The Reign of the Great

Elector L. Mühlbach,2015-07-04 Excerpt from The Reign of the Great Elector An Historical Romance The cathedral bells

were ringing and cannon thundering from the low ramparts of the fortress of Berlin These festive sounds announced to the gaping listening crowd who thronged the space between the cathedral and castle that the solemn ceremony in the cathedral was over that the Princess Charlotte Louise eldest sister of Elector Frederick William had just been married to Duke Jacob of Kurland and that the priest had pronounced a blessing upon the pair The people however did not add their benediction they had no loving congratulations for the newly married couple The court had been too long absent from Berlin and during the five years of the present Elector's administration he had himself only once visited Berlin for a short time and his family not at all Not until now in the middle of the year 1645 had the Electoral family returned to Berlin and the Elector announced to the magistrates and citizens of his loyal resident city that he expected to take up his abode at Berlin for a long time perhaps for good With high sounding words had the magistrates and citizens replied to this Electoral message but at the bottom of their hearts they felt but little pleasure at the news The common people of Berlin had received the tidings with perfect indifference About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
