Regionalism Across The North South Divide:

Regionalism across the North/South Divide Jean Grugel, Wil Hout, 2003-12-16 In contrast to most studies of regionalism Grugel and Hout focus on countries not currently at the core of the global economy including Brazil and Mercosur Chile South East Asia China South Africa the Maghreb Turkey and Australia What seems clear from this original analysis is that far from being peripheral these countries are forming regional power blocs of their own which could go on to hold the balance of power in the new world order

The Limits of Regionalism Robert G. Finbow, 2017-11-28 Assessing the effectiveness of the North American Agreement on Labour Cooperation NAALC this book examines the operation of the core institutions the Secretariat and National Administrative Offices over the past seven years It discusses the main functions of these institutions in hearing public submissions on violations of labour laws and in conducting research and cooperative activities Based on interview research the analysis reviews the strengths and weaknesses of the accord to assess its contribution to a common labour relations regime in North America and its impact in creating new transnational communities of actors in government and civil society in the three countries The NAALC is also compared with the social dimension of the European Union system and a final assessment is made as to whether the NAALC institutions live up to the promises of their founders and whether these can be a model for labour relations in any future Free Trade Area of the Americas FTAA agreement

New Regionalism in the Global Political Economy Shaun Breslin, Christopher W. Hughes, Nicola Phillips, Ben Rosamond, 2002-08-22 Featuring a notable list of international contributors this book presents a systematic and stimulating discussion on regionalism covering topical issues such as recent financial crises enlargement within EU and the post Lome regionalism of Africa

North-South Regional Trade Agreements as Legal Regimes Clair Gammage, 2017-05-26 This book offers a critical reflection of the North South regional trade agreements RTAs known as the Economic Partnership Agreements negotiated between the EU and the African Caribbean and Pacific countries Conceiving of regions as legal regimes Clair Gammage highlights the challenges facing developing countries when negotiating RTAs with developed countries and interrogates the assumption that these agreements will and can promote sustainable development through trade

Regionalism and Governance in the Americas L. Fawcett, M. Serrano, 2005-08-25 This book links contemporary thinking on global and regional governance to the recent experience of the Americas It offers fresh insights into understanding the processes of order and change in the region and in the broader international system A particular concern is to reveal the changing contours of regional governance whether in terms of actors issue areas and relations with global structures

Comparative Regionalism Fred H. Lawson, 2017-03-02 Regionalism has regained momentum in the post Cold War era New economic groupings continue to spring up across the globe while older regional organizations have strengthened their institutional bases and broadened their scope Explaining the reinvigoration of regionalism requires comparative analyses that not only highlight the commonalities that characterize various regional experiments but also

account for the differential outcomes and divergent trajectories such projects exhibit This collection of seminal articles on regionalism advances theoretical concepts that can stimulate useful comparisons along with scholarly surveys of important instances of regionalism in the contemporary world Besides classic studies of the European Union the volume includes authoritative overviews and case studies of regionalist projects in East Asia Sub Saharan Africa Latin America the Middle East and Central Eurasia An introductory essay situates these articles in the context of the five decade long research program on regional integration theory Microregionalism and World Order S. Breslin,G. Hook,2016-01-19

Microregionalism and World Order is a pioneering work on the least understood aspect of regionalism Leading specialists analyze the form microregionalism takes in different parts of the world including the Americas Asia Pacific and Africa By illustrating the complex relationship amongst the political economic and social dimensions of microregionalism the book seeks to contribute to the theoretical debate on regionalism as well as to provide new empirical insights Theories of New Regionalism F. Söderbaum,T. Shaw,2003-11-11 Theories of New Regionalism represents the first systematic attempt to bring together leading theories of new regionalism Major theorists from around the world develop their own distinctive theoretical perspectives spanning new regionalism world order approaches along with regional governance liberal institutionalism neoclassical development regionalism to regional security complex theory RSCT and the region building approach **The Politics of Regional Integration in Latin America** O. Dabène,2009-08-31 This book explores the widely admitted failure of regional integration in this continent linking the features of regional institutional arrangements with domestic politics and includes an inquiry into regionalism at the hemispherical level New Regionalism and the European Union Alex Warleigh-Lack,Nick Robinson,Ben Rosamond,2011-06 The debates on regionalism have been polarized between European Union EU scholars and non EU scholars with the assumption being that regionalism within the EU and other regions of the world are quite distinct with little to be learnt from dialogue with each other This book challenges such assumptions and calls for a genuine debate between scholars of regionalism This book demonstrates that more can and needs to be learned about regional integration all over the world through comparison and reflection on specific regional trends Beginning with a theoretically driven introduction leading experts in the field are brought together to offer a series of case studies on regional integration within Latin America Africa Asia North America and Europe In Part III the authors investigate the links between the EU and selected other regional organisations and processes exploring the dynamics through which these interregional relations are developing and the implications they have for the study of contemporary regionalism regionalisation both inside and beyond the continent of Europe The conclusions set out a challenging research agenda for comparative studies in the field Addressing one of the under explored aspects of EU studies the EU s coexistence with other pan continental regional organisations in the European continent this book will be of interest to students and scholars of regionalism IPE European Studies and international politics Regional Development in the 1990s Ron Martin,Peter Townroe,2013-10-18 This book

