Second Paradise:

The Revelation of Jesus Christ Alfred J. Chomppff Pastor, 2013 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book **The Revelation of Jesus Christ** Alfred J. Chomppff, 2013-05-07 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book A Place Called Heaven E. M. Bounds, 2003-11-01 If heaven is truly a paradise where God dwells we should desire it more than anything on this frail fleeting earth The trials and difficulties of life should each be seen in light of the coming glory of heaven Unfortunately we rarely view things from this perspective Our schedules are filled with the present allowing no time for contemplating or desiring eternity Our incorrect perspective makes us spend our time on the least important things while ignoring those things that are most crucial Take a break from the present and let E M Bounds help you discover A Place Called Heaven Examining virtually all the Scriptures that pertain to heaven Bounds masterfully explains the nature of heaven and our purpose in it Get a taste of heaven here on earth learn a true Christian attitude toward eternity and discover a purer truer life **The Ancient Unconscious** Vered Lev Kenaan, 2019-05-08 In the field of classical studies the psychoanalytic construction of the unconscious is rarely regarded as a fruitful methodological concept Commonly understood as a modern conceptual invention rather than the discovery of a psychic reality the notion of the unconscious is often criticized as an anachronistic lens one that ineluctably subjects ancient experience to modern patterns of thought The Ancient Unconscious seeks to challenge this ambivalent theoretical disposition toward the psychoanalytic concept and reclaim the value of the unconscious as a methodological tool for the study of ancient texts by transforming our understanding of what the unconscious means the way it operates and how it relates to textual hermeneutics It considers the debate over whether the ancients had an unconscious as an invitation to rethink the relationship between antiquity and modernity investigating the meaning of textuality through contact between historical

moments that have no priority under the law of chronology associations and connections between the past and its future including the present belong to the sphere of the unconscious which is primarily employed here in order to study the inherent often hidden links that bind modernity to classical antiquity and modern to ancient experiences Drawing on an incisive examination of the complicated often conflicted relationship between classical studies and psychoanalytic theory the volume aims to explain why the concept of the unconscious is in fact inseparable from and crucial for the study of the ancient text and more generally the methodology of classical philology

Fractured Frontiers Mónica Jato, John Klapper, 2020 A comparative study of inner and territorial forms of literary exile under Nazism and Francoism proposing an integrative model of exile that emphasizes common approaches and themes rather than division

Wilhelminism and Its Legacies Hartmut Pogge von Strandmann, 2003 What was distinctive and distinctively modern about German society and politics in the age of Kaiser Wilhelm II In addressing this question these essays assemble cutting edge research by fourteen international scholars Based on evidence of an explicit and self confidently bourgeois formation in German public culture the contributors suggest new ways of interpreting its reformist potential and advance alternative readings of German political history before 1914 While proposing a more measured understanding of Wilhelmine Germany's extraordinarily dynamic society they also grapple with the ambivalent cross cutting nature of German modernities and reassess their impact on long term developments running through the Wilhelmine age

Compendium Creationis: The Universal Symbolism of Aquarius Genesis Pierre Martin, 2018-08-20 In the Beginning when nothing was created yet God created NUMBER Classical Occultism i e Spiritual Tradition very often rests on imitation of old usages and forgotten rituals or on texts and images the inner i e esoteric content of which is recognized only by Initiates This most typically applies for old sacred scriptures where cosmic and supracosmic processes are commented on under the veils of ciphers myths pseudo history and tales about countries or family clans Creation myths of all cultures throughout space and time most clearly illustrate this fact They report how a God or a community of gods conjure out of nothing a Universe along with its physical and spiritual processes that are usually consciously perceived again only by Initiates Modern Science since the century of Enlightenment has always tried to supplant such myths by so called objective discoveries and facts However it has become clear more and more that those scientific views are just another myth but which remains blind to the essence of things namely to what we call Spirit Light and Life The popular myth of the Big Bang so typical for noise and aggression in our modern world is the grossest cankerous outgrowth thereof The present book brings a Genesis in twelve Theses in a modern language on the basis of the simplest symbols ever Its elucidations by P Martin occasionally using some neologisms for relations never described before include the paradigmata of oldest myths but in the meantime formulate a consequent synthesis of modern Physics and classic spirituality It also shows where the fundamental Hermetic laws come from how divine idea forms grow into material realities how the Kingdoms of Nature came forth and the principles of the spiritual Path of Transfiguration leading to the redemption of Humanity Besides

