Religion And Gender:

Sex, Gender and the Sacred Joanna de Groot, Sue Morgan, 2014-04-03 Sex Gender and the Sacred presents a multi faith multi disciplinary collection of essays that explore the interlocking narratives of religion and gender encompassing 4 000 years of history Contains readings relating to sex and religion that encompass 4 000 years of gender history Features new research in religion and gender across diverse cultures periods and religious traditions Presents multi faith and multi disciplinary perspectives with significant comparative potential Offers original theories and concepts relating to gender religion and sexuality Includes innovative interpretations of the connections between visual verbal and material aspects of particular religious traditions Religion, Gender and Citizenship Line Nyhagen, B. Halsaa, 2016-04-29 How do religious women talk about and practise citizenship How is religion linked to gender and nationality What are their views on gender equality women s movements and feminism Via interviews with Christian and Muslim women in Norway Spain and the UK this book explores intersections between religion citizenship gender and feminism *Gender and Religion* Kari Elisabeth Børresen, Sara Cabibbo, Edith Specht, 2001 Gender, Religion and Diversity Ursula King, Tina Beattie, 2005-12-01 Gender Religion and Diversity provides an introduction to some of the most challenging perspectives in the contemporary study of gender and religion In recent years women s and gender studies have transformed the international study of religion through the use of interdisciplinary and cross cultural methodologies which have opened up new and highly controversial issues challenging previous paradigms and creating fresh fields of study As this book shows gender studies in religion raises new and difficult questions about the gendered nature of religious phenomena the relationship between power and knowledge the authority of religious texts and institutions and the involvement and responsibility of the researcher undertaking such studies as a gendered subject This book is the outcome of an international collaboration between a wide range of researchers from different countries and fields of religious studies The range and diversity of their contributions is the very strength of this book for it shows how gendering works in studying different religious materials whether foundational texts from the Bible or Koran philosophical ideas about truth essentialism history or symbolism the impact of French feminist thinkers such as Irigaray or Kristeva or again critical perspectives dealing with the impact of race gender and class on religion or by deconstructing religious data from a postcolonial critical standpoint or examining the impact of imperialism and orientalism on religion and gender **Love, Sex and Gender in the World Religions** Nancy M. Martin, Joseph Runzo, 2000-08 This new volume offers enlightening new perspectives on the roles of love sex and gender in different faiths and covers issues from gender politics to religious ecstasy *Religion, Gender and Sexuality in Everyday Life* Peter Nynäs, 2016-04-08 Exploring the intersection between religion gender and sexuality within the context of everyday life this volume examines contested identities experiences bodies and desires on the individual and collective levels With rich case studies from the UK USA Europe and Asia Religion Gender and Sexuality in Everyday Life sheds light on the manner in which individuals

appropriate negotiate transgress invert and challenge the norms and models of various religions in relation to gender and sexuality and vice versa Drawing on fascinating research from around the world this book charts central features of the complexities involved in everyday life examining the messiness limits transformations and possibilities that occur when subjectivities religious and cultural traditions and politics meet within the local as well as transnational contexts As such it will be of interest to scholars of sociology anthropology geography and cultural studies examining questions of religion and spirituality gender and sexuality and individual and collective identities in contemporary society

Religion, Gender and Citizenship, 2016 Through interviews with Christian and Muslim women in Norway Spain and the United Kingdom this book explores intersections between religion citizenship gender and feminism How do religious women think about citizenship and how do they practice citizenship in everyday life How important is faith in their lives and how is religion bound up with other identities such as gender and nationality What are their views on gender equality women's movements and feminism The answers offered by this book are complex Religion can be viewed as both a resource and a barrier to women's participation The interviewed women talk about citizenship in terms of participation belonging love care tolerance and respect Some seek gender equality within their religious communities while others accept different roles and spaces for women Natural differences between women and men and their equal value are emphasized more than equal rights Women's movements are viewed as having made positive contributions to women's status but interviewees are also critical of claims related to abortion and divorce and of feminism's allegedly selfish unwomanly anti men and power seeking stance In the interviews Christian privilege is largely invisible and silenced while Muslim disadvantage is both visible and articulated Line Nyhagen and Beatrice Halsaa unpack and make sense of these findings discussing potential implications for the relationship between religion gender and feminism

