### **The Provinces and Canadian Foreign Trade Policy**

Christopher J. Kukucha, 2009-07-01 During the past thirty years international trade agreements have focused increasingly on areas of provincial jurisdiction In *The Provinces and Canadian Foreign Trade Policy* Kukucha argues that Canadian provinces have maintained a level of autonomy in response to these developments sometimes even influencing Canada's global trade relations and the evolution of international norms and standards The first comprehensive review of provincial foreign trade policy in Canada the book highlights the convergence of debates related to federalism Canadian foreign policy and the global political economy as they are played out in the negotiation and implementation of international trade agreements It will be of interest to students and practitioners of political science public policy and economics

### **Navigating a Changing World**

Geoffrey Hale, Greg Anderson, 2021-04-07 The negotiation of the Canada U S Free Trade agreement in 1985-88 initiated a period of substantially increased North American and later global economic integration However events since the election of Donald Trump in 2016 have created the potential for major policy shifts arising from NAFTA's renegotiation and continuing political uncertainties in the United States and with Canada's other major trading partners *Navigating a Changing World* draws together scholars from both countries to examine Canada U S policy relations the evolution of various processes for regulating market and human movements across national borders and the specific application of these dynamics to a cross section of policy fields with significant implications for Canadian public policy It explores the impact of territorial institutions and extra territorial forces institutional economic and technological among others on interactions across national borders both within North America and where relevant in broader economic relationships affecting the movement of goods services people and capital Above all *Navigating a Changing World* represents the first major study to address Canada's international policy relations within and beyond North America since the elections of Justin Trudeau in 2015 and Donald Trump in 2016 and the renegotiation of NAFTA

*In Search of Canadian Political Culture* Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation *In Search of Canadian Political Culture* offers a bottom up regional analysis that challenges how we think and write about Canada

### **Canadian Politics**

James Bickerton, Alain Gagnon, 2009-01-01 The new fifth edition of *Canadian Politics* continues the work of earlier editions in offering a comprehensive introduction to Canadian government and politics by a widely recognized and highly respected

group of political scientists writing about subjects on which they are acknowledged experts For this edition the editors have organized the book into four sections Part I Citizenship Identities and Values Part II Institutions Part III Democracy and Representation and Part IV Canada in the World The fourth section develops a focus on the diverse and increasingly important influences of globalization on the Canadian polity the environment and the role of Canada in the world Of the eighteen chapters nine are completely new and six new authors appear including Martin Papillon on Aboriginal governments Peter J Stoett on Canadian international environmental policy and Andrew F Cooper on Afghanistan and Canadian foreign policy The remaining chapters have been thoroughly revised and updated

*Canada and the United States* David M. Thomas, Christopher Sands, 2023-06-26 Canada and the United States explains across fifteen diverse areas why and how Canada and the United States are still so different The book discusses whether or not these differences are growing the key results of such differences and the major challenges to be faced in each system Focusing on institutions political cultures and social values the book shows how both federal systems are extremely complex and how our institutions cultures and historical experiences often lead to very different outcomes The fifth edition discusses the emergence of vital new issues including the pandemic and its effects climate change energy requirements increasing international tensions and new trade problems This book also reviews massive budgetary changes new forms of protest emerging in Canada and an ongoing political crisis in the US instigated by a former president convincing millions that the 2020 election was a hoax Written by leading scholars in their field Canada and the United States reveals how the two countries compare when dealing with similar problems that often spill across the border

**Sustainable Development and Subnational Governments** H. Bruyninckx, S. Happaerts, K. van den Brande, Karoline van den Brande, 2012-04-26 This book highlights the importance of the subnational level of governance in relation to sustainable development exploring how subnational governments have taken up the challenge to design sustainable development policies and their involvement in international decision making on sustainable development

**Province Building and the Federalization of Immigration in Canada** Mireille Paquet, 2019-01-01 Most accounts of the provincial role in Canadian immigration focus on the experience of Quebec In Province Building and the Federalization of Immigration in Canada Mireille Paquet shows that between 1990 and 2010 all ten provinces became closely involved in immigrant selection and integration This considerable change to the Canadian model of immigration governance corresponds to a broader process of federalization of immigration by which both orders of government became active in the management of immigration While Canada maintains its overall positive approach to newcomers the provinces developed and continue to develop their own formal immigration strategies and implement various selections and integration policies This book argues that the process of federalization is largely the result of provincial mobilization In each province mobilization occurred through a modern iteration of province building this time focused on immigrants as resources for provincial economies and societies Advocating for a province centred analysis of federalism

