Religion and Public Life in Canada Marguerite Van Die,2001 *Baptists and Public Life in Canada* Gordon L. Heath,Paul R. Wilson,2012-02-02 Public discussion about the relationship between religion and public life in Canada can be heated at times and scholars have recently focused on the historical study of the many expressions of this relationship The experience of Canada s smaller Protestant Christian groups however has remained largely unexplored This is particularly true of Canada s Baptists This volume the first produced by the Canadian Baptist Historical Society explores the connections between Baptist faith and Baptist activity in the public domain and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs attitudes perspectives and actions related to the relationship between Baptist faith and practice and public life

Anti-Catholicism and British Identities in Britain, Canada and Australia, 1880s-1920s Geraldine Vaughan,2022-09-23 Recent debates about the definition of national identities in Britain along with discussions on the secularisation of Western societies have brought to light the importance of a historical approach to the notion of Britishness and religion This book explores anti Catholicism in Britain and its Dominions and forms part of a notable revival over the last decade in the critical historical analysis of anti Catholicism It employs transnational and comparative historical approaches throughout thanks to the exploration of relevant original sources both in the United Kingdom and in Australia and Canada several of them untapped by other scholars It applies a four nations approach to British history thus avoiding an Anglocentric viewpoint

Religion, Family, and Community in Victorian Canada Marguerite Van Die,2006-01-19 Van Die a sympathetic and perceptive observer and a gifted and deft interpreter describes the lives of the Colbys of Carrollcroft members of Canada s emerging economic elite who were active in the local community public life and politics drawing attention to the links connecting domestic religion and private life business concerns and social change in one family s life over three generations

Boundless Dominion Denis McKim,2017-11-30 In the twenty

first century the word Presbyterian is virtually synonymous with austere and parochial. These associations are by no means historically unfounded as early Canadian Presbyterians insisted on Sabbath observance and had a penchant for inter and intra denominational disagreement. However many other ideas circulated within this religious community's collective psyche. *Boundless Dominion* delves into the elaborate worldview that galvanized nineteenth century Canadian Presbyterianism. Denis McKim uncovers a vibrant print culture and Presbyterian support for such initiatives as Indigenous evangelism, temperance advocacy and anti slavery activism and finds that many of the denomination's characteristics contrast sharply with its dour and quarrelsome reputation. Tracing the themes of providence, politics, nature and history in Presbyterian communities across five provinces from Prince Edward Island, Nova Scotia and New Brunswick to Lower and Upper Canada, this book reveals that at the heart of this denomination lay a desire to facilitate God's dominion and to promote Protestant piety across northern North America and beyond. Through an innovative approach to the study of religious ideas, *Boundless Dominion* highlights the permeability of borders and the myriad ways in which nineteenth century Canada, including its Presbyterian community, shaped and was shaped by interactions with the wider world.

Constructing National Identity in Canadian and Australian Classrooms Stephen Jackson, 2018-06-06. This book explores the evolution of Canadian and Australian national identities in the era of decolonization by evaluating educational policies in Ontario, Canada and Victoria, Australia. Drawing on sources such as textbooks and curricula, the book argues that Britishness, a sense of imperial citizenship connecting white Anglo Saxons across the British Empire, continued to be a crucial marker of national identity in both Australia and Canada until the late 1960s and early 1970s when educators in Ontario and Victoria abandoned Britishness in favor of multiculturalism. Chapters explore how textbooks portrayed imperialism, the close relationship between religious education and Britishness, and efforts to end assimilationist Anglocentrism and promote equality in education. The book contributes to British World scholarship by demonstrating how decolonization precipitated a massive search for identity in Ontario and Victoria that continues to challenge educators and policy makers today.

China's Millions Austin, 2007-03-05. Banner carrying Salvation Army marchers, stone silent Quakers, jumpy Midwestern revivalists and Prayer book Anglicans all made up the mixed multitude sent to the Middle Kingdom by the China Inland Mission (CIM) in the nineteenth century. In *China's Millions*, veteran historian Alwyn Austin crafts a compelling narrative of the sprawling history of the China Inland Mission. This book introduces readers to a remarkable array of sights from the visionary charismatic sect leader Pastor Hsi to the wordless book, a missionary teaching device that fit perfectly with Chinese color cosmology to the opium soaked aftermath of the North China Famine of 1877-79. Clear, readable and well researched, *China's Millions* digs deeply into the Chinese and Western past to tell a story of the strange yet hopeful result of two cultures colliding. Publisher: **A Church with the Soul of a Nation** Phyllis D. Airhart, 2014-01-01. As Canadian as the maple leaf is, how one observer summed up the United Church of Canada after its founding in 1925. But was this Canadian made church flawed in its design, as critics have charged? *A Church with the Soul of a*

Nation explores this question by weaving together the history of the United Church with a provocative analysis of religion and cultural change

The Good Fight Brendan Kelly, 2019-11-01 Before official bilingualism was established in 1969 francophones were scarce in the Canadian public service Marcel Cadieux was one of the few becoming arguably the most important francophone diplomat and civil servant in Canadian history Brendan Kelly's insightful entertaining biography draws on extensive archival research and interviews to reveal a complex figure Cadieux held the nationalist views of many young French Canadians in the 1930s yet he made the distinctly unconventional decision to join the Department of External Affairs in 1941 Public service became the vocation of this blunt funny strong minded and sometimes undiplomatic diplomat Against the backdrop of rising Quebec separatism and the Cold War he headed the department from 1964 to 1970 and served as Canada's first francophone ambassador to the United States from 1970 to 1975 Cadieux's profound belief in the dignity of service speaks eloquently to readers today when professionalism and expertise are often undervalued

Canadian Churches and the First World War Gordon L. Heath, 2014-01-13 Most accounts of Canada and the First World War either ignore or merely mention in passing the churches experience Such neglect does not do justice to the remarkable influence of the wartime churches nor to the religious identity of the young Dominion The churches support for the war was often wholehearted but just as often nuanced and critical shaped by either the classic just war paradigm or pacifism's outright rejection of violence The war heightened issues of Canadianization attitudes to violence and ministry to the bereaved and the disillusioned It also exacerbated ethnic tensions within and between denominations and challenged notions of national and imperial identity The authors of this volume provide a detailed summary of various Christian traditions and the war both synthesizing and furthering previous research In addition to examining the experience of Roman Catholics English and French speaking Anglicans Presbyterians Methodists Baptists Lutherans Mennonites and Quakers there are chapters on precedents formed during the South African War the work of military chaplains and the roles of church women on the home front
