*Passages Through Recovery* Terence T Gorski, 2009-07-30 *Passages through Recovery* presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety Abstinence from alcohol and other drugs is only the beginning of sobriety It s the ticket to get into the theater not the movie we are going to see *Passages through Recovery* One of the most important things we learn in recovery is that there

really is a way out of all the misery if we know which way to go But abstinence from alcohol and other drugs is just the beginning of our journey not our destination And that journey can be a rough one if we don't know what lies ahead Based on the experiences of thousands of recovering men and women Passages through Recovery presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety Gorski's pioneering work describes six stages of recovery from chemical dependency and offers sound advice for working through the challenges of each stage challenges that can create frustration and lead to relapse Passages through Recovery clearly demonstrates that sobriety is more than just healing the damage It's a way of thinking acting and relating to others Gorski writes that promotes continued physical psychological social and spiritual health The skills necessary for long term sobriety are all directed at finding meaning and purpose in life Use this book as a compass in your recovery to help you stay on course

**Recovery Plus Lesson Plans** William Lind, 2021-11-19 After over thirty years in personal recovery from alcohol drug addiction PTSD from being raised in an abusive alcoholic environment and experiences as a combat medic in Vietnam I felt the need to pass on my personal story of recovery After eight years in recovery I was granted the opportunity to go to inpatient treatment for PTSD with the VA for ninety days There I was taught what had happened how I reacted and how I could take responsibility for how I could live freely for the rest of my life if I chose to It required hard work reframing a lot of old ideas about who I was what happened and how I could be at peace with myself and the world around me This program was developed to reinforce the individual's efforts to continue on their road through recovery It should only be administered in group individual counseling sessions It is very intensive and should be in a very supportive environment It will probably open memories that have been subdued by chemical use and lifestyles that cover up the pain of their past losses neglect and abuse This approach can allow a person to discover their own value and potential as individuals and as healthy members of society They will learn to recognize life's opportunities and challenges They will also be able to identify and come to terms with their personal strengths and weaknesses They will develop the tools to deal with life on life's terms if they are committed to their personal growth The individual must be committed to change and growth if it is to work They will need to be able to accept help from others when offered and develop an attitude of humility and empathy toward self and others If a person surrounds themselves with healthy support they have every chance to make the changes needed for a life of freedom and lifelong recovery