Province Building and the Federalization of Immigration in Canada provides key lessons to understanding the contemporary governance of immigration in Canada      *Political Encyclopedia of U.S. States and Regions* Donald P. Haider-Markel, Michael A. Card, 2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics      **Uneasy Partnership** Geoffrey Hale, 2018-01-25 The Canadian government's pursuit of economic growth is central to its economic policy and to the nature of its relationship with the business community The government depends on business investment for economic growth vital to the prosperity of citizens the generation of tax revenues and enough public satisfaction to win re election Businesses depend on the government for stable sets of rules that are necessary for success They often look to governments for protection against threats to their well being and for assistance in competing with other businesses In this new edition of *Uneasy Partnership* Geoffrey Hale examines the interdependent relationship between Canadian governments and businesses considering the political role of the government in the economy and what effect this has on the business environment Hale provides an overview of the historical dimensions of Canada's political economy and relations between government and business giving readers background to consider topics such as corporate power the implications of Canada's economic structure regional economic differences and the role of interest groups in political and policy processes among others In a thoughtful and well researched style Hale lays out how the partnership between business and government in Canada is an uneasy one and one whose capacity to adapt to ongoing changes is essential in an uncertain world      Anne of Tim Hortons Herb Wyile, 2011-04-25 *Anne of Tim Hortons* Globalization and the Reshaping of Atlantic Canadian Literature is a study of the work of over twenty contemporary Atlantic Canadian writers that counters the widespread impression of Atlantic Canada as a quaint and backward place By examining their treatment of work culture and history author Herb Wyile highlights how these writers resist the image of Atlantic Canadians as improvident and regressive if charming folk After an introduction that examines the current place of the region within the Canadian federation and the broader context of economic globalization *Anne of Tim Hortons* explores how Atlantic Canadian writers present a picture of the region that is much more complex and less quaint than the stereotypes through which it is typically viewed Through the works of authors such as Michael Winter Lisa Moore George Elliott Clarke Rita Joe Frank Barry Alistair MacLeod and Bernice Morgan among others the book looks at the changing and increasingly corporate nature of work the cultural diversification and subversive self consciousness of Atlantic Canadian literature and Atlantic Canadian writers often revisionist approach to the region's history What these writers are engaged in the book contends is a kind of collective readjustment of the image of the region Rather than a marginal place stranded outside of time Atlantic Canada in these works is very much caught up in contemporary economic political and cultural developments particularly the broad sweep of economic globalization      **International Handbook of**

**Public Management Reform** Shaun Goldfinch, Joe Wallis, 2009-01-01 This volume presents a compelling package for anyone interested in public sector reform. It effectively combines a wide range of well researched reviews of national experiences with state of the art thematic chapters in key reform areas such as IT governance, public sector leadership and accountability. The result is a robust, insightful and sometimes sobering series of accounts of the promises and pitfalls of efforts to reform the institutions and practices of public governance around the world. A must read. Paul t Hart, Australian National University. This major Handbook provides a state of the art study of the recent history and future development of international public management reform. Through a careful cross country analysis spanning the last three decades, this timely volume critically evaluates whether countries are converging towards a single public management model. The book goes on to investigate unresolved issues surrounding leadership, government accountability and computer systems failure currently facing reformers. Shaun Goldfinch and Joe Wallis have brought together a number of eminent scholars from across Europe, Asia, North America and Australasia to explore the role of economic ideas, human resources and the state of public management reform in twelve countries. Providing a broad global overview of public management and facilitating a greater understanding of the difficult issue of reform, this book will find widespread appeal amongst academics and postgraduate students of public administration as well as practitioners in the field. **Translating Canada** Luise von Flotow, Reingard M.

Nischik, 2007-10-25 In the last thirty years of the twentieth century, Canadian federal governments offered varying degrees of support for literary and other artistic endeavour. A corollary of this patronage of culture at home was an effort to make the resulting works available for audiences elsewhere in the world. Current developments in the study of translation and its influence as cultural transfer have made possible new assessments of such efforts to project a national image abroad. *Translating Canada* examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers, theatres and other culture brokers. It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers: novelists and poets, playwrights and children's authors, literary and social critics. Above all, the book maps for its readers a number of significant though frequently unsuspected roles that translation assumes in the intercultural negotiation of national images and values. The chapters in this collection will be of value to students, teachers and scholars in a number of fields. Informed lay readers too will appreciate the author's insights into the different ways in which translation has contributed to German reception of Canadian books and culture. *Shooting*