Religion, Gender, and the Public Sphere Niamh Reilly, Stacey Sriver, 2013-11-26 The re emergence of religion as a significant cultural social and political force is not gender neutral Tensions between claims for women's equality and the rights of sexual minorities on one side and the claims of religions on the other side are well documented across all major religions and regions It is also well recognized in feminist scholarship that gender identities and ethno religious identities work together in complex ways that are often exploited by dominant groups Hence a more comprehensive understanding of the changing role and influence of religion in the public sphere more widely requires complex multidisciplinary and comparative gender analyses Most recent discussion on these matters however especially in Europe has focused primarily on the perceived subordinate status of Muslim women These debates are a reminder of the deep interrelation of questions of gender identity human rights and religious freedom more generally The relatively narrow albeit important purview of such discussions so far however underscores the need to extend the horizon of enquiry vis vis religion gender and the public sphere beyond the binary of Islam versus the West Religion Gender and the Public Sphere moves gender from the periphery to the centre of contemporary debates about the role of religion in public and political life

It offers a timely multidisciplinary collection of gender focused essays that address an array of challenges arising from the changing role and influence of religious organisations identities actors and values in the public sphere in contemporary multicultural and democratic societies

Gender and the Language of Religion A. Jule, 2005-07-31 This book contributes to an understanding of the complex relationship of gender and language alongside religion and religious life as experienced by various religious groups around the world The intention is to put forward current studies in the field of linguistics and explore how gender and various religions intersect with language use The universal and diverse experience of religion provides for this unique collection of papers concerning the use of language in religious liturgy in religious communities and in interaction with identity As such the book will attract students and researchers in discourse gender studies and religious studies

Gender and Development Alice Peace Tuyizere, 2007 Religion is defined by the author in terms of religious and cultural concepts She explains the impact of religion and culture on gender and development in a patriarchal society The assumptions theories and philosophies related to gender and their impact on women in the development process are discussed Gender is viewed from a historical perspective focusing on the gendered differentiation of roles and societal expectations and relates this to violence and HIV AIDS before dealing with gender within the context of development concerns She also discusses the dominant faiths including Hinduism Confucianism Judaism Christianity Islam the Baha'i Faith and the various religions of the Near East as well as those of ancient Greece and Rome The study also deliberates on women's liberation movements and addresses issues of gender empowerment and development Finally it emphasizes the needs for gender mainstreaming in all government and NGO programmes to ensure that gender concerns and imbalances are addressed Alice P Tuyizere teaches Religious Education Methods in the School of Education at Makerere University

The Religion-Gender Nexus in Development Nora Khalaf-Elledge, 2021-07-28 This book illuminates the intersection of religion and gender within the development sector exposing challenges in both policy and practice and suggesting implementable solutions This book argues that a better understanding of the religion gender nexus is needed by development sector practitioners especially at a time when religious arguments are being used around the world to justify gender inequality and violence against women The book draws on extensive qualitative research with senior gender personnel religion advisors and implementation partners from across the largest bilateral development agencies The nexus is considered from the grassroots level up to donor country politics and across key themes such as gender based violence reproductive rights unpaid care and domestic work and women's participation in leadership roles The book concludes by offering implementable solutions for practitioners to address the religion gender nexus in a more meaningful way Bridging the gap between academic theory and day to day development practice this book is an important reference for development practitioners and for researchers from across development studies gender studies and religious studies

The Routledge Handbook of Religion, Gender and Society Caroline Starkey, Emma Tomalin, 2021-12-30 In an era which many now recognise as post secular the role that

religions play in shaping gender identities and relationships has been awarded a renewed status in the study of societies and social change In both the Global South and the Global North in the 21st century religiosity is of continuing significance not only in people s private lives and in the family but also in the public sphere and with respect to political and legal systems The Routledge Handbook of Religion Gender and Society is an outstanding reference source to these key topics problems and debates in this exciting subject area Comprising over 40 chapters by a team of international contributors the Handbook is divided into 3 parts Critical debates for religions gender and society theories concepts and methodologies Issues and themes in religions gender and society Contexts and locations Within these sections central issues debates and problems are examined including activism gender analysis intersectionality and feminism oppression and liberation equality bodies and embodiment space and place leadership and authority diaspora and migration marriage and the family generation and aging health and reproduction education violence and conflict ecology and climate change and the role of social media The Routledge Handbook of Religion Gender and Society is essential reading for students and researchers in religious studies and gender studies The Handbook will also be very useful for those in related fields such as cultural studies area studies politics sociology anthropology and history

Women, Religion, and Space Karen M. Morin, Jeanne Kay Guelke, 2007-06-01 This volume studies females who practice or interact with gender norms of Christianity Judaism and Islam in relation to the geography of place The book focuses on attempts by religious and secular authorities to control women s access to distinct spaces to show how religious women navigate harsh terrain and attain mobility within established institutions The writings are grouped under three sections Women and Colonial Regimes Religion and Women s Mobility and New Spaces for Religious Women Secular critical and comparative viewpoints are explored with much of the scholarship steeped in fieldwork i e an orthodox district in Jerusalem a shopping mall in Istanbul women travelers in Pakistan and Korean immigrant women in Los Angeles Contributors broaden notions of space to extend beyond architecture national borders external and internal boundaries and assorted identifying markers such as race or clothing In examining a new aspect of space geography these essays promote challenge irony and unexpected avenues of thought Multi cultural and international in scope this work makes a significant groundbreaking contribution to the field of geography

