*The Wonder Paradox* Jennifer Michael Hecht, 2023-03-07 The Wonder Paradox offers a lively practical and transcendent road map to meaning and connection through poetry Where do we find magic Peace Connection We have calendars to mark time communal spaces to bring us together bells to signal hours of contemplation official archives to record legacies the wisdom of sages read aloud weekly to map out the right way to live in kindness justice morality These rhythms and structures of society were all once set by religion Now for many religion no longer runs the show So how then to celebrate milestones Find rules to guide us Figure out which texts can focus our

attention but still offer space for inquiry communion and the chance to dwell for a dazzling instant in what can't be said Where really are truth and beauty The answer says The Wonder Paradox is in poetry In twenty chapters built from years of questions and conversations with those looking for an authentic and meaningful life Jennifer Michael Hecht offers ways to mine and adapt the useful aspects of tradition and to replace what no longer feels true Through cultures and poetic wisdom from around the world Sappho Rumi Shakespeare Issa Tagore Frost Szymborska Angelou and others she blends literary criticism with spiritual guidance rooted in the everyday Linking our needs to particular poems she helps us better understand those needs our very being and poetry itself Our capacity for wonder is one of the greatest joys of being human The Wonder Paradox celebrates that instinct and that yearning

**Bruma and the Enchanted Forest** Martin Barajas, 2011-01-14 The day was cold Although the sun was out dark clouds appeared in the distance over the San Gabriel Valley A soft wind blew Rain was expected later in the day All put together it was a beautiful day But in the city of South El Monte there was a group of friends that were turning this beautiful day into a living nightmare in their lives a nightmare from which they would not awake Having just robbed the city bank on the east side of town Rebecca and her four buddies Steve Ricardo Mark and Mike fled scared for the mountains The youngest of the five Mike had been wounded in the robbery Police sirens sounded all around In a desperate measure to hide away from the law they ascended the mountains and drove off the main road into the wild forest There they would come to a valley hidden deep in the mountains a valley hidden to the world where some of their most horrific nightmares were about to come true What happens in this place will blow their minds away literally This was a place where their darkest side would manifest in them and their true friendship would be put to the test This was a place where they would be given the chance to turn around and make things right in their lives However not even the monsters and demons in this forest would deter them from their dark purpose They were willing to lose it all even their lives for the love of money This was a place of magic and wonder a place of horrors and witches This was the place where they would meet Bruma This was the enchanted forest
