Reinventing Womanhood:

Reinventing Womanhood Carolyn G. Heilbrun, 1979 Carolyn Heilbrun's important investigation into issues of identity for twentieth century American women the problem with past role models ways to construct new ones **Carolyn G. Heilbrun, Feminist in a Tenured Position** Susan Kress, 1997 Preeminent feminist critic Carolyn G. Heilbrun's life experience echoes that of a generation of professional women often isolated and marginalized within inhospitable institutions Incorporating interviews with friends colleagues and Heilbrun herself author Susan Kress illuminates Heilbrun's various public identities and places her in the context of the developing women's movement *Conscious Acts and the Politics of Social Change* Robin L. Teske, Mary Ann Tétreault, 2000 **Southern Womanhood and Slavery** Leigh Fought, 2003-06-01 Southern Womanhood and Slavery is the first full length biography of Louisa S. McCord one of the most intriguing intellectuals in antebellum America The daughter of South Carolina planter and politician Langdon Cheves and an essayist in her own right McCord supported unregulated free trade and the perpetuation of slavery and opposed the advancement of women's rights This study examines the origins of her ideas Leigh Fought constructs an exciting narrative that follows McCord from her childhood as the daughter of a state representative and president of the Bank of the United States through her efforts to accept her position as wife and mother her career as an author and plantation mistress and the Union invasion of South Carolina during the Civil War to the end of her life in the emerging New South Fought analyzes McCord's poetry letters and essays in an effort to comprehend her acceptance of slavery and the submission of women Fought concludes that McCord came to a defense of slavery through her experience with free labor in the North which also reinforced her faith in the paternalist model for preserving social order McCord's life as a writer on unfeminine subjects her reputation as strong minded and masculine her late marriage her continued ownership of her plantation after marriage and her position as the matron of a Civil War hospital contradicted her own philosophy that women should remain the quiet force behind their husbands She lived during a time of social flux in which free labor slavery and the role of women underwent dramatic changes as well as a time that enabled her to discover and pursue her intellectual ambitions Fought examines the conflict that resulted when those ambitions clashed with McCord's role as a woman in the society of the South McCord's voice was an interesting articulate and necessary feminine addition to antebellum white ideology Moreover her story demonstrates the ways in which southern women negotiated through patriarchy without surrendering their sense of self or disrupting the social order Engaging and very readable Southern Womanhood and Slavery will be of special interest to students of southern history and women's studies as well as to the general reader Woman Awake Christina Feldman, 2016-08-01 Because women have been conditioned to live according to traditional feminine values conformity passivity and surrender of the self they often feel powerless to transform their lives and afraid to lose their sense of worth In Woman Awake Christina Feldman suggests that it is possible for women to break out of their negative patterns and accept themselves as they really are With a

growing awareness of the dignity of all life and its connection with them women can overcome the social conditioning and myth making that overwhelm and oppress them For those women new to Buddhist meditation Christina Feldman offers sensitive and valuable guidelines on breathing and relaxation stressing above all that learning to understand appreciate and value themselves is the first step toward women's creative and joyful integration with the world **Greatness Engendered** Alison Booth,2018-03-15 The egotism that fuels the desire for greatness has been associated exclusively with men according to one feminist view yet many women cannot suppress the need to strive for greatness In this forceful and compelling book Alison Booth traces through the novels essays and other writings of George Eliot and Virginia Woolf radically conflicting attitudes on the part of each toward the possibility of feminine greatness Examining the achievements of Eliot and Woolf in their social contexts she provides a challenging model of feminist historical criticism Cultural Perspectives on Aging Andrea Hülsen-Esch,2021-11-22 Current demographic developments and change due to long life expectancies low birth rates changing family structures and economic and political crises causing migration and flight are having a significant impact on intergenerational relationships the social welfare system the job market and what elderly people can expect from their retirement and environment The socio political relevance of the categories of age and ageing have been increasing and gaining much attention within different scholarly fields However none of the efforts to identify age related diseases or the processes of ageing in order to develop suitable strategies for prevention and therapy have had any effect on the fact that attitudes against the elderly are based on patterns that are determined by parameters that are not biological or sociological ageing is also a cultural fact This book reveals the importance of cultural factors in order to build a framework for analyzing and understanding cultural constructions of ageing bringing together scholarly discourses from the arts and humanities as well as social medical and psychological fields of study The contributions pave the way for new strategies of caring for elderly people *The Life Ready Woman* Shaunti Feldhahn,Robert Lewis,2011 Best selling authors Shaunti Feldhahn For Women Only and Robert Lewis help women understand how to live boldly and biblically while staying in step with the twenty first century **Female Identity in Feminist Writings** Dr. Vaishali Dahiya,2022-05-25 Female Identity in Feminist Writings revolves around the thought that Feminism is an ideology with a difference This makes it peculiarly difficult to analyze and criticize the terms usually applied to ideologies If women were to be truly equal to men then there would be a need for female emancipation within both private and public spheres Perhaps men or the state should have a greater role in child rearing realizing women have a greater role in every sphere Perhaps there should be a wage for the work done by women in the private sphere Whatever the answer there is agreement among feminists that such divisions are not natural or biological in origin but social and as such can be reformed by social and political change Murder by the Book? Sally Rowena Munt,2003-09-02 A thorough and thoroughly enjoyable look at the genre of the feminist crime novel in Britain and the United States A pioneering work in the field and an indispensable guide for readers and scholars of the genre

