Christian Meditation Hans Urs von Balthasar, 1989-01-01 When it comes to meditation the decisive question according to Hans Urs von Balthasar is whether God has spoken or whether the Absolute remains the Silence beyond all words Christianity claims God has spoken and spoken fully in his Son the Word made flesh While God remains mysterious he is not utterly unknown or unknowable Von Balthasar insists through Christian meditation we enter with mind and heart into God's self disclosure In Jesus God reveals his own inner depths to us At the same time because Jesus is God made man he also reveals our inner depths to ourselves Christian Meditation is at once a book about what meditation is in light of God's revelation and a book that assists believers to meditate In a treatment that is both fresh and profound von Balthasar describes the central elements of all Christian meditation provides a guide for meditation and then points the way to the union that prayer achieves in the footsteps of Mary within the Church and in and for the world Christian meditation is entirely trinitarian and at the same time entirely human In order to find God no one need reject being human personally or socially but in order to find God all must see the world and themselves in the Holy Spirit as they are in God's sight Hans Urs von Balthasar

Trent, 2019-01-01 In secular mainstream America meditation has become as ubiquitous as yoga But how does meditation fit into Christianity and how does it differ from prayer One Breath at a Time A Skeptic's Guide to Christian Meditation reframes meditation for those who are skeptical because 1 they doubt their ability to be still and quiet and 2 they doubt the validity of meditation as a Christian spiritual practice Using scripture theology and examples from the early church this book challenges the prayer habits of Christians that leave little room for enough silence to experience and listen for God Using five approaches breath meditation lectio divina centering meditation loving kindness meditation and devotional meditation One Breath at a Time provides a practical 40 day guide to beginning and sustaining a Christian meditation practice in an often chaotic world

The Essence of Christian Meditation William E. DeWitt, 2010-12: *Christians, Have you ever been told that meditation is not Christian or that it has no biblical basis? Do you long for a deeper and more personal relationship with God? Today's Christians have too often misunderstood meditation and its place in their faith tradition. Many of us have heard that meditation belongs only to Buddhism or other Eastern spiritual practices. In this short volume, William E. DeWitt outlines the scriptural basis for meditation and how it allows us to find the Holy Spirit within ourselves. We spend most of our time in our busy minds, but meditation leads us from our minds to our hearts, where Christ lives. Unlike basic meditation, which is often centered on the self, Christian meditation helps us make Christ the center of our lives. It is not a technique, DeWitt emphasizes, but a spiritual discipline. A lifelong Christian, DeWitt discovered later in life that regular meditation adds a rich dimension to his faith, enhancing his understanding of the Bible and deepening his relationship, not only with God but with those around him. In simple, straightforward language, he demystifies meditation practice: the greatest experience of God's grace he has ever known, besides salvation itself. If you are seeking a more peaceful heart and greater spiritual fulfillment, learn more about what DeWitt calls this gift from God.*

[Yoga for Christians](#) Susan Bordenkircher, 2006-04-09: *When God gave Susan Bordenkircher the vision for her yoga-based Christian ministry, Outstretched in Worship, she truly believed she was stepping into uncharted territory. And while God has used her ministry as a pioneer of sorts in this movement, she was amazed to see the level of*

interest and involvement that already existed She quickly learned that there are approximately 15 million people in this country practicing yoga and fully 50 60 percent of them say they come from a church background In fact many churches Christian retreats and denominational conventions are incorporating yoga as one creative approach to cultivating a quiet receptive spirit and deep prayer life After producing several top selling Christ centered yoga instructional videos Susan now brings her unique form of exercise stretching and prayerful praise to a market eager for yoga that is centered around Christ and not eastern forms of meditation She has even included a full length instructional workout DVD for readers to follow along with
