Regular Army On The Eve Of The Civil War:

The Regular Army on the Eve of the Civil War George T. Ness, 1990-01-01 **Of Duty Well and Faithfully Done**

Clayton R. Newell, Charles R. Shrader, 2011-07-01 On the eve of the Civil War the Regular Army of the United States was small dispersed untrained for large scale operations and woefully unprepared to suppress the rebellion of the secessionist states Although the Regular Army expanded significantly during the war reaching nearly sixty seven thousand men it was necessary to form an enormous army of state volunteers that overshadowed the Regulars and bore most of the combat burden Nevertheless the Regular Army played several critically important roles notably providing leaders and exemplars for the Volunteers and managing the administration and logistics of the entire Union Army In this first comprehensive study of the Regular Army in the Civil War Clayton R Newell and Charles R Shrader focus primarily on the organizational history of the Regular Army and how it changed as an institution during the war to emerge afterward as a reorganized and permanently expanded force The eminent award winning military historian Edward M Coffman provides a foreword

Reflections of a Civil War Historian Herman Hattaway, 2004 *American Civil War* Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict **The United States Army and the Making of America** Robert

Wooster, 2021-04-01 *The United States Army and the Making of America* From Confederation to Empire 1775 1903 is the story of how the American military and more particularly the regular army has played a vital role in the late eighteenth and nineteenth century United States that extended beyond the battlefield Repeatedly Americans used the army not only to secure their expanding empire and fight their enemies but to shape their nation and their vision of who they were often in ways not directly associated with shooting wars or combat That the regular army served as nation builders is ironic given the

officer corps obsession with a warrior ethic and the deep seated disdain for a standing army that includes Thomas Jefferson's Declaration of Independence the writings of Henry David Thoreau and debates regarding congressional appropriations Whether the issue concerned Indian policy the appropriate division of power between state and federal authorities technology transportation communications or business innovations the public demanded that the military remain small even as it expected those forces to promote civilian development Robert Wooster's exhaustive research in manuscript collections government documents and newspapers builds upon previous scholarship to provide a coherent and comprehensive history of the U S Army from its inception during the American Revolution to the Philippine American War Wooster integrates its institutional history with larger trends in American history during that period with a special focus on state building and civil military relations *The United States Army and the Making of America* will be the definitive book on the army's relationship with the nation from its founding to the dawn of the twentieth century and will be a valuable resource for a generation of undergraduates graduate students and virtually any scholar with an interest in the U S Army American frontiers and borderlands the American West or eighteenth and nineteenth century nation building

The Civil War Diaries of Cassie Fennell Whitney A. Snow, 2024-01-12 Born near Guntersville Alabama Catherine Cassie Fennell was nineteen when the Civil War began Starting with her time at a female academy in Washington DC the diaries continue through the war's end and discuss civilian experiences in Alabama and the Tennessee Valley Fennell believed that by keeping a diary she made a small contribution to the war effort and history itself Fennell was fairly well off and highly educated moving easily in very elite social circles Most of her relatives were staunch Confederates and the war took its toll with multiple members of her family killed or captured As Fennell recounts the consequences of war the downward spiral of the family fortune the withering of hope at news from the battlefield and the general uncertainty of civilian life in the South her diaries constitute one of the few contemporaneous records of north Alabama including the shelling and burning of Guntersville which has been poorly documented in the historiography of the Civil War While the first diary is written as a private reflection the war journals are well researched and rely on extensive familiarity with local newspapers and seem like they are intended for the eyes of later generations Ultimately these diaries amount to a social history of the war years in a specific region where scholars have recovered relatively few firsthand accounts and editor Whitney Snow's compilation adds to the now growing genre of women's Civil War diaries Insightful and engrossing *The Civil War Diaries of Cassie Fennell* is a compelling portrait of a privileged young woman who suffered devastating losses for her ardent support of a Confederate nation

Riding in Circles J.e.b. Stuart and the Confederate Cavalry 1861-1862, *The 6th United States Cavalry in the Civil War* Donald C.

Caughey, Jimmy J. Jones, 2013-04-25 This is the first scholarly history of the only regular army cavalry regiment raised during the Civil War Unlike volunteer regiments raised by individual states the regular regiments drew soldiers from across the country By war's end 2 130 men and at least one woman from 29 states and 14 countries served in the 6th U S Cavalry The

regiment's initial cast of officers included two grandsons of a former president a cousin of Confederate President Jefferson Davis two cousins of the governor of Pennsylvania the son of a Radical Republican senator who opposed President Lincoln and a number of enlisted soldiers promoted from the ranks The book relies heavily upon primary sources to tell the regiment's story in the words of the participants These include diaries and letters of officers and enlisted soldiers alike several of which are previously unpublished Official reports are excerpted when appropriate to provide the commander's view of the regiment's performance

