Religion And Economic Justice

Jackie M. Smith

Religion And Economic Justice:

Religion and Economic Justice Michael Zweig, 1992-08-11 Original essays by distinguished contributors from economics religious ethics and biblical studies *Do Justice* Rebecca M. Blank, 1992 For individuals as well as lay study groups this resource presents a much needed blend of theology and economics for all Christians interested in responding practically compassionately and justly to difficult economic realities *What Does the Lord Require?* Stephen Hart, 1996 From the support given to Reagan and Bush's conservative economic agenda by the Religious Right to the questioning of some features of American capitalism by the Catholic Bishops Christians have been highly visible in the public forum during the last decade In *What Does the Lord Require* Stephen Hart shows that the views on economic issues held by less vocal Christians are also grounded in deeply held religious beliefs For these grass roots Christians Hart writes faith lays the foundation for views that range from staunchly conservative to radical Hart paints a rich portrait of how everyday Christians actually connect their faith to such issues as economic equality government intervention and the rights of private enterprise Drawing on lengthy interviews he makes a comprehensive analysis of forty seven diverse Christians Roman Catholics Pentecostals mainline Protestants Jehovah's Witnesses and others who range from manual laborers to corporate executives from conservatives to socialists The results are sometimes surprising On economic issues Hart shows evangelicals and fundamentalists are at least as liberal as mainline Protestants One Missionary Alliance member for example bases her populist views on the ideas that we are all children of God and God favors the lowly Many traditionalists come to liberalism through the belief that economic life should be governed by an ethical vision not just market forces Modernists on the other hand often desire an unbridled free market out of concern to maximize individual freedom Hart identifies five themes from Christian tradition voluntarism universalism love thisworldliness and otherworldliness that respondents repeatedly draw upon when they think about economic justice issues He shows how these themes are used to support both conservative and liberal views arguing that Christianity is a terrain of debate with no single inherent set of political implications let alone the monolithic conservative ones promoted by the Christian Right In fact he writes the respondents tend to speak in more liberal terms when they articulate the social implications of faith than when they talk about economic issues in purely secular terms Christian faith thus provides many Americans with a vision that can contribute to change in the direction of greater equality community and economic justice Most Americans are members of Christian churches and the last decade has shown the tremendous impact politically active Christians can have In *What Does the Lord Require* Stephen Hart offers a new understanding of how faith shapes the capacity of grass roots Christians to participate in public debate about economic life

Religious Values and Economic Justice Data Center (Oakland, Calif.), 1985 **Tenth Anniversary Edition of Economic Justice for All** Catholic Church. National Conference of Catholic Bishops, 1997 This tenth anniversary edition of the landmark pastoral letter includes both *A Decade After Economic Justice for All* and *A Catholic Framework for Economic Life*

Economic Justice and the State Ronald H. Nash,1986-01-01 Women, Faith, and Economic Justice Jackie M. Smith,1985-01-01 **Religion and the Obligations of Citizenship** Paul J. Weithman,2002-08-15 In Religion and the Obligations of Citizenship Paul J Weithman asks whether citizens in a liberal democracy may base their votes and their public political arguments on their religious beliefs Drawing on empirical studies of how religion actually functions in politics he challenges the standard view that citizens who rely on religious reasons must be prepared to make good their arguments by appealing to reasons that are accessible to others He contends that churches contribute to democracy by enriching political debate and by facilitating political participation especially among the poor and minorities and as a consequence citizens acquire religiously based political views and diverse views of their own citizenship He concludes that the philosophical view which most defensibly accommodates this diversity is one that allows ordinary citizens to draw on the views their churches have formed when voting and offering public arguments for their political positions **Economic Justice for All** Catholic Church. National Conference of Catholic Bishops,1986 **Theology, Third World Development, and Economic Justice** Fraser Institute (Vancouver, B.C.),1985 Papers from a conference sponsored by the Fraser Institute and others held Dec 4 1983 at the University of Regina The Almighty and the Dollar Mark J. Allman,2012 Drawing on the U S Catholic bishops 1986 statement Economic Justice for All The Almighty and the Dollar presents the Christian perspective on economic justice as it pertains to the contemporary economy In addition to substantial extracted portions of the bishops 1986 statement that are particularly relevant to today s economic situation The Almighty and the Dollar includes chapters on globalization welfare reform racism immigrant justice and more Both practical and theoretical in content The Almighty and the Dollar serves as an aid for anyone interested in reflecting further upon ethical values and economic justice **Religion and Cooperative Economics** Jamin Andreas Hübner,2025-07-09 This volume looks at the intersection between religion and cooperative economics through the lens of economic justice It covers world religious traditions and gives particular focus to cooperative organization the social and economic problems of capitalism and the earliest Christian tradition of the Jesus movement It also examines religious and theological discourse in contemporary defenses of neoliberal capitalism and contemporary advocates of cooperatives The book serves to unfold both how and why cooperative economics can and should supplant traditional employer employee relationships a pillar of modern capitalism and revive interest in cooperation worker solidarity and significant social and political reforms **The Oxford Handbook of Religion, Conflict, and Peacebuilding** Atalia Omer,R. Scott Appleby,David Little,2015-03-02 This volume provides a comprehensive and interdisciplinary account of the scholarship on religion conflict and peacebuilding Looking far beyond the traditional parameters of the field the contributors engage deeply with the legacies of colonialism missionary activism secularism orientalism and liberalism as they relate to the discussion of religion violence and nonviolent transformation and resistance Featuring numerous case studies from various contexts and traditions the volume is organized thematically into five different parts It begins with an up to date mapping of