The Bloomsbury Reader in Religion, Sexuality, and Gender Donald L. Boisvert, Carly Daniel-Hughes, 2016-11-03 How do religion gender and sexuality interact How have they impacted and continue to impact human culture The Bloomsbury Reader in Religion Sexuality and Gender brings together for the first time the key texts in the field Designed as a textbook for use in a classroom setting it offers thought provoking selections of some of the most compelling and timely readings available today The Reader is divided into three parts bodies desires performances Each considers from a thematic perspective the ways in which people have made sense of their religious and

sexual experiences the ways they imagine and talk about gender sex and the sacred and the multiple meanings they ascribe to them Traditions represented include indigenous spiritualities Christianity Judaism Islam Asian traditions and new religious movements Some readings are more theoretical or historical in nature thereby providing wide ranging contexts for reflection and discussion The reader includes extensive introductions to the book as a whole and to each of the three parts as well as short paragraphs contextualizing each of the readings Each section includes discussion questions for classroom use additional readings and resources as well as a glossary of key terms are also provided The Bloomsbury Reader in Religion Sexuality and Gender is an ideal resource for courses on religion and sexuality religion and gender or religion and contemporary culture more generally

Contemporary Encounters in Gender and Religion Lena Gemzöe, Marja-Liisa Keinänen, Avril Maddrell, 2016-11-16 The fields of gender and religious studies have often been criticized for neglecting to engage with one another and this volume responds to this dearth of interaction by placing the fields in an intimate dialogue Taking a multi disciplinary approach and drawing on feminist scholarship the book undertakes theoretical and empirical explorations of relational and co constitutive encounters of gender and religion Through varied perspectives the chapters address three interrelated themes religion as practice the relationship between religious practice and religion as prescribed by formal religious institutions and the feminization of religion in Europe

Religion, Gender and Race in Western European Arts and Culture Nella van den Brandt, 2024-02-26 This book examines narratives of individual religious transformation in Western European literature and culture Religious individuals themes experiences and communities are widely represented in diverse literature and culture including literary texts and visual arts and media Taking the subject of religious transformation as an angle from which to study constructions of religion gender and race this book reveals through various case studies what authors documentary makers film makers and playwrights consider to be important possible shifts between the old and the new continuities and discontinuities and the formation of the self The chapters demonstrate how individual religious transformations are understood to be shaped by various intersections of difference and point at the need to consider gender as always related to and co constructing religion and race This transdisciplinary and intimate study provides a fresh lens through which to examine pressing questions regarding the place and future of religion gender and race in contemporary Western Europe The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

The Bloomsbury Handbook of Religion, Gender and Sexuality Sonya Sharma, Dawn Llewellyn, Sîan Hawthorne, 2024-06-13 Bringing together disciplines across the arts humanities and social sciences this Handbook presents novel and lively examinations of the dynamic ways religion gender and sexuality operate Applying feminist intersectional and reflexive approaches the volume aims to loosen imperialist and exclusionary figurations that have underwritten and tethered religion gender and sexuality together While holding onto the field of inquiry the Handbook offers contributions that

interrogate and untie it from the terms and conditions that have formed it The volume is organized into thematic sections Forces and Futures Activisms and Labors Agencies and Practices Relationships and Institutions Texts and Objects Chapters range across religious geographical historical political and social contexts and feature an array of case studies experiences and topics that exemplify the reflexive intention of the volume including explorations of race whiteness colonialism and the institutional intolerance of minority groups Contributors also advance new areas of research in religion including artificial intelligence farming migrant mothering child sexual abuse mediatization national security legal frameworks addiction and recovery decolonial hermeneutics creative arts sport sexual practices and academic friendship This is an essential contribution to the fields of religious studies and gender and sexuality studies **Sex, Gender, and Religion** Diana Neal, Josephine Elizabeth Grey Butler, 2006 Original Scholarly Monograph **Feminism and Religion** Rita M. Gross, 1996 Rita M Gross offers an engaging survey of the changes feminism has wrought in religious ideas beliefs and practices around the world as well as in the study and understanding of religion itself This book will be an important resource for all ongoing work in feminist teaching and research in religion Rosemary Radford Ruether
