Top reviews from Amazon United States: Patanelle: This Book Builds Faith. Reviewed in the United States on January 14, 2021. Verified Purchase. What an incredible story! The story of a young boy growing up in Africa and losing everything to follow his faith is enthralling enough, yet this book is also a wealth of information for those who need healing and for those who have the desire to heal others through the power of God. If you've ever wanted to know the key to receiving or performing the same kind of miracles that occurred during the time of Jesus, this is the book for you. The information in this book offers hope to those who are hurting, and it will build your faith if you've been knocked down by circumstances. Could not put this book down. This book belongs in the library of every church and would be a good tool to use in church classes on how to receive today the same kind of healing and miracles that occurred in the Bible during the time of Jesus. This is a good read.