documents the changing nature and challenge of regional development in Britain and Ireland in the final decade of this century In the first half of this book region by region profiles review the experience of the eighties and reflect on the present climate assessing problems and opportunities The second half provides 25 commentaries on changes influencing the development of regions from questions of industry technology and employment to the impact of national policy and 1992 and the prospects and capacity for regional policy and development

Cities and Regions in Crisis Martin Jones, 2019 This book offers a new geographical political economy approach to our understanding of regional and local economic development in Western Europe over the last twenty years It suggests that governance failure is occurring at a variety of spatial scales and an impedimenta state is emerging This is derived from the state responding to state intervention and economic development that has become irrational ambivalent and disoriented The book blends theoretical approaches to crisis and contradiction theory with empirical examples from cities and regions

Globalising the Regional, Regionalising the Global: Volume 35, Review of International Studies Rick Fawn, 2009-04-30 A collection of leading international scholars examine the concept of regions from a range of perspectives and assess leading contemporary examples

Regional Identities in North-East England, 1300-2000 Adrian Gareth Green, A. J. Pollard, 2007 Is North East England really a coherent and self conscious region The essays collected here address this topical issue from the middle ages to the present day

Regional Policy in Britain Paul N. Balchin, 2021-07-11 Originally published in 1990 this book examines the extent to which the north south divide in the UK has been a reality in recent years It also reveals the degree to which the gap between the two parts of Britain has worsened An issue of enduring relevance particularly given the political drive to level up the regions the book focusses particularly on the 1980s a period when regional assistance became a victim of both monetarism and free market ideology The book reviews legislation and considers whether regional policy has been effective and consistent To widen the debate the author questions some common assumptions about regional imbalance and argues that intraregional disparities and the plight of Inner London were causes of concern no less serious than the problem of the north south imbalance

Encyclopedia of Governance Mark Bevir, 2007

Devolution, Regionalism and Regional Development, *The Social Context of Economic Change in Britain* Terrence Casey, 2002 This book examines a period of dramatic economic change in Britain during the Thatcher era

Inequalities in the UK David Fée, Anémone Kober-Smith, 2017-11-17 This book addresses the question of the extent of and responses to inequalities in the UK in 2017 in the wake of the 2008 Great Recession and provides an up to date account of the distribution of inequalities the evolving ways they are measured addressed as well as the changing perception of inequalities by the general public and policy makers

Rethinking Regionalism Fredrik Söderbaum, 2017-10-25 Since the late 1980s there has been a global upsurge of various forms of regionalist projects The widening and deepening of the European Union EU is the most prominent example but there has also been a revitalization or expansion of many other regionalist projects as well such as the African Union AU the Association of Southeast Asian Nations

ASEAN the North American Free Trade Agreement NAFTA and the Southern Common Market Mercosur More or less every government in the world is engaged in regionalism which also involves a rich variety of business and civil society actors resulting in a multitude of regional processes in most fields of contemporary politics In this new text Fredrik S derbaum draws on decades of scholarship to provide a major reassessment of regionalism and to address questions about its origins logic and consequences By examining regionalism from historical spatial comparative and global perspectives Rethinking Regionalism transcends the deep intellectual and disciplinary rivalries that have limited our knowledge about the subject This broad ranging approach enables new and challenging answers to emerge as to why and how regionalism evolves and consolidates how it can be compared and what its ongoing significance is for a host of issues within global politics from security and trade to development and the environment Retaining a balanced and authoritative style throughout this text will be welcomed for its uniquely comprehensive examination of regionalism in the contemporary global age
