about a new horror His vow to stop it almost makes him one of its victims *The Oxford Handbook of Personality Disorders* Thomas Widiger, 2012-09-27 This text provides a summary of the latest information concerning the diagnosis assessment construct validity etiology pathology and

treatment of personality disorders It brings together leading scholars researchers and clinicians from a wide variety of theoretical perspectives emphasizing in each case extent of empirical support      *Who Do We Think We Are?* Philip Yale Nicholson, 1999 In this timely and well argued book author Philip Nicholson offers a provocative explanation of the force and place of race in modern history showing that race and nation have a linked history Using the deliberately ironic metaphor of the double helix the author shows the close historical connection of race and nation as each interrelates with the other in shaping and carrying social and institutional practices over many centuries Five themes recur throughout the work modernity is built on the twin pillars of race and nation national instability rivalry and imperial conquest outside of dynastic religious or feudal disputes evoke differential i e racial human social categories loyalties and mythologies racial vilification emerges out of material and cultural expropriation racial degradation is typically the inverse projection of dominant national normative values beliefs or ideals and race and nation share in the twists and turns of modern history and are inseparably linked and interdependent
