Pilgrim Theology Michael Horton, 2013-02-05 Pilgrim Theology is a map for Christians seeking to better understand the core beliefs of their faith Even though it s the study of God theology has a reputation for being dry abstract and irrelevant for daily living But theology is a matter of life and death It affects the way you think the decisions you make the way you relate to God and the world Reformed theologian and professor Michael Horton wrote Pilgrim Theology as a more accessible companion to his award winning systematic theology The Christian Faith widely praised for its thorough treatment of the biblical and historical foundations of Christian doctrine In Pilgrim Theology his focus is in putting the study of theology into the daily drama of discipleship Each chapter will orient you toward a clear understanding about Who God is What our relationship is to him And what our faith in Jesus Christ means in our daily walk as well as in the context of the narrative of Scripture and the community of the church Through accessible chapters on individual doctrines as well as frequent Key Distinction boxes that succinctly explain the differences between important themes you ll gain an understanding of doctrines that may have sounded like technical seminary terms to you before justification sanctification glorification union with Christ and others You have a working theology already an existing understanding of God It s the goal of Pilgrim Theology to help you examine that understanding more closely and have it challenged and strengthened

Spurgeon, **The Mystery of Faith** John-Francis Friendship, 2019-09-30 The Mystery of Faith explores the essentials of Christian belief and the ancient spiritual practices that enable us to live and flourish in the light of God's grace. It is written for those who are new to the Christian faith, are curious about it, want to understand their faith better, or make more meaningful connections between faith and life. Using the structure of the Apostles' Creed, it offers clear explanations of core beliefs through the God we encounter in creation, in the life, death, and resurrection of Jesus Christ, and in the Spirit who makes God known in our world and in our lives today. John Francis Friendship draws on the riches of the Christian tradition and his own experience of Religious life to introduce practices that guide our daily living: as God's people, prayer, scripture, the sacraments, worship, the company of saints. Throughout, questions for reflection and discussion make this an ideal resource for faith formation for individual and groups.

Secrets of Eternity Annalee Skarin, 2017-07-31 My increasing love has been the reward for my efforts; for my love is great and my vision true. All that I have I give freely to the world. I seek no credits or rewards. I only ask that men read that which God has revealed through me in humble prayer. If man will, but be as prayerful in reading as I have been filled with humble prayer in the writing, then there is still hope for the world. And so beloved ones of earth, I say: come stand with me upon the mountain top and permit me to show you the cause of the darkness that it might be dispelled. Let me lead you to the great Christ Light that you might step out into its glory and abide in the new day. With compassionate love, unfeigned and true, I reach out to tear asunder the veil of the Gross darkness that has covered the earth and blinded the minds of the people. With love and tenderness increased a thousand fold, I will reveal first the weaknesses and the evils and the errors and deceits contained within the earthly mire that you might fully comprehend the issues involved and so step forth into His great Light, redeemed and glorified.

Annalee Skarin **Unveiled Faith** Wade M. Hurt, 2009-10 So then faith comes by hearing, and hearing by the word of God. Romans 10:17 A spiritual journey is awaiting you. By submitting yourself to the present voice of God, you will become stronger spiritually and tighten your focus on your duties as a Christian.
