Regulations Made Easy For Private Pilots:

Federal Aviation Regulations Study Guide for the Private Pilot Elite Aviation Solutions,2013-05-07 Every year thousands of private pilots buy a FAR AIM with the intention of studying the regulations My estimate is that the average pilot spends less than 20 hours a year using the FAR AIM manual to increase their knowledge Pilots have good intentions of studying but the lack of use is mainly due to the poor study format of the FAR AIM The end result is that pilots understand only a small number of regulations This study guide is going to change that The Federal Aviation Regulations Study Guide for the Private Pilot is presented in a very study friendly format Our professional pilot staff reviewed all of the FARs and selected the regulations that apply to private pilots Those regulations were then formatted into a study guide format with questions answers and additional information Whether you are preparing for your private pilot check ride a biennial flight review or a general review this book will help you prepare much more efficiently and retain more information **Regulations Made**