the Aquarius Genesis this book contains two tales in a typical mythic style making visible the inner Plan of the Universe along with a scenic dialogue and a classic philosophical treatise About the Essence of Being is a modern theory of ideas which authored 60 years ago already achieves to reduce all processes to vibration cycles and to Energy Numerous pictures some of them full page and in depth Notes explaining further the text and images complete this book An international review comments Thus it must be Old Truths of the Past are being confirmed by the new Truths of today **MLN.** ,1900 Provides image and full text online access to back issues Consult the online table of contents for specific holdings **The Kingdom** Witness Lee,1980-12-01 Although the kingdom occupies a very crucial position in the Bible many Christians have not understood it properly accurately or adequately The messages in this book given in a conference in 1972 in Los Angeles present mainly the life side of the kingdom While some chapters touch the doctrinal and objective side the primary burden is the life side May these chapters cause the Lord s children to soberly consider their responsibility toward the kingdom and to aspire to live today in the reality of the kingdom by the divine life so that they may enter into the enjoyment of the kingdom in its manifestation with the Lord in the coming age The Book of Revelation Linda Toms,2004-09-07 Revelation meaning the Greek word Apocalypse to reveal to uncover and to unveil Who is God speaking to in the book of Revelation Are we living in the days that the book of Revelation is talking about The next greatest event on God s calendar is about to come to pass Prophecy is history written before hand Revelation is history in reverse This book is simply the effort to eliminate the fears and misunderstanding of the concept of the book of Revelation People say that the book of Revelation cannot be understood and in essence do not attempt to read it God meant for us to understand the book of Revelation and He had to have it written so that it would be applicable to the people four thousand years ago as well as the people of today When you are writing about something in the future events technology and things will change so you would have to write it in a way that it could be for all times It is called Revelation because God therein discovers those things which could have never been sifted out by the reasoning of human understanding These are the deep things of God which no man knows but the Spirit of God and those to whom He reveals them to I am a servant in the ministry of the Lord Jesus Christ I am deeply indebted to all who have laid the foundation before me I have sought to give credit to whom credit is due This book reflects the toils and tears of writers whose efficiency and eloquence have inspired me It is my desire and endeavor to inspire others to explore in the reading of the scriptures May the grace of our Lord and Savior Jesus Christ and the sweet communion of the Holy Spirit rule rest and abide from henceforth and forever more Amen Evangelist Linda **Biblical Illustrator, Volume 1** Exell, Joseph S., Would you like it if one of the greatest preachers could help you prepare your sermons How about 20 ministers to assist you with your sermon Joseph Exell included content from some of the most famous preachers such as Dwight L Moody Charles Spurgeon J C Ryle Charles Hodge Alexander MacLaren Adam Clark Matthew Henry and many more He compiled this 56 volume Biblical Illustrator Commentary and Delmarva Publications Inc is publishing it in a 6 volume digital set with a linked

Morales,2025-03-07 Every human being in this world has an expiration date meaning their death date No one knows when that is going to take place in their life That is why we should live each day like if it were our last day here on earth because the human race has violated the laws of life given to them by God Almighty the Creator of heaven and earth So much has happened since the beginning that only a small fraction of the whole world s population through the millennia has responded and understood how all this came to be while the rest of the world seems to be oblivious of their life here on earth who are unaware of that life in the spiritual world That is why most people in hell don t even know why they are there or that hell even exists because of their lack of knowledge of the scriptures God has been warning the people on earth of that life in spiritual hell People are not concerned or interested in knowing of that life in hell until they get there and by then it will be too late for them All those warnings about hell are written in the Bible God even went further and wrote this book for the ungodly in this world named God Does Not Want You to Go to Hell It is all up to you now whether you are going to hell or not Choose life in Jesus and you will bypass this place called hell forever and if you don t this book will be a witness against you at your day of judgment in the spiritual world Now don t let this happen to you for you are living on borrowed time Accept Jesus as your Lord and Savior serve God faithfully and you will live and if not life and death is only a heartbeat away Here is the email address for this book and a PO Box address so I can receive letters from those who are saved by reading this book which is God s book choosejesusnohell yahoo com God s Books PO Box 44578 Brooklyn Ohio 44144 **Revelation** Matthew Henry,1999 Henry explores Revelation s imagery and symbolism as the church is reminded of God s sovereignty in accomplishing his will A Crossway Classic Commentary abridged and adapted for today s reader **Heaven** Edward McKendree Bounds,1921 *Pamphlets in Philology and the Humanities* ,1892 **The Apocalypse of Jesus Christ, Commonly Called the Revelation of St. John the Divine, Briefly, Yet Minutely, Explained and Interpreted to the XIXth Chapter Inclusive, Etc.