*from the East* Darrell Varga, 2015-11-01 Atlantic Canada has a rich tradition of storytelling and creativity that has extended to critical and audience praise for films from the region's four provinces. Until now there has been no comprehensive history of this diverse body of work. In *Shooting from the East*, Darrell Varga traces the emergence of art cinema in the 1970s and 80s and subsequent rise of a contemporary commercial feature film and television industry by way of representative examples of a great range of titles including *The Adventure of Faustus Bidgood*, *Life Classes*, *The Disappeared* and *Trailer Park Boys*. He

provides analysis of documentary filmmaking to emphasize concerns such as the establishment of the regional National Film Board studio and the influence of broadcast policy but also considers significant recurring themes including the environment the body race and First Nations and the North Through critical analyses of key films and interviews conducted with filmmakers from all corners of the region Varga uncovers patterns of meaning across diverse productions and interrogates the concept of region in relation to prevailing notions of national cinema and transnational media culture With a focus on short films and an extensive history and analysis of the filmmaking production co operatives located in each province Shooting from the East sheds light on the creative processes and local economic and cultural conditions for making images on the edge of the Atlantic

**Bilateral Ecopolitics** Philippe Le Prestre, Peter Stoett, 2017-05-15 The context in which environmental policy decision making occurs has changed resulting from widening environmental problems increased demands from groups and citizens continuing pressure on the continent's resources and normative shifts The complexity of current issues is related to an even broader contextual shift the globalization of environmental issues exacerbated by trade liberalization especially on a regional level and the potential contradictions between trade and the environmental international agenda that this implies This volume studies the new dimensions of resource conflict between Canada and the United States accounting for the emergence of new bilateral environmental issues and detailing how trade liberalization has fostered both disputes and policy convergence It also examines the recent shifts in America towards a unilateral foreign policy and how this affects active Canadian diplomacy Ideal as a resource tool for students and academics this book will be a key resource in the areas of global governance US Canadian foreign policy and environmental policy

Transboundary Policy Challenges in the Pacific Border Regions of North America Donald K. Alper, John Chadwick Day, James Loucky, 2008 Transboundary Policy Challenges responds to a growing interest in borderlands environmental policy by highlighting significant transboundary research and practices being undertaken within and across the Pacific border regions of North America Growing concern about the seriousness of environmental problems particularly in high growth border areas coupled with the rising awareness of the complexities entailed in wise development decisions has spurred recognition that new realities require new responses Critical for effective environmental protection restoration and education is a sharing of understanding and effort across borders Transboundary Policy Challenges advances transborder environmental research and discusses sensible policy directions with particular focus on critical areas of international concern and engagement land and water use planning regional growth management trade and transportation corridors environmental education and travel and tourism Contributors to the volume represent a range of disciplines as well as institutions in Canada the United States and Mexico

*Comparative Politics* Daniele Caramani, 2011-02-17 Comparative Politics provides a comprehensive introduction to political systems around the world It covers methods and theories the nation state institutions actors and processes policies and recent changes

**Visiting Grandchildren** Donald J. Savoie, 2006-01-01 Visiting Grandchildren looks to history

accidents of geography and to the workings of national political and administrative institutions to explain the relative underdevelopment of the Maritime provinces

*Schooling New Media* Tyler Bickford Ph.D., 2017-05-01 Popular music and digital media are constantly entwined in elementary and middle school children's talk interactions and relationships and offer powerful cultural resources to children in their everyday struggles over institutionalized language literacy and expression in school In *Schooling New Media* author Tyler Bickford considers how digital music technologies are incorporated into children's expressive culture their friendships and their negotiations with adults about the place of language music and media in school *Schooling New Media* is a groundbreaking study of children's music and media consumption practices examining how transformations in music technologies influence the way children their peers and adults relate to one another Based on long term ethnographic research with a community of schoolchildren in Vermont Bickford focuses on portable digital music devices i.e. MP3 players to reveal their key role in mediating intimate face to face relationships and structuring children's interactions both with music and with each other *Schooling New Media* provides an important ethnographic and theoretical intervention into ethnomusicology childhood studies and music education emphasizing the importance and yet under appreciation of interpersonal interactions and institutions like schools as sites of musical activity Bickford explores how headphones facilitate these school centered interactions as groups of children share their earbuds with friends and listen to music together while participating in the dense overlap of talk touch and gesture of their peer groups He argues that children treat MP3 players more like toys than technology and that these devices expand the repertoires of childhood communicative practices such as passing notes and whispering all means of interacting with friends beyond the reach of adults These connections afforded by digital music listening enable children to directly challenge the language and literacy goals of classroom teachers Bickford's *Schooling New Media* is unique in its intensive ethnographic attention to everyday sites of musical consumption and performance and offers a sophisticated conceptual approach for understanding the problems and possibilities of children's uses of new media in schools
