Festivals examined by the author vary geographically from the northern rural corners of Italy to the fashionable heart of urban Milan. The origins of these lived religious events range from Christian to vernacular Italian witchcraft and contemporary Paganism which is rapidly growing in Italy. Francesca Ciancimino Howell demonstrates that during ritualized occasions the sacred is located within the mundane. She argues that communal feasting pilgrimage rituals and costumed events can represent forms of lived religious materiality. Building on the work of scholars including Foucault, Grimes and Ingold, Howell offers a theoretical Scale of Engagement which further tests the interfaces between and among the materialities of place, food, ritual and festivals and provides a widely applicable model for analyzing grassroots events and community initiatives. Through extensive ethnographic research and fieldwork data, this book demonstrates that popular Italian festivals can be ritualized liminal spaces contributing greatly to the fields of religious performance and ritual studies.

Nantucket Taste Memories Donald E. DeMarco, 2007-08. Recipes, advice and stories from the owner of DeMarco Restaurant on Nantucket. **The ^AOxford Companion to American Food and Drink** Andrew F. Smith, 2007-05-01. Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America, this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world. Within its pages, for example, we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars. Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors. Edited by Andrew Smith, a writer and lecturer on culinary history, the Companion serves up more than just trivia, however, including hundreds of entries on fast food, celebrity chefs, fish sandwiches, regional and ethnic cuisine, food science and historical food traditions. *American Book Publishing Record Cumulative 1998* R. R. Bowker Publishing, 1999-03. *Books in Print Supplement*, 2002. *My American Dream* Lidia Matticchio

Bastianich, 2018-04-03. For decades, beloved chef Lidia Bastianich has introduced Americans to Italian food through her cookbooks, TV shows and restaurants. Now she tells her own story for the first time in this memoir as rich and complex as her mushroom ragù. The Oprah Magazine. Born in Pula on the Istrian peninsula, Lidia grew up surrounded by love and security, learning the art of Italian cooking from her beloved grandmother. But when Istria was annexed by a communist regime, Lidia's family fled to Trieste where they spent two years in a refugee camp waiting for visas to enter the United States. When she finally arrived in New York, Lidia soon began working in restaurants, the first step on a path that led to her becoming one of the most revered chefs and businesswomen in the country. Heartwarming, deeply personal and powerfully inspiring. *My American Dream* is the story of Lidia's close-knit family and her dedication and endless passion for food. **Italians and Food** Roberta Sassatelli, 2019-05-18. This book is a novel and original collection of essays on Italians and food. Food culture is central both to the way Italians perceive their national identity and to the consolidation of Italianity in global context. More