scholarship on religion and violence and religion and peace The second part explores the challenges related to developing secularist theories on peace and nationalism broadening the discussion of violence to include an analysis of cultural and structural forms In the third section the chapters explore controversial topics such as religion and development religious militancy and the freedom of religion as a keystone of peacebuilding The fourth part locates notions of peacebuilding in spiritual practice by focusing on constructive resources within various traditions the transformative role of rituals youth and interfaith activism in American university campuses religion and solidarity activism scriptural reasoning as a peacebuilding practice and an extended reflection on the history and legacy of missionary peacebuilding The volume concludes by looking to the future of peacebuilding scholarship and the possibilities for new growth and progress Bringing together a diverse array of scholars this innovative handbook grapples with the tension between theory and practice cultural theory and the legacy of the liberal peace paradigm offering provocative elastic and context specific insights for strategic peacebuilding processes

The Oxford Handbook of Religion and American Politics Corwin E. Smidt, Lyman A. Kellstedt, James L. Guth, 2017 Over the past three decades the study of religion and politics has gone from being ignored by the scholarly community to being a major focus of research Yet because this important research is not easily accessible to nonspecialists much of the analysis of religion's role in the political arena that we read in the media is greatly oversimplified This Handbook seeks to bridge that gap by examining the considerable research that has been conducted to this point and assessing what has been learned what remains unsettled due to conflicting research findings and what important questions remain largely unaddressed by current research endeavors The Handbook is unique to the field of religion and American politics and should be of wide interest to scholars students journalists and others interested in the American political scene

Religion and Development in Africa Ezra Chitando, Masiwa Ragies Gunda, Lovemore Togarasei, 2020-06-09 What is development Who defines that one community/country is developed while another community/country is underdeveloped What is the relationship between religion and development Does religion contribute to development or underdevelopment in Africa These and related questions elicit quite charged reactions in African studies development studies political science and related fields Africa's own history including the memory of marginalisation slavery and exploitation by global powers ensures that virtually every discussion on development is characterised by a lot of emotions and conflicting views In this volume scholars from various African countries and many different religions and denominations contribute to this debate

Encyclopedia of Women and Religion in North America, Set Rosemary Skinner Keller, Rosemary Radford Ruether, Marie Cantlon, 2006-04-19 A fundamental and well illustrated reference collection for anyone interested in the role of women in North American religious life

Sourcebook of the World's Religions Joel Beversluis, 2011-02-08 Now in its third edition this is the most comprehensive work available on the rich variety of paths available to today's spiritual seekers More than an academic reference it explores how religions can collaborate to help the world Essays exploring the realm of building an interfaith

community add to the book's detailed portraits of the major religious traditions. The Sourcebook also contains essays on spiritual practices as diverse as theosophy, wicca, and indigenous religions. This revised edition of the Sourcebook offers an unparalleled look at where spirituality is headed in the coming millennium. Catholic Social Teaching and Economic Theory Mary E. Hobgood, 1991-01-01 Drawing upon a lively debate within the field of social theory, Mary E. Hobgood argues that the paradigm conflict between orthodox neoclassical and radical economic models is reflected in Catholic documents that address economic justice. She maintains that dynamics within Catholic teaching are explicable only in terms of this clash of fundamentally opposing perspectives. This study shows how normative values of social justice are always tied to a particular social theory or model of society. When assumptions shift from one model to another, the concrete actions mandated by these justice norms change significantly. Consequently, the Catholic social justice tradition contains not only two mutually exclusive analyses of capitalist dynamics; it also has very different interpretations of such norms as economic democracy and a preferential notion for the poor. Hobgood argues that the Church needs to clarify the economic models that inform its social justice mandates and to assess those models for their compatibility with the Church's moral concerns; otherwise, Catholic social teaching's interpretations of justice and how Christians must act for it remain inconsistent. **The Political Role Of Religion In The United States** Stephen D. Johnson, Joseph B. Tamney, 2019-07-11 The political importance of Christian churches in the 1980s is the focus of this wide-ranging book of readings. Contributors begin by placing the current involvement of religious groups in politics in historical perspective and then analyze the politics and ideologies of both the religious right and religious left. They also explore specific issues including the separation of church and state, the impact of religious interest groups on public policy, religion and abortion, and feminist theological views. **The Charismatic City and the Public Resurgence of Religion** N. Wariboko, 2014-09-11 Two powerful and interrelated transnational cultural expressions mark our epoch: Charismatic spirituality and global city. This book demonstrates how these two forces can be used to inform ethical design of cities and their common social lives to best support human flourishing, spirituality, and social and ecological wellbeing of their residents.

While this might not be the Religion And Economic Justice full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religion And Economic Justice eBooks, including some popular titles.

FAQs About Religion And Economic Justice Books

What is a Religion And Economic Justice PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to

view or print it. **How do I create a Religion And Economic Justice PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion And Economic Justice PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion And Economic Justice PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion And Economic Justice PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
