

European Governance

Introduction to the EU

▼ Overview of the week

In this first week, we will give a 'crash course' into the fundamentals of the EU. On Wednesday, we start with an overview of the history of the EU as well as some theoretical approaches to studying the EU. On Friday, we turn to the institutional framework of the EU.

We discuss the various EU institutions (such as the European Commission, the European Parliament, and the Council), as well as the procedures used to take decisions. You will learn what role(s) each institution plays, what kinds of decisions the EU can take and how to navigate the maze of EU decision-making procedures. The two meetings combined provide the background against which more specific topics will be discussed in subsequent weeks.