Six Encounters with Lincoln Elizabeth Brown Pryor, 2017-02-07 Winner of the Barondess Lincoln Award from The Civil War Round Table of New York Fascinating reading this book eerily reflects some of today's key issues The New York Times Book Review From an award winning historian an engrossing look at how Abraham Lincoln grappled with the challenges of leadership in an unruly democracy An awkward first meeting with U S Army officers on the eve of the Civil War A conversation on the White House portico with a young cavalry sergeant who was a fiercely dedicated abolitionist A tense exchange on a navy ship with a Confederate editor and businessman In this eye opening book Elizabeth Brown Pryor examines six intriguing mostly unknown encounters that Abraham Lincoln had with his constituents Taken together they reveal his character and opinions in unexpected ways illustrating his difficulties in managing a republic and creating a presidency Pryor probes both the political demons that Lincoln battled in his ambitious exercise of power and the demons that arose from the very nature of democracy itself the clamorous diversity of the populace with its outspoken demands She explores the trouble Lincoln sometimes had in communicating and in juggling the multiple concerns that make up being a political leader how conflicted he was over the problem of emancipation and the misperceptions Lincoln and the South held about each other Pryor also provides a fascinating discussion of Lincoln's fondness for storytelling and how he used his skills as a raconteur to enhance both his personal and political power Based on scrupulous research that draws on hundreds of eyewitness letters diaries and newspaper excerpts Six Encounters with Lincoln offers a fresh portrait of Lincoln as the beleaguered politician who was not especially popular with the people he needed to govern with and who had to deal with the many critics naysayers and dilemmas he faced without always knowing the right answer What it shows most clearly is that greatness was not simply laid on Lincoln's shoulders like a mantle but was won in fits and starts

Armies South, Armies North Alan Axelrod, 2017-05-01 An argument settler and starter for Civil War buffs who want to know which side had the better soldiers Armies South Armies North definitively compares the military forces of both sides Civil War buffs are always arguing over which side had the better soldiers Armies South Armies North by Alan Axelrod helps readers reconsider their understanding of America's most harrowing war Axelrod is the author of more than one hundred books with a passion for military history and leadership Each chapter of his new book compares the military forces with both quantitative and qualitative measures Axelrod analyzes the equipment the leadership and strategies and the men who fought in each army with additional focus on lesser known flash points during the war

Professional Journal of the United States Army

,1998 **Atlas of American Military History** James C. Bradford,2003 From the Battle of Bunker Hill to the Battle of Midway from Vietnam to the Persian Gulf from George Washington to Douglas MacArthur The Atlas of American Military History covers the full span of America at war exploring the personalities methods strategies and historical contexts of each conflict Following a loose chronological framework this book examines every significant military campaign and war in which the United States has been engaged both domestically and internationally from the Revolutionary War to the present Written by trusted military historians each section combines analysis with a strong narrative account and an assessment of major campaigns and battle taking up the American viewpoint as well as those of its allies and opponents Military method weaponry and communication technology receive detailed treatment in the text and in the maps The center point of the book is its stunning color maps including historical military cartography specially commissioned maps and graphic reconstructions These maps show troop ship and aircraft movements of major campaigns and battles the theaters of fighting the balance of forces and the wider strategic picture It also features hundreds of illustrations appendixes and a glossary and information on military commanders events treaties code names and civilian personalities Edited by noted historian James Bradford The Atlas of American Military History is a beautiful and informative volume for history buff and general reader alike **West Pointers and the Civil War** Wayne Wei-siang Hsieh,2009 Most Civil War generals were graduates of West Point and many of them helped transform the U S Army from what was little better than an armed mob that performed poorly during the War of 1812 into the competent fighting force that won the Mexican War **Army History** ,2000 Army Regulars on the Western Frontier, 1848-1861 Durwood Ball,2001 Unlike previous histories this book argues that the politics of slavery profoundly influenced the western mission of the regular army affecting the hearts and minds of officers and enlisted men both as the nation plummeted toward civil war **BOOK JACKET** *Staff Ride Handbook for the Battle of Shiloh, 6-7 April 1862* Jeffrey J. Gudmens,2005 America's First Battles, 1776-1965 Charles E. Heller,William A. Stofft,1986 This volume a collection of eleven original essays by many of the foremost U S military historians focuses on the transition of the Army from parade ground to battleground in each of nine wars the United States has fought Through careful analysis of organization training and tactical doctrine each essay seeks to explain the strengths and weaknesses evidenced by the outcome of the first significant engagement or campaign of the war The concluding essay sets out to synthesize the findings and to discover whether or not American first battles manifest a characteristic rhythm *America's First Battles* provides a novel and intellectually challenging view of how America has prepared for war and how operations and tactics have changed over time The thrust of the book the emphasis on operational history is at the forefront of scholarly activity in military history This book is part of the Modern War Studies series *A Companion to American Military History* James C. Bradford,2009-11-03 With more than 60 essays *A Companion to American Military History* presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian

and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study

Quartermaster Support of the Army Erna Risch, 1962 **Quartermaster Support of the Army, a History of the Corps, 1775-1939** United States. Quartermaster General of Army, 1962

Regular Army On The Eve Of The Civil War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Regular Army On The Eve Of The Civil War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Regular Army On The Eve Of The Civil War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Regular Army On The Eve Of The Civil War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions

of their work, but its essential to be cautious and verify the authenticity of the source before downloading Regular Army On The Eve Of The Civil War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Regular Army On The Eve Of The Civil War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Regular Army On The Eve Of The Civil War Books

1. Where can I buy Regular Army On The Eve Of The Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