Gendered Agents Silvestra Mariniello, Paul A. Bové, 1998 Gathered from various issues of the journal BOUNDARY 2 the essays in GENDERED AGENTS assess questions of sexuality ethics race psychoanalysis subjectivity and identity meant to challenge traditional Western epistemology and suggest new directions for feminism These bold essays will interest not only feminist theorists and activists but academics from a variety of disciplines such as philosophy sociology anthropology etc

Sacred Groves and Ravaged Gardens Louise Westling, 2008 In *Sacred Groves and Ravaged Gardens* Louise Westling explores how the complex difficult roles of women in southern culture shaped the literary worlds of Eudora Welty Carson McCullers and Flannery O'Connor Tracing the cultural heritage of the South Westling shows how southern women reacted to the violent false world created by their men a world in which women came to be shrouded as icons of purity in atonement for the sins of men Exposing the actual conditions of women's lives creating assertive protagonists who resist or revise conventional roles and exploring rich matriarchal traditions and connections to symbolic landscapes Welty McCullers and O'Connor created a body of fiction that enriches and complements the patriarchal version of southern life presented in the works of William Faulkner John Crowe Ransom Allen Tate and William Styron

Empowering Women Louise Hay, 1999-08-04 Women have struggled for a long time to have more dominion over their own lives Louise L Hay author of You Can Heal Your Life The Power Is Within You and Life Reflections on Your Journey shows you how to become a strong and powerful being She emphasizes that no matter what your past was like you can learn to empower yourself and rise to the top Some of the points Louise makes are Developing self worth and self esteem are the most powerful tools women can have a modern woman has the whole world in front of her she can rise as high as her belief

in herself joy and happiness are always within you you do not have to feel incomplete without a man by your side and your most important relationship is with yourself **Women, Birth, and Death in Jewish Law and Practice** Rochelle L. Millen, 2004 A sensitive exploration of the development of pivotal life cycle rituals as they touch Jewish women's lives *The Neither/nor of the Second Sex* Céline León, 2008 Although Kierkegaard provided many a puzzle for his biographers one would be wrong to assume Kierkegaard invariably lied when he claimed to be telling the truth Tying Kierkegaard's baffling misogyny and ultimately his misogamy to the existence of an inner mystery *The Neither Nor of the Second Sex* navigates between the Charybdis of an allegedly insurmountable gulf between works and biography and the Scylla of the biographical fallacy a peril whose threat raised greater alarms in Kierkegaard Celine Leon draws her conclusions by paying close attention to the texts and by carefully distinguishing between author and pseudonyms She only brings works and life together when Kierkegaard ambivalently plays with the former in order to impart something of the secret lying at the core of his being to reverse Sartre's famous formulation to communicate at the heart of hiddenness Leon shows how Kierkegaard a writer whose views on other subjects she holds in high regard projected his lack onto a particular woman Regina Olsen his one time fiancée and lifelong obsession then onto all women and ultimately regarding his own exceptional status as normative elected to ban the heterosexual relation altogether This is not however the same as saying that notwithstanding the religious development and the enormous production whose twin onset he ascribed to the rupture with Regina Kierkegaard did not do so at an egregious personal cost Book jacket
