Relationships Made By God:

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted. The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors, including D. A. Carson, Andreas J. K.stenberger, Raymond C. Ortlund Jr., Robert L. Plummer, and many others, address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote clear, sound thinking about what Scripture means when it declares that God is love. Part of the Theology in Community series. Relationships Made by God Paul M. Stevens, 1999-01-01

Marriages Made in Heaven Dan Evangelist Jones III, 2008-11 Marriage made in heaven is more about what you do than what you say. Many have vowed much but vouched for little. Pastor Dan E. Jones III. Today's thought of marriage is antiquated, out-dated, old school, and believed not necessary or convenient. Television watching has bombarded our minds with images of cheating, broken, uncommitted, selfish, and shackled-up relationships. Also in this 21st-century television programming with its images have fortified itself in the minds of our generation as strongholds nullifying the desire for marriage as well as blinding the appreciation for what God requires in Christian and married relationships. Marriage is the transparency of salvation and salvation of marriage; you can trace relationship troubles in one; it will speak of the identical trouble in the other. Fear not, faithful, through this anointed book God is revealing what he desires to see in married and saved relationships. The cover is blown on the enemy's tactics that cause many to despise holy matrimony and to settle for compromising, convenient, and unholy relationships with God and your spouse. Marriages that are made in heaven and like salvation have their identity and internal workings in Christ. Christ is the Author and Procurer of them both. The copyrights belong to Him; therefore, his divine intent and requirements are still effective and still in effect. When you look at God's redemptive plan for relationships, marriage, and salvation has identical DNA. How do we obtain the type of marriage God has ordained for us? Identify the Twins. Understanding the Engagement Process. Knowing What Love Have to Do With It.

If God Made the Universe, Who Made God? Holman Bible Publishers, 2012-02-01 Perhaps you remember being in a university class feeling frustrated when the respected professor dismissed questions from a student because of her religious faith. Or maybe over a business lunch one of your colleagues referred to Christianity as a fairytale and you said nothing. Many Christians find themselves in such situations but don't speak up because they don't fully realize the strength of their own position. They feel incapable of giving reasons for the hope that is theirs. Christian apologetics is the discipline and growing body of knowledge that equips believers to address their own doubts, to converse with seekers and critics from a position of strength, and to bear witness to Christ with confidence. In the spirit of the title question, *If God Made the Universe, Who Made*

God collects 130 essays written in defense of the Christian faith Contributors include some of the pre eminent apologists of our time from Lee Strobel and Charles Colson to Hank Hanegraaff J P Moreland and Ravi Zacharias The content is grouped into ten topics Apologetics Introductory Issues Jesus Christ Science and Faith Cults and World Religions The Existence of God Ethics Theology The Scriptures Heaven and Hell Evangelism **The Living Church** ,1953 From Adam to Noah-The Numbers Game Leonard Timmons,2012-01-05 The genealogy of Adam in Genesis Chapter 5 is a number puzzle that encodes a fully functional calendar From Adam to Noah The Numbers Game shows you precisely how the Bible writers encoded a calendar into the ages of Adam and his children in Genesis 5 It then goes on to show how the Bible writers designed their calendar puzzle so that anyone who managed to solve it would be certain they had the correct solution Proof of a highly accurate calendar encoded within the numbers of Genesis 5 is a revolution in our understanding of Genesis It allows us to dramatically revise our understanding of the entire Bible To truly understand why a calendar puzzle exists within the Bible we have to explore the reasons why someone several thousand years ago would enshrine a calendar in such an ingenious puzzle That exploration leads to new and insightful interpretations of each of the stories in Genesis 1 to 11 The creation Adam and Eve Abel and Cain Noah s ark the story of Noah and his wife and Tower of Babel story Most of us have been taught that the Bible was written to be understood The existence of the calendar puzzle forces us to recognize that those who wrote the Bible hid things there that they did not want everyone to understand They hid a world view that they never state explicitly We will find that this philosophy inspired them to create the calendar puzzle and that the way they viewed the world is more important and more fascinating than the calendar itself In this book you will experience what it is like to discover something very new hidden within something very old You ll discover that this new thing was ancient knowledge when the Bible was written Remember the story of the pearl of great price A merchant upon finding a pearl of great value sold everything he had and bought it The calendar in Genesis is such a pearl If you re looking don t miss this chance to own one The Story of God's Love Aaron Jensen,2019-07-01 This abridged edition of the Holy Bible Evangelical Heritage Version EHV will help you see the full picture of God s love and plan of salvation for humanity The Bible is at its heart the grand and beautiful story of God s love for you It shows how sin separates you from God and reveals what God has done to restore that broken relationship with you He sent his Son Jesus to save you and all people from sin Drawn directly from the EHV text the accounts in The Story of God s Love are presented without chapter or verse numbers for smooth continuous reading In this book you ll find 250 Bible readings selected from all 66 books of the Bible from Genesis to Revelations including 175 of the most significant Bible stories Brief summaries at the beginning of each reading section Prayers at the end of each reading section 13 Bible history timelines Six maps of Bible lands The Story of God s Love is great for first time Bible readers who want a brief summary of the Bible making it a great resource for veteran Bible readers to go through together with a family member or friend *Cyber Worship in Multifaith Perspectives* Mohamed Taher,2006 Cyber Worship

God's Love: What He Brings You To, He Will Bring You Through Selda Johnson-Nauls,2022-03-29 My poems are meant to inspire uplift and to allow the reader to view life from different

perspectives by delving into the mind of the writer ultimately knowing that if we turn to God and give him the glory and honor our lives will reflect it The decisions we make for our lives often reflect the relationship that we have with God Although we sometimes go through things that we can t control or due to no fault of our own accord no matter what phase our lives are in or what we are going through in our lives God s love for us will remain steadfast and his love for you will be enough to sustain you to bring you out

Works of Love Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded

Moloney, SDB,2023-06-13 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity s earliest days In The Gospel of John Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John s significance for Christianity has been obvious from the time of Irenaeus It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical Councils from Nicaea to Chalcedon What sets this commentary on the Fourth Gospel apart from others is Moloney s particular attention to the narrative design of the Gospel story He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus Through this he demonstrates how the Gospel story articulates a coherent theology christology and ecclesiology *Loving Creation* Gary Chartier,2022-09-27 Is it true that all we need is love Does love capture the essence of Christian ethics Does a love centered ethic need to be impartial in a way that leaves no room at ground level for relationships and projects What is the place of well being in an ethic of love *Loving Creation The Task of Moral Life* seeks to answer these questions by showing how a love ethic and an ethic of creation are not at odds but rather reinforce each other Gary Chartier articulates a love centered creation ethic or a creation centered love ethic and applies it to such issues as sex economic life love for enemies and political order In the book Chartier offers a powerful alternative both to natural law theories that seem to lose sight of the welfare of actual people and to the accounts of Christian love that embrace an alienating impartiality He develops an understanding of Christian love as focused on creation that can contribute effectively to enriching both social practices and personal lives *Loving Creation* is unabashedly theological But the theological considerations it adduces are ones that will allow Christians to engage in the public sphere with adherents of other religious traditions and of none It is a contribution not only to theological understanding but also to personal moral reflection to church practice and to Christian participation in public life *An Exposition of the Several Epistles Contained in the New Testament ... and the Revelation ...* Matthew Henry,1721 **The Book of Common Prayer, and Administration of the Sacraments** Protestant Episcopal church in the United States,1891
