Lauren Gardner

Regional Policy And Regional Planning In Ghana Making Things Happen In The Territorial Community:

Regional Policy and Regional Planning in Ghana Sam Ofori, 2017-11-22 This title was first published in 2002 This work is about the socio economic and spatial impacts of planning policy aimed at improving the living standards and well being of the regional communities of Ghana Implicit the effectiveness assessment of regional planning practice It is set within the context of the new national planning system and offers strategic opportunities and challenges Characteristically the national and regional policies and contacts are probed and the lack of formal regional plan making stressed The author critically analyzes the problem of socio economic and spatial disparities over the mid 60s to the early 1990s explaining the observed changes The latter is differentiatingly done in terms of relevant theories and the empirics undertaken These include the fashion of perception and conceptualization of development Change is based on one off micro projects at the regional level and a meso regional project within a sub regional context Dr Ofori equally stresses the implementations and local management of the planning policies and programmes Inclusive in the dynamics behind the processes is the role of partnership A further distinctive contribution is the identification of opportunities for planning intervention and policy recommendations for a better change in the future towards making things happen *Regional Policy and Regional Planning in Ghana*, 2002

Endogenous Regional Policy and Development Planning in Ghana Sam Ofori, 2020-09-17 This book examines regional development and planning in a poor administrative region of Ghana assessing the effectiveness of the programmes and projects initiated to reduce poverty disadvantage and deprivation The author analyses the local context of institutions planning legislation broad external exogenous and internal endogenous influencing factors and forces He then assesses how they have impacted the effectiveness of regional policy interventions aimed at social and economic development Using applied planning principles the book proposes policies to address the challenges of Local Economic Development LED urban regeneration and conservation housing regeneration and regional sustainability in the developing world This book will be of interest to students scholars policy makers and regional planning practitioners in urban and regional development and planning geography and African Studies Spatial Planning in Ghana Ransford A. Acheampong, 2018-10-24 This book documents and analyses spatial planning in Ghana providing a comprehensive and critical discussion of the evolving institutional and legal arrangements that have shaped and defined Ghana's spatial planning system for more than seven decades the contemporary policy instruments and mechanisms for articulating and implementing policies and proposals at multiple scales and the formally established procedures for development management It covers important themes in contemporary spatial planning discourse including the evolving meaning scope and purpose of spatial planning globally the scales of spatial planning i.e. national regional sub regional and local multi level integration within spatial planning public participation the interface between urbanization sustainable growth management and spatial planning spatial planning and housing development integrated spatial development and transportation planning and spatial planning and the urban

informal economy Intended for undergraduate and graduate students and academic researchers and practitioners policy makers in the multidisciplinary field of spatial planning it appeals to readers seeking an international perspective on spatial planning systems and practices

Research Directions, Challenges and Achievements of Modern Geography Jerzy Bański, Michael Meadows, 2023-12-01 This book identifies and discusses research directions challenges and achievements in contemporary geography It also documents the most current theoretical and methodological considerations undertaken by scientists representing various sub disciplines of geography with particular reference to human geography It was assumed that the thematic structure of the currently active International Geographical Union IGU problem commissions corresponds to the most relevant and current research directions in geography Reflecting this assumption the book consists of 14 chapters contributed by geographers representing 14 problem commissions of the IGU which allows us to examine geography from different perspectives and to provide the reader with a complete overview of contemporary research issues in human geography The first part discusses contemporary research problems and issues related to scientific methodology and achievements of selected geographical sub disciplines including urban geography agricultural geography transport geography and political geography among others The second part focuses on the interdisciplinarity of geography and the topics of global dimension undertaken by geographers such as global change GIS and geospatial technology marginalization and environmental change This part also discusses the internal relations between geographical specializations and their links with other related sciences including geology sociology and economics The third part discusses the holistic approaches of geography applied to particular regions territories or conditions Africa coastal systems geomorphology and local development

Dilemmas of Regional and Local Development Jerzy Bański, 2020-02-13 Dilemmas of Regional and Local Development aims to identify diagnose and evaluate various approaches towards regional and local socio economic development Over the course of the book authors from 12 countries and four continents come together to review experiences and solutions related to regional development in a range of different economic social and political systems The first part of the volume focuses on the fundamentals of planning regional and local development particularly focusing on theoretical solutions and development policy concepts The second part is more applied looking at practical instruments and solutions for shaping the local economy and analysing effective development policy This book will be of interest to economics geography politics and planning scholars and researchers working on regional sciences and local development

Historical Dictionary of Ghana Edmund Abaka, David Owusu-Ansah, 2024-02-27 Ghana the former British West African colony of the Gold Coast is known for its rich agricultural mineral and petroleum resources Ghana has made tremendous strides in all areas of life and has become the gateway to West Africa if not all of Africa Observers now cite the country s achievement of economic recovery political stability and democratized governance as an example worthy of emulation by other African countries Historical Dictionary of Ghana Fifth Edition contains a chronology an introduction and an extensive bibliography The

dictionary section has more than 900 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Ghana

Historical Dictionary of Ghana David Owusu-Ansah, 2014-02-27 Ghana the former British colony of the Gold Coast is historically known for being the first country to the south of the Sahara to attain political independence from colonial rule It is known for its exports of cocoa and a variety of minerals especially gold and it is now an oil exporting country But Ghana's importance to the African continent is not only seen in its natural resources or its potential to expand its agricultural output Rather the nation's political history of nationalism the history of military engagement in politics record of economic depression and the ability to rise from the ashes of political and economic decay is the most unique character of the country This fourth edition of Historical Dictionary of Ghana covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Ghana
