Regional Differences in America Alfred N. Garwood, 1988-10 Regional Differences in America Alfred N. Garwood, 1988 **Statistical Reference Index**, 1980 **Abortion and Dialogue** Ruth Colker, 1992-09-22 The issues she takes on are crucial not solely the subject areas of reproductive rights and law or public policy lenses and judicial impact in women's and children's lives but also the more difficult and fundamental questions of how these hot topics can be approached so as to make the most of the good will of all and the force of free discussion for social learning she brings a strong evolving and distinctive perspective to the discussion Emily Fowler Hartigan In *Abortion and Dialogue* Ruth Colker argues that the state falsely views the woman and the fetus as having conflicting needs when it intervenes in decisions regarding pregnancies Colker's feminist theological perspective on reproductive health issues encourages both pro choice and pro life advocates to consider how the value of life is implicated in discussions of reproduction Colker argues that theology can contribute to our understanding if we apply the concepts of love compassion and wisdom to problems identified by feminist theory and to actual concrete situations the impact of abortion regulations on poor female adolescents the judicial treatment of abortion regulations state intervention into women's decision making during pregnancies carried to term Colker concludes by examining effective and respectful family planning strategies that truly help women in making reproductive choices Substance Abuse and Mental Health Statistics Sourcebook Beatrice A. Rouse, 1995 **Data Sources for Business and Market Analysis** John Ganly, 1994-11 Now in paperback includes coverage of intergovernmental and foreign business information sources and a new chapter on sources for software and hardware *Statistical Reference Index ... Annual*, 1990 Substance Abuse and Mental Health Statistics Sourcebook United States. Substance Abuse and Mental Health Services Administration. Office of Applied Studies, 1998 Joining Forces on Solid-Waste Management DIANE Publishing Company, 1996-06 An introduction to regionalization a process whereby neighboring cities towns counties pool resources to address local challenges Through regionalization rural small communities are able to accomplish together what is difficult to do individually Explains the key advantages potential problems with regionalization necessary planning activities Five successful case studies are provided to show the concept's effectiveness Includes resource guide For leaders of small communities having trouble with solid waste management in their area The Index of Leading Cultural Indicators William J. Bennett, 2011-08-03 For decades Americans have turned to the Commerce Department's Index of Leading Economic Indicators to spot trends in the economy The Index of Leading Cultural Indicators brings a similar kind of empirical analysis to the moral social and behavioral condition of American society from 1960 to the present a vivid clearly accessible portrait in numbers of who and where we are as a nation First published in 1994 and now completely updated and considerably expanded it draws from a wide array of government sources and academic studies to offer comprehensive chapters on crime the family youth behavior education popular culture and religion as well as new chapters on civic

participation international comparisons and decade by decade comparisons For each topic covered there are statistical and numerical breakdowns tables and graphs ranking of states and a Factual Overview interpreting the data The Index of Leading Cultural Indicators should serve as the starting point of any discussion about America s moral and cultural condition William J Bennett s provocative introduction provides the essential context and perspective for the data he s collected offering an assessment of the problems besetting modern America Some have gotten better most notably crime and welfare rates leading him to conclude that politics and public engagement in social issues can make more of a difference than he once thought But there is much else of a worrying nature and Bennett pulls no punches in identifying pathologies and laying out the challenges we face No one who cares about American society and a whole range of social issues can afford to be without this essential volume a statistical snapshot an invaluable sourcebook and a call to action *Violence, Inequality, and Human Freedom* Peter Iadicola, Anson Shupe, 2012-10-26 *Violence Inequality and Human Freedom* is a sociological introduction to the study of violence that looks at violence on three different levels structural institutional and interpersonal The third edition is updated throughout including a new chapter on educational violence and revised sections on economic and international violence Punitivity: Punitiveness - a global phenomenon?
